With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

Finally found one ; 2700 Kelvin (warm color)

15 Watt == 950 lumens, ~= to a 60 watt incandescent bulb

Tested it with a Short Wave Radio, 300 miles from WBCQ

interference only detectable within 3 feet or closer to the bulb
(Neat, eh ?)

- also found one (2700 Kelvin, nice warm color) made by Longstar

AND THEY LAST FOR SEVEN YEARS ! ! !

Not Only A Lot Easier - But at least Ten Times More Cost Effective

& No turning on the light & watching it blow out

Generally a better way to light your house..

Support Our Demands For Open Communications

CNN News Special: Autism - Unraveling the Mystery
http://www.cnn.com/2008/LIVING/studentnews/04/01/transcript.wed/

CNN "We've learned so much this week."

Support my demands for US to arrest CNN, CBC, CTV, and the BBC news producers, for consciously forbidding American families from knowing, scientifically, mercury causes brain damage to YOUR child, ONE HUNDRED PERCENT of the time. The criminal charge is "endangering children". Please, do not except CNN's zionist enemy LIARS of Christ who would send your teen to DIE in a causeless war for stolen profit - (who routinely refuse OUR concerns,) do not know this while disallowing Americans to survive their continual criminal assaults against our being without apology. Time to pull up on the talk transmitter, to make demand as America, to take these calls for liberty from tyranny, against those corporate nazi news buyer liars. I want to guest host on the Coast to Coast radio network to take open line calls to bring about Justice for Our forsaken Worlds. Make it happen for yourselves as worthy our praise.

Boston Globe PROVED the election was RIGGED
http://www.ronpaulwarroom.com/?p=941

Ask yourself, why do you think Dr. Paul refuses to demand a fair election? He certainly has the donated money for something about changing things for the better by counting. People! can you spare me some money to help my real rise for freedom through Justice by demanding a 911 investigation including building seven?..and General Ahmad being brought to public trial with the neocons for treason? Treason against Civilization. $25 sure could go along way in building The0 Media Empire, of King Johnny Wizard's, Shareware Earth Co.. as presently considered. Be Human, support Johnny Wizard.

Overcoming Zionism
- a special feature interview with Joel Kovel by Revolution

/ / when you gain such a [zionist enemy] state through violence and illegal means, you then have to make it seem legitimate. And the best way of doing that is to claim that you are conquering an inferior people who weren't entitled to full human rights, or who are barbarians, who are not civilized, or who are terrorists by nature. In any event, it involves imposing a kind of degraded human nature to the people you are displacing and conquering, and that's the essence of racism. Racism plays out in the entire history of the state of Israel, which entails a continuous project of ethic cleansing and the racist reaction to that, which seeps throughout Israeli society as a whole.

Revolution: What about critics who say that criticism of the state of Israel is anti-Jewish or anti-Semitic?

Kovel: There is no a priori reason for equating the two. \ \

This is ourselves becoming self aware of our circumstances.

Everyone Human hates the bushite who murders our families indiscriminately while chanting 'whore yea whore yea' all for zionist Bush, the capital false accuser, the real ungodly antichrist enemy of all Human Life.

The Son of Man,

Canada's Mission in Afghanistan - March, 2008

John Manley - Former Canadian Deputy Prime Minister and Finance
Minister

"The Taliban may have been a lot of things, but they weren't corrupt"

- speaking on bushite nazi forces abusing women and children,
oppression Christians, stealing humanitarian aid, pushing
heroin, and denying our children an education on who is TRULY
good or evil. All the while, bombing our families
indiscriminately as the demon antichrist forces responsible
for the crimes of 911 in New York City. Bushite of the nazi
air forces are enemies of Freedom for Americans. See the
bushite, bill the bushite for We, the People, is the truth,
the light, the way. A bushite nazi soldier who refuses to
phone Coast to Coast talk radio to demand Americans support
the public arrest of General Ahmad who financed the terror
attacks of 911, is an enemy worth billing to defend our dying
freedoms held in contempt by censorship. You can not find a
single soldier on Earth to publicly support George W. Bush

enemy of freedom for Democracy.

Taliban fighters are guilty of nothing but standing in defense

Let honorable Soldiers know, who are the enemies that get them KILLED for demon lies. CBC, the BBC and CNN is the terrorist enemy by forbidding US, The People, from seeing the meaning of iron flowing like water from the towers, prior to the imminent collapse for the neocon traitors. As planned - boogahboogah. Just because they hang on the fact they are here to mislead ourselves for needless wars to die YOU for, doesn't make the criminal intent they publicly express unchallenged against

Humanity, any less horrific in it's dupliciting of war crimes by smiling ~ 'unknowingly'. To go silent, is to except freedom to live denied.

Real Jews don't murder innocent people to steal their rights to Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

George Norry, demon enemy of Freedom for America, must be demanded to allow open discussions on the fact that the war crimes committed against Iraqis, are crimes against US all. Crimes committed by the neocon traitor liars, who are 'escaping' responsibility for 911 also, as the true enemies of all Life and God to believe as Justice. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU?

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \ \

Understand this: JPMorgan received 13 TRILLION in derivatives by excepting the American tax payer gift of three hundred million, to take a billion dollar public building off our hands as 'the losers'. Then this: of all the billions in free tax monies given to the EXTREMELY wealthy [some are actual trillionaires] of the FIVE private banking industrialists, done to "bail out" America of this mortgage meltdown, none of that TAX money goes to the scammed home owners, who's costs have directly increased due to the transgressions of hedgers who privately take the real money for themselves escaping into the Cayman Islands, and leave US, the bogus credits to default on by disappearing public pensions, stock, ect... Example: where is the 13 TRILLION that JPMorgan inherited at the cost of more than 200 million American taxer played? How could a multi-millionaire stock holder of Bear Stearns lose all their money, if the company is still holding 77 trillion for Public leveraging? What kind of bankruptcy of Enron book keeping is that where our loot is

unfounded? "lost" to market forces? But JPMorgan inherits 13 trillion? Try FRAUD. Like did you know, Mr. Trillion Aires isn't even on the hook for covering the initial mortgaged loans of mortgaged loans? Or that, the Royal Bank of Canada popularly paid out .02% interest on Canadian savings accounts just for spite? 'Knowing' you don't even have the strength of conviction to raise your phone demanding fairness for our forsaken Worlds, because, for starters, CBC, CNN, with the BBC an George Norry ain't going to take our calls for free communications, for, the neocon zionists committed 911 with Bush's business partner General Ahmad to rob you all - and die our sons and daughters are, dying our sons and daughters are. Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water injection plant in Iraq a sand-like substance scattered around the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic chemical which can [as will] lead to cancer even with limited exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did these employees know their company robs from soldiers by charging themselves a $100.00 for a single bag of laundry?, or keep slaves to serve the nazi grunt yumyums? Or poison water supplies?, stealing oil revenues?, over billing America while Championing unchallenged by CNN Bush whores more needless wars to profit US further dying as innocent victims on? If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida". Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at

Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as

deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney, Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like

George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish newsertainment?

I DEMAND OUR VOICE FOR AMERICA

I DEMAND nazi America respond to my Public calls on the fact there is no defense for the criminal war act of attacking Iraq. It is only through censorship, that bushite enemy of Life confuse the viewer. A so named "American" believes falsely as an idiot, Johnny Wizard's position must be challengeable with words, but it is not. Murdering People in Iraq does nothing to serve Justice, but is a criminal act against God and Man. We, The Free World forces had 100 percent access to go wherever we wished, without dropping a bomb, or shooting a child prior to the indiscriminate carnage that started the Iraqi war crimes. To murder in Iraq, in violation of America's War Crimes Law, UN Charter, and the Bible, LOWERS ANY, ANY, bullshit excuse for why American GIs cowardly sacrifice their lives today for the neocon zionist liars. It is only to thieve, rape, and murder an innocent other the bushite ENEMY chants "whore yah" over the willful indiscriminate bombings of our communities as the once civilized. Corporate America pirates "Freedom" by smiling in silence over bushite beating to death innocent children for pleasures. TV bushite hate the Blacks as leaving Katrina victims undefended with demands US whites think like they do absent any real care or love for life and God. Why? Because THEY'RE ugly rich. Like the Hedge Funders who still are paying themselves salaries with an obscene take of in around 1.5 billion a year in such "failures" of national management skills. They take from ALL disenfranchised being Talentlessly criminal as truly, the despicably evil. All TV nazi pundits at FOXNEWS and elsewhere will be publicly tried for war crimes. Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Today, in Afghanistan, bushite bomb and torture indiscriminately while oppressing women, Christians, and children, push heroin, and steal everybody's donated cash. Real Christians will bill enemy liar bushite for GOD and man until these undisputed truths are openly discussed with the facts in Our names. Death to the bushite torturers, rapists, and thieves, death to the enemies of a free America liberated from the tyranny of

censorship.

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly, bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

God Damn the Corporate News American

I DEMAND a public debate with Americans on the FACT that George Walker Bush is a war criminal. Example to Humanity: the Iraq conflict has no cause. Period. Despite demon Bush repeatedly LYING that Saddam wouldn't let the inspectors in.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Saddam wasn't found in violation of 1441. VERDICT: No reason to murder more than a Million Innocent People indiscriminately to thieve from for the zionist neocons liars responsible for 911. Soldiers who war GOD for Mr. Bush are enemies of American Liberty, and deserve to die before the innocent they target as 'no cause' war criminals.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions are stupid. lets just kill whomever-shoot-us-uppers', a computer game of life maybe worth the buy, if for only the reality concept..

New York City is over run by thieving bushite nazi savages, so you, as one of the few proud and brave of a, left to die leaderless, Corporated into lawlessness, America, give the bushite nazis, the real welcome they deserve with fire works. (As freedom killing terrorist liars, the blind to reason bushite always are. [unless seeking forgiveness for such cowardice]) Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal.. So, DIE BUSHITE DIE by trial and jury we WILL stand for God and Country to defeat evil Nazi tyranny, guaranteed. It's written in the stars. Your paying for some crime. What are YOU good for? The Man says, Evidence is Everything. ..and a person accused of a criminal offense without any public evidence to surmise, is still innocent to

anyone. Justice Will Rule when we know what true freedom is gained, by enforcing anti-torture in all cases, then actively hunting down, as Reagan's War Law States, the bushite personally responsible for crimes against Humanity in our stolen Names. We have the demon repuglicons who are voting on the support of torture as something other than TREASONOUS that excuses a murder of an innocent other, as godlessly sadistic. [For even the True Satanist, or True Atheist, would bill these grunting bushite torturers without even sweating about what's right or wrong. thinking.] Those censors like Rush Limbaugh or Shaun Hannity that refuse our wiser minds, do so because Freedom defeats them in seconds - to be the disturbing groveller to self destruction that they confess to be, hiding from nobody. However: In Johnny's America, they's not down burning in the fiery pits of hell symbolically to teach US all a valuable lesson, Theys got millions from us for "our" continual wanting of yet more mass murders as worst than any fictions since dreamt, and I, the Wisest Godman on Earth, instead of having Coast to Coast public interest, have mostly zionist crazed insults from extreme sexual dysfunctionals, offering to whore to a hundred and 50 something countries - just to fuk you up as lost again to the cause of Liberty. SEE? My critics can't criticize me on my facts, because we are truly dying here forsaking ourselves, truly dying as victims, because of the corporate media refusing to HONESTLY take our continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand

public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you?? Believe I mean.. In Justice winning a Freedom for all included? Leaving US to silent media condemnation, is to leave yourself a place as History. When a bushite dies, I celebrate the saving of innocent lives.

All irrational bushite dumfuk are godless enemies of Humanity, and worthy the death sentence to defend our dying innocent families they target as theives to murder for the zionist neocon liars. Who actually committed 911.

So,

Send this post to your favorite talk host, newspaper, or bar message board if sparing me a few dollars from Japan seems rather obscure. All for the sake of knowing a brother's down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. Justice and Freedom for all, especially God as Just, and worthy our praise for Peace. Donate me leastly five dollars for milk and bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today,
the standing Reagan Law, demands that these bushite enemies of
God serve a minimum of 25 years, for knowingly supporting the
war crimes actions of torturing innocent Peoples to Death.
As President, with the Armed Forces in tow, we will arrest,
try, and convict all these demon enemies of freedom for
Americans.

Look, we have to realize: everyone knows a bushite cop killer
thief is a cowardly enemy of America, who wars God and Humanity
as OUR ENEMIES for the criminal escape of the neocon Zionists
responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and
murders for the demon antichrist thieves. Dishonorable to the
core of what it means to be a free man, they die in cowardice,
too afraid to defend what's right as true. A liar, a thief, a
murderer, that is what a bush whore nazi grunt who states life
must die for as lawlessness. They war Humanity as bush whore
slaves for the escape of the neocon liars of 911. (General
Ahmad funded Atta) They support torture by silence, they
support raping women by silence, they support robbing The
Peoples by silence, and they support killing themselves for
FOXNEWS to continue LYING to America about what it costs to be
a bush bitch who chants routinely, "whore yeah, whore yeah"
Death to the bushite, death to the enemies of freedom in
Johnny's America to talk openly with the FACTS absent Coast to
Coast hosts Demonic censorship of American voices as True
Liberty.

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing
outstanding criminal investigations on who personally was
responsible: Bush and Cheney, Zionists. Not Jews. Zionists
believe Israel should not be defended from war criminals who
bomb Jewish communities indiscriminately to murder children
with millions of landmines. Condi, zionist witch, ordered the
dropping of near seven million land mines on Lebanon, with the
first strike targets to be JEWS pin pointed by the
anti-Israeli racist nazis. Jews, who are so, no matter where
we eek out a significance. CBC, CNN, and FOXNEWS with George
Norry refuse to take my challenge for public accountability as
Zionist enemies to Life. Nazi Israelis steal innocent peoples
homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask
Lou Dobbs why he hasn't reported that General Ahmad funded
Ahmad? I know why.. Because Alex Jones once again, with
Dobbs, whored for the demon antichrist's escape for the
treasonous acts of 911 committed in his name.. What is Alex
Jones when he alleges George Norry, who's into killing
innocent kids, is anything but a traitor deserving the death
sentence through public trial? Justice as Freedom?, or more go
nowhere NWO shadow government bullshit to escape the ungodly
zionist neocons personally responsible for the crimes of 911.
I demand a Presidential debate with America where Alex Jones
can't hang up on US, while claiming to ourselves as the
audience, that the truth tellers hung up himself, honest John.
Alex Jones suggested yesterday that ALL those who criticize
himself on anything, without naming names, are just jealous.
Again, Mr. Look! it's a Prison Planet is not qualified to
lead a Peoples towards freedom through Justice wanting.
(Qualified to lead the news however, granted, one of the best,
IF NOT THEE. (Except for Zionism, Health Care, Immigration,
feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all
the criminal transgressions against God in America and abroad,
since the demon stole the initial election back in 2000.
Alex's contention that Mr. Bush and Cheney isn't worth
attacking personally with our Laws on treason for defense,
(all because theys not responsible for nuting, as his NWO
"Puppets",) IS Tyranny of the worst order. Ask anyone,
including Alex if he could get his chumped "ego" out of
the way. Truly, "Socialized medicine" can also mean paying
half as much, with double the coverage. Middle men are our
answer givers when it comes to Americans questioning the
system of injustices inflicted. Did you know: Private
Insurance Companies can clear 70 percent of money
invested? NOW... wHy wOuLd wE Do tHaT? If we had the free
choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just
ordered all State troopers to not stop Bush on arrestion for High
Treasons. Newsworthy in corporate America? YOU decide, or
don't. Mexican troops, funded by American tax payers, are
selling dope in America for Bush and Co. openly now.. Who
are you going to call?

Who IS running this bushite nazi liar show, where they, our
elite corporate media masters, kill our stupid kids with their
flagrant naked monster lies, while refusing all calls for
clarity, Johnny America really wants to know. Like
immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it,
and what we're trying to do is rip out any roots before they
can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If
he refuses, I will order the military to arrest him on sight
for lowly treason. We know already, that every bomb that goes
off to murder indiscriminately, that isn't credited by bushite
THIEVING enemies, is blamed on bin Laden, without the least of
any investigation, according to Petraeus' own staff, as so
reported on PBS. He, Petraeus is an enemy of AMerican GIs, by
refusing to order them all to hunt to kill the neocon
terrorists responsible for 911. TREASON is anyone's book.
Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman
http://rawstory.com/news/2007/Bogus_Iran_story_was_product_of_0116.html

/ / Starr added that one American boat had been given the
order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman, as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that his ships had been close to firing on the Iranians. So did destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

-

Bushite "Hero" makes eight year old run five miles to save the life of his loving mother, to only after the run, be laughed at with a refusal to grant the emergency water the soldier dumps elsewhere. [Remember: demonic bushite enemies of GOD blew up the water treatment plants to "help" Iraqis.]

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good

will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day. Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. So says the Man of men as Son to God always.

Accountability is what ALL PEOPLE WANT. The term "Socialized

science ruled by wiser men greater than Alex as mathematically

America is destroyed just as Alex says it will be, and there

ruled that Alex Jones will always be forbidden to speak of
General Ahmad on HIS broadcast, and ALEX AGREED TO SUCH TERMS.
Don't even bother to pick up your phone to call someone who
cares for "Freedom" in "America" - unless you're going to
blame Arabs, Aliens, the Illuminati, or big foot.

Phone Coast to Coast and ask the demons how it figures the NWO
plays more a significant role on 911, than "The Puppet" false
accuser, Mr. George Walker Bush, enemy of GOD and Man?

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis savages, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

"A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

Bushite are Traitors

British Soldiers Torture innocent Iraqis to Death for fun as Satanic

SEE? Soldiers who Hunt to kill a bushite, hunt to kill the enemy of every living person. They are enemies of truth, as enemies of Justice for Life. It, as a zionist KNOWS, is an enemy to freedom and God in Britain by supporting indiscriminate warfare, such as torture by suggesting we have no power to demand evidence to form OUR conclusions on who is good or evil.

Heaven Won't Take Marines

LOOK! The lawless bushite is warring Humanity to bring about near what was there prior to them attacking.. Did you know: American tax payers openly pay the salaries of death squad goons who murder defenseless innocent families in Iraq TODAY as The Enemy?

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog

double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911. The George Norry is an enemy to God and Humanity by conning Americans into not allowing open line communications on any relevant human interest story involving the criminal sacrifice of Justice for America. No, instead, more bullshit on AREA51. AREA 51 where toxic waste is illegally burned for cash profit at the loss of REAL American lives paid for in CENSORED collateral. You die as An American for the treasonous con of Coast to Coast hosts who forbid open dialog on the reasons for why YOUR nation wars innocent others to thieve from. Remember, the REAL DEMON George Norry gives an endless stream of bushite dumfuk who endlessly praise George for supporting the neocon murders of more than a million INNOCENT PEOPLE by forbidding truth to be sought concerning our circumstances. And YOU, yes YOU, are meant to feel alone in your concerns on the fact that the neocons are trying to escape their rightful arrest for the crimes of mass murder. Al-Qaida = General Mahmoud Ahmad. George Norry is a DEMON traitor who's con is on just playing happy as a polite demonic sadist, who silents on for the murder of soldiers - who are as dumb as we come. George Norry deserves to be TRUTHFULLY exposed for what he denies as America's privilege, freedom and justice for all.

evil enemy terrorists who "believe" the zionist neocons TRULY

The Corporate Bush whores, who lie to die our naive sons and

GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that's the only way to blindly defeat terrorists.. (evil = good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence. Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives. Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade. He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that? See something here my friends behind these great words of wonder? Demand open communications regarding our demands for the arrest of those truly responsible for the crimes of mass murder in America on 911 back in New York city.

They lie to cheat at murder for money. Money paid for by
American tax payers to murder innocent Christians, Jews, and
Arabs. The pictures of zionist offspring, signing their nazi
family name to cluster dud land mines, were FIRST used
against Jewish northern communities in Lebanon! Not CNN
newsworthy.. Why? Because Condi, unelected demon witch,
sent herself, SEVEN MILLION land mines to be strewn over
170 towns and villages to murder OUR children indiscriminately
for decades. Sent after a truce had been called, and an end

to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied falling to die?

Again, realize: George Norry, the indisputable pro-child killer, forbids Americans to understand: General Ahmad funded Atta. And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons? I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on... Remember: Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. the entire human species, to be painfully ignorant as
Chauvinistic know nothings, who rape and murder from our
Humanity to benefit themselves dying from censorship, and look
at where it's gotten everyone.. Bombing Our very own innocent
families who dream of a better life for all though freedom,
that only comes by the ways of Justice understood as measured.
I'm willing to Challenge America to a Presidential Debate on
successes we've achieved as the governed for enlightenment. A
person accused of a criminal offense without any evidence is
innocent. And worth MY protection. NewsCorped America is not
qualified to lead any group committed to understanding why we
have laws to serve ALL people equitably for freedom.
Certainly, we all could easily learn this though, through
lively trial and error by public debate, if we had an open
mike policy on a national level to talk directly with these
trying times at the best of our capabilities of listening. I
demand my calls for open debate against all neocon zionist
enemies world wide be taken up seriously for the betterment of
all peoples lives.

"The killing of innocent civilians is policy," veteran Mike
Blake said. "It's unit policy and it's Army policy. It's not
official policy, but it's what's happens on the ground
everyday. It's what unit commanders individually encourage."
Not true. We have plenty of examples of official policy such
as no cause whatsoever for the war period, and FOXNEWS. Then
of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten"
Russell. Or Sattler's, that ordered the indiscriminate murder
of more than two hundred thousand INNOCENT people of Fallujah.
As just one example of many. Billing bushite is saving
Humanity from the actual, for real, antichrist forces of
demonic evil mentioned in every Bible. Bill a bushite enemy
of America, for a bushite is minimally a thief, a thief that
wars the innocent of Humanity to help 'escape' the zionist

Well, a criminal willed the murder of another, and now it
thinks it can't be arrested because it says for US to do so,
would be anti-Jew. And no, I'm sure Johnny would word it in
today's climate, arresting a murderer for murder. See? A

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now."
(seen on many bushite tanks "666" Praising Satan while
chanting, "whore yeah, whore yeah", while raping, thieving,
and murdering as antichrist enemies of EVERYONE - including
GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by
Maj. Gen. Geoffrey D. Miller, during the torture of
INNOCENT People to death they kidnapped, all because American
religious males refuse, "Christians", so far, refuse to kill
SATANIC bushite on sight for true freedom and Liberty. Do not
except the excuses of bushite nazis, that being openly Satanic
for Bush's Skull and Bones, and the Bohemian Grove, is to war
for Freedom and Democracy in the New american Century. The
Son of Man States to all religious PEOPLES: Kill a bushite to
defend God in America. If necessary, You, as a dying America,
shall give every last drop of Christian blood you have to bill
the unarrested Satanic General Miller and his praising DEMONIC
ilk for their murderous treasons against GOD and Man.
(Atheists included die too with these routine indiscriminate
bombings don't you know anything.) All because America still
refuses to demand Justice for 911. Make the call, be a man.
Al-Qaida = General Mahmoud Ahmad. Bush, "The Puppet", needs
to be tried PUBLICLY for 911, putting mercury in American vaccines,

torture, Afghanistan, Iraq, and the Military Commissions Act.

The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of neutrality is unwarranted in respect for our victimized selves due to indiscriminate

warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious.

http://www.youtube.com/watch?v=m9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held

accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any

citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon

911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Americans don't seem to care they die by their own unwillingness to communicate openly for Justice. I ask you again, to spare me a few dollars so I can feed myself. I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. Depending on what trunking your PD is using. The 91 is a single trunker. If
its a larger city they may have went digital so the pro91 wont pick it up.

Before you buy another scanner you need to make sure what your PD is using.
If they are just trunking on the 800 you don't need a digital scanner. If
they did go digital there is a real good chance it's also encrypted, so a
scanner will be worthless. Find out what they are using first.

Overcoming Zionism
- a special feature interview with Joel Kovel by Revolution

/ / when you gain such a [zionist enemy] state through violence and illegal means, you then have to make it seem legitimate. And the best way of doing that is to claim that you are conquering an inferior people who weren't entitled to full human rights, or who are barbarians, who are not civilized, or who are terrorists by nature. In any event, it involves imposing a kind of degraded human nature to the people you are displacing and conquering, and that's the essence of racism. Racism plays out in the entire history of the state of Israel, which entails a continuous project of ethic cleansing and the racist reaction to that, which seeps throughout Israeli society as a whole.

Revolution: What about critics who say that criticism of the state of Israel is anti-Jewish or anti-Semitic?

Kovel: There is no a priori reason for equating the two. \ \

This is ourselves becoming self aware of our circumstances.

Everyone Human hates the bushite who murders our families indiscriminately while chanting 'whore yea whore yea' all for zionist Bush, the capital false accuser, the real ungodly antichrist enemy of all Human Life.

Signed,

The Son of Man,

Johnny Wizard

"Taliban fighters are guilty of nothing but standing in defense
of the innocent victims of 911."

Canada's Mission in Afghanistan - March, 2008

John Manley - Former Canadian Deputy Prime Minister and Finance
Minister
- Chair, Independent Panel on Canada's Future Role in Afghanistan

"The Taliban may have been a lot of things, but they weren't corrupt"

- speaking on bushite nazi forces abusing women and children,
oppression Christians, stealing humanitarian aid, pushing
heroin, and denying our children an education on who is TRULY
good or evil. All the while, bombing our families
indiscriminately as the demon antichrist forces responsible
for the crimes of 911 in New York City. Bushite of the nazi
air forces are enemies of Freedom for Americans. See the
bushite, bill the bushite for We, the People, is the truth,
the light, the way. A bushite nazi soldier who refuses to
phone Coast to Coast talk radio to demand Americans support
the public arrest of General Ahmad who financed the terror
attacks of 911, is an enemy worth billing to defend our dying
freedoms held in contempt by censorship. You can not find a

single soldier on Earth to publicly support George W. Bush without immediately being recognized a traitor, a liar, an enemy of freedom for Democracy.

Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Bushite antichrist forces are the worst of religious fundamentalists. They refuse to arrest "judges" who order the bushite dumfuk to murder those who speak for women's rights through the Koran. They refuse to arrest "judges" who order bushite dumfuk to murder Christians guilty of nothing but respecting Mohammed.

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

See? KBR is now privately running hospital care for the dum-uk grunts, so, what would you expect but rat infestations? Oh, you never truly thought... what being a "Liberal" or "Conservative" victim of illiteracy to the blame game is. Are you pro Liberty, or pro tyranny is the question riddled really. Example: Murder is Illegal.

Let honorable Soldiers know, who are the enemies that get them KILLED for demon lies. CBC, the BBC and CNN is the terrorist enemy by forbidding US, The People, from seeing the meaning of iron flowing like water from the towers, prior to the imminent collapse for the neocon traitors. As planned - boogahboogah. Just because they hang on the fact they are here to mislead ourselves for needless wars to die YOU for, doesn't make the criminal intent they publicly express unchallenged against Humanity, any less horrific in it's dupliciting of war crimes by smiling ~ 'unknowingly'. To go silent, is to except freedom to live denied.

Real Jews don't murder innocent people to steal their rights to Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

George Norry, demon enemy of Freedom for America, must be demanded to allow open discussions on the fact that the war crimes committed against Iraqis, are crimes against US all. Crimes committed by the neocon traitor liars, who are 'escaping' responsibility for 911 also, as the true enemies of all Life and God to believe as Justice. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU?

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \ \

Understand this: JPMorgan received 13 TRILLION in derivatives by excepting the American tax payer gift of three hundred million, to take a billion dollar public building off our hands as 'the losers'. Then this: of all the billions in free tax monies given to the EXTREMELY wealthy [some are actual trillionaires] of the FIVE private banking industrialists, done to "bail out" America of this mortgage meltdown, none of that TAX money goes to the scammed home owners, who's costs have directly increased due to the transgressions of hedgers who privately take the real money for themselves escaping into the Cayman Islands, and leave US, the bogus credits to default on by disappearing public pensions, stock, ect... Example: where is the 13 TRILLION that JPMorgan inherited at the cost of more than 200 million American taxer played? How could a multi-millionaire stock holder of Bear Stearns lose all their money, if the company is still holding 77 trillion for Public leveraging? What kind of bankruptcy of Enron book keeping is that where our loot is unfounded? "lost" to market forces? But JPMorgan inherits 13 trillion? Try FRAUD. Like did you know, Mr. Trillion Aires isn't even on the hook for covering the initial mortgaged loans of mortgaged loans? Or that, the Royal Bank of Canada popularly paid out .02% interest on Canadian savings accounts just for spite? 'Knowing' you don't even have the strength of conviction to raise your phone demanding fairness for our forsaken Worlds, because, for starters, CBC, CNN, with the BBC an George Norry ain't going to take our calls for free communications, for, the neocon zionists committed 911 with Bush's business partner General Ahmad to rob you all - and die our sons and daughters are, dying our sons and daughters are. Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water injection plant in Iraq a sand-like substance scattered around the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic chemical which can [as will] lead to cancer even with limited exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did these employees know their company robs from soldiers by charging themselves a $100.00 for a single bag of laundry?, or keep slaves to serve the nazi grunt yumyums? Or poison water supplies?, stealing oil revenues?, over billing America while Championing unchallenged by CNN Bush whores more needless wars to profit US further dying as innocent victims on? If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida". Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

Condoleezza Rice "This barbarous act has no place among civilized peoples and shocks the conscience of all peace loving nations. There is no cause that could ever justify this action." This from the zionist demon witch who okayed the dropping of seven million land mines to murder children in Lebanon for generations!

These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth

set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those war criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT

families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney, Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish newsertainment?

I DEMAND OUR VOICE FOR AMERICA

I DEMAND nazi America respond to my Public calls on the fact there is no defense for the criminal war act of attacking Iraq. It is only through censorship, that bushite enemy of Life confuse the viewer. A so named "American" believes falsely as an idiot, Johnny Wizard's position must be challengeable with words, but it is not. Murdering People in Iraq does nothing to serve Justice, but is a criminal act against God and Man. We, The Free World forces had 100 percent access to go wherever we wished, without dropping a bomb, or shooting a child prior to the indiscriminate carnage that started the Iraqi war crimes. To murder in Iraq, in violation of America's War Crimes Law, UN Charter, and the Bible, LOWERS ANY, ANY, bullshit excuse for why American GIs cowardly sacrifice their lives today for the neocon zionist liars. It is only to thieve, rape, and murder an innocent other the bushite ENEMY chants "whore yah" over the willful indiscriminate bombings of our communities as the once civilized. Corporate America pirates "Freedom" by smiling in silence over bushite beating to death innocent children for pleasures. TV bushite hate the Blacks as leaving Katrina

victims undefended with demands US whites think like they do absent any real care or love for life and God. Why? Because THEY'RE ugly rich. Like the Hedge Funders who still are paying themselves salaries with an obscene take of in around 1.5 billion a year in such "failures" of national management skills. They take from ALL disenfranchised being Talentlessly criminal as truly, the despicably evil. All TV nazi pundits at FOXNEWS and elsewhere will be publicly tried for war crimes. Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Today, in Afghanistan, bushite bomb and torture indiscriminately while oppressing women, Christians, and children, push heroin, and steal everybody's donated cash. Real Christians will bill enemy liar bushite for GOD and man until these undisputed truths are openly discussed with the facts in Our names. Death to the bushite torturers, rapists, and thieves, death to the enemies of a free America liberated from the tyranny of censorship.

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly, bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

God Damn the Corporate News American

I DEMAND a public debate with Americans on the FACT that George Walker Bush is a war criminal. Example to Humanity: the Iraq conflict has no cause. Period. Despite demon Bush repeatedly LYING that Saddam wouldn't let the inspectors in.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Saddam wasn't found in violation of 1441. VERDICT: No reason to murder more than a Million Innocent People indiscriminately

to thieve from for the zionist neocons liars responsible for 911. Soldiers who war GOD for Mr. Bush are enemies of American Liberty, and deserve to die before the innocent they target as 'no cause' war criminals.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions are stupid. lets just kill whomever-shoot-us-uppers', a

computer game of life maybe worth the buy, if for only the reality concept..

New York City is over run by thieving bushite nazi savages, so you, as one of the few proud and brave of a, left to die leaderless, Corporated into lawlessness, America, give the bushite nazis, the real welcome they deserve with fire works. (As freedom killing terrorist liars, the blind to reason bushite always are. [unless seeking forgiveness for such cowardice]) Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal.. So, DIE BUSHITE DIE by trial and jury we WILL stand for God and Country to defeat evil Nazi tyranny, guaranteed. It's written in the stars. Your paying for some crime. What are YOU good for? The Man says, Evidence is Everything. ..and a person accused of a criminal offense without any public evidence to surmise, is still innocent to anyone. Justice Will Rule when we know what true freedom is gained, by enforcing anti-torture in all cases, then actively hunting down, as Reagan's War Law States, the bushite personally responsible for crimes against Humanity in our stolen Names. We have the demon repuglicons who are voting on the support of torture as something other than TREASONOUS that excuses a murder of an innocent other, as godlessly sadistic. [For even the True Satanist, or True Atheist, would bill these grunting bushite torturers without even sweating about what's right or wrong. thinking.] Those censors like Rush Limbaugh or Shaun Hannity that refuse our wiser minds, do so because Freedom defeats them in seconds - to be the disturbing groveller to self destruction that they confess to be, hiding from nobody. However: In Johnny's America, they's not down burning in the fiery pits of hell symbolically to teach US all a valuable lesson, Theys got millions from us for "our" continual wanting of yet more mass murders as worst than any fictions since dreamt, and I, the Wisest Godman on Earth, instead of having Coast to Coast public interest, have mostly zionist crazed insults from extreme sexual dysfunctionals, offering to whore to a hundred and 50 something countries - just to fuk you up as lost again to the cause of Liberty. SEE? My critics can't criticize me on my facts, because we are truly dying here forsaking ourselves, truly dying as victims, because of the corporate media refusing to HONESTLY take our continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from

departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you?? Believe I mean.. In Justice winning a Freedom for all included? Leaving US to silent media condemnation, is to leave yourself a place as History. When a bushite dies, I celebrate the saving of innocent lives.

All irrational bushite dumfuk are godless enemies of Humanity, and worthy the death sentence to defend our dying innocent families they target as theives to murder for the zionist neocon liars. Who actually committed 911.

So,

Send this post to your favorite talk host, newspaper, or bar message board if sparing me a few dollars from Japan seems rather obscure. All for the sake of knowing a brother's down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. Justice and Freedom for all, especially God as Just, and worthy our praise for Peace. Donate me leastly five dollars for Canadian 2% milk, and yummy multi-grain bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today, the standing Reagan Law, demands that these bushite enemies of God serve a minimum of 25 years, for knowingly supporting the war crimes actions of torturing innocent Peoples to Death. As President, with the Armed Forces in tow, we will arrest, try, and convict all these demon enemies of freedom for Americans.

Look, we have to realize: everyone knows a bushite cop killer thief is a cowardly enemy of America, who wars God and Humanity as OUR ENEMIES for the criminal escape of the neocon Zionists responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and murders for the demon antichrist thieves. Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars of 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for

FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as True Liberty.

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing outstanding criminal investigations on who personally was responsible: Bush and Cheney, Zionists. Not Jews. Zionists believe Israel should not be defended from war criminals who bomb Jewish communities indiscriminately to murder children with millions of landmines. Condi, zionist witch, ordered the dropping of near seven million land mines on Lebanon, with the first strike targets to be JEWS pin pointed by the anti-Israeli racist nazis. Jews, who are so, no matter where we eek out a significance. CBC, CNN, and FOXNEWS with George Norry refuse to take my challenge for public accountability as Zionist enemies to Life. Nazi Israelis steal innocent peoples homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask
Lou Dobbs why he hasn't reported that General Ahmad funded
Ahmad? I know why.. Because Alex Jones once again, with
Dobbs, whored for the demon antichrist's escape for the
treasonous acts of 911 committed in his name.. Justice as
Freedom?, or more go nowhere NWO shadow government bullshit to
escape the ungodly zionist neocons personally responsible for

the crimes of 911. I demand a Presidential debate with America where We can't hang up on US, while claiming to ourselves as the audience, that the truth tellers hung up myself, honest John. Alex Jones suggested yesterday that ALL those who criticize himself on anything, without naming names, are just jealous. Again, Mr. Look! it's a Prison Planet is not qualified to lead a Peoples towards freedom through Justice wanting. (Qualified to lead the news however, granted, one of the best, IF NOT THEE. (Except for Zionism, Health Care, Immigration, feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all the criminal transgressions against God in America and abroad, since the demon stole the initial election back in 2000. Alex's contention that Mr. Bush and Cheney isn't worth attacking personally with our Laws on treason for defense, (all because theys not responsible for nuting, as his NWO "Puppets",) IS Tyranny of the worst order. Ask anyone, including Alex if he could get his chumped "ego" out of the way. Truly, "Socialized medicine" can also mean paying half as much, with double the coverage. Middle men are our answer givers when it comes to Americans questioning the system of injustices inflicted. Did you know: Private Insurance Companies can clear 70 percent of money invested? NOW... wHy wOuLd wE Do tHaT? If we had the free choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just ordered all State troopers to not stop Bush on arrestion for High Treasons. Newsworthy in corporate America? YOU decide, or don't. Mexican troops, funded by American tax payers, are selling dope in America for Bush and Co. openly now.. Who are you going to call?

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it, and what we're trying to do is rip out any roots before they can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If he refuses, I will order the military to arrest him on sight for lowly treason. We know already, that every bomb that goes off to murder indiscriminately, that isn't credited by bushite THIEVING enemies, is blamed on bin Laden, without the least of any investigation, according to Petraeus' own staff, as so

reported on PBS. He, Petraeus is an enemy of AMerican GIs, by refusing to order them all to hunt to kill the neocon terrorists responsible for 911. TREASON is anyone's book. Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman

/ / Starr added that one American boat had been given the order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman, as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that his ships had been close to firing on the Iranians. So did destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

Bushite "Hero" makes eight year old run five miles to save the life of his loving mother, to only after the run, be laughed at with a refusal to grant the emergency water the soldier dumps elsewhere. [Remember: demonic bushite enemies of GOD blew up the water treatment plants to "help" Iraqis.]

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day. Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The

Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. So says the Man of men as Son to God always.

Accountability is what ALL PEOPLE WANT. The term "Socialized medicine" is a CON to CHEAT YOU better health care through science ruled by wiser men greater than Alex as mathematically provable. Justice is Freedom, Not Alex Jones liberty where America is destroyed just as Alex says it will be, and there

is nothing YOU can do to save yourself. George Norry has ruled that Alex Jones will always be forbidden to speak of General Ahmad on HIS broadcast, and ALEX AGREED TO SUCH TERMS. Don't even bother to pick up your phone to call someone who cares for "Freedom" in "America" - unless you're going to blame Arabs, Aliens, the Illuminati, or big foot.

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis savages, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

It, as a zionist KNOWS, is an enemy to freedom and God in Britain by supporting indiscriminate warfare, such as torture by suggesting we have no power to demand evidence to form OUR conclusions on who is good or evil.

Did you know: American tax payers openly pay the salaries of death squad goons who murder defenseless innocent families in Iraq TODAY as The Enemy?

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on

Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911. The George Norry is an enemy to God and Humanity by conning Americans into not allowing open line communications on any relevant human interest story involving the criminal sacrifice of Justice for America. No, instead, more bullshit on AREA51. AREA 51 where toxic waste is illegally burned for cash profit at the loss of REAL American lives paid for in CENSORED collateral. You die as An American for the treasonous con of Coast to Coast hosts who forbid open dialog on the reasons for why YOUR nation wars innocent others to thieve from. Remember, the REAL DEMON George Norry gives an endless stream of bushite dumfuk who endlessly praise George for supporting the neocon murders of more than a million INNOCENT PEOPLE by forbidding truth to be sought concerning our circumstances.

And YOU, yes YOU, are meant to feel alone in your concerns on the fact that the neocons are trying to escape their rightful arrest for the crimes of mass murder. Al-Qaida = General Mahmoud Ahmad. George Norry is a DEMON traitor who's con is on just playing happy as a polite demonic sadist, who silents on for the murder of soldiers - who are as dumb as we come. George Norry deserves to be TRUTHFULLY exposed for what he denies as America's privilege, freedom and justice for all.

/ / Please, gimme a break. You're saying that by prosecuting a company with an institutional commitment to war crimes we'd become communists? Maybe you've been drinking the Bush koolaid for too long, but in the regular world when people commit crimes, they're prosecuted. \ \

The YouTube video of BlackWater randomly shooting a great many Iraqi children for pleasure, then stating they, as 'lawless', are justified because only one of the great many random Iraqi murder victims are associated to a green flag in the vicinity, is still Capital Murder. EVEN IF! the Mahdi "Army" ordered the rightful execution of every bushite THIEF on Earth, to defend our innocent lives from these self proclaimed rapists, torturers, and MURDERERS. To kill a 'lawless' bushite robbing to death Iraqis, Americans, and the Chinese along with everyone else, is to defend God and dying Man from the demon evil enemy terrorists who "believe" the zionist neocons TRULY WITHOUT DOUBT responsible for 911, are good guys with lots of our stolen monies to give away freely. Death to the bushite, death to the enemies of Humanity in America.

/ / You are right, employees of Blackwater are sub-human and should be hung from bridges and burned. Oh wait, that already happened. \ \

GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that's the only way to blindly defeat terrorists.. (evil = good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence. Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives. Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade. He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that? See something here my friends behind these great words of wonder? Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so.

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of neutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. Color of Law?

Look, families are threatened with arrest for not agreeing to
cause neurological damage to their children. The cause for
why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to
not allow the children in school. So, arresting the parents
is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that
refused children Justice. If anyone.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach
America that We, The People, haven't spoken on this issue
since Law came to be. Please, I beg, please fight back for
Humanity by not excepting a zionist's betrayal to G-D on this
subject. TV celebs are programming that waterboarding, head
slapping, and the burning of innocent people to death for a
treasonous bushite's satanic pleasure, is arguably in support
of defending my dying America, through assisting in the
neocon's escape for 911. Death to the torturers of innocent
people, death to the enemies of Christ in America.

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1776. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV

Listen to this demon nazi witch, the zionist bitch who
personally FORBADE a plead to stop indiscriminate killing in
Lebanon, assisted in dropping seven million land mines on
Lebanon, and was CENTRAL to the invasion of Afghanistan for
Enron's master plan, tells US with bushite lies that no, Iran
was responsible for the terrorist crimes she fully
acknowledges to be responsible for actually. I ASK: ARE
THERE any soldiers from America who don't believe this 911
witch shouldn't be tried for high treason as a bonafide
TERRORIST? Listen to the end where she says America supports
Iran's pursuit of nuclear energy... so why does she want to
murder millions of innocent people with fall out then.. EH>?
WORLD: threaten to liberate nazi America, if they
indiscriminately murder millions more of innocent souls
without cause, but for the demon antichrist thieves who speak
nothing to defend Humanity. Much like happy happy who cares
Germans were under "liberator" Hitler. Except however,
in our defense, we at that time, didn't have our internets,
or so many, 'you have no power, you have no power' corporate
news channels for Americans to quietly sleep through.
Americans who refuse to speak outrage in the defense of the
Human Race, are Americans not worthy the title of fellow
Human beings. All they as bushmob amerika have done, is
thieve, destroy and murder from everyone of US since
911. I am growing wearily concerned over whether Americans
even can still express real anger over their continuing
sacrifice.

murdered Americans on 911 with general Ahmad, and who with
Peter Power, murdered the innocent in Britain for more stolen

disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white

thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology,

Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in

totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. Support Our Demands For Open Communications

CNN News Special: Autism - Unraveling the Mystery
http://www.cnn.com/2008/LIVING/studentnews/04/01/transcript.wed/

CNN "We've learned so much this week."

Support my demands for US to arrest CNN, CBC, CTV, and the BBC
news producers, for consciously forbidding American families
from knowing, scientifically, mercury causes brain damage to
YOUR child, ONE HUNDRED PERCENT of the time. The criminal
charge is "endangering children". Please, do not except CNN's
zionist enemy LIARS of Christ who would send your teen to DIE
in a causeless war for stolen profit - (who routinely refuse
OUR concerns,) do not know this while disallowing Americans to
survive their continual criminal assaults against our being
without apology. Time to pull up on the talk transmitter, to
make demand as America, to take these calls for liberty from

tyranny, against those corporate nazi news buyer liars. I want to guest host on the Coast to Coast radio network to take open line calls to bring about Justice for Our forsaken Worlds. Make it happen for yourselves as worthy our praise.

Boston Globe PROVED the election was RIGGED
http://www.ronpaulwarroom.com/?p=941

Ask yourself, why do you think Dr. Paul refuses to demand a fair election? He certainly has the donated money for something about changing things for the better by counting. People! can you spare me some money to help my real rise for freedom through Justice by demanding a 911 investigation including building seven?..and General Ahmad being brought to public trial with the neocons for treason? Treason against Civilization. $25 sure could go along way in building The Media Empire, of King Johnny Wizard's, Shareware Earth Co.. as presently considered. Be Human, support Johnny Wizard.

Overcoming Zionism
- a special feature interview with Joel Kovel by Revolution

/ / when you gain such a [zionist enemy] state through violence and illegal means, you then have to make it seem legitimate. And the best way of doing that is to claim that you are conquering an inferior people who weren't entitled to full human rights, or who are barbarians, who are not

civilized, or who are terrorists by nature. In any event, it involves imposing a kind of degraded human nature to the people you are displacing and conquering, and that's the essence of racism. Racism plays out in the entire history of the state of Israel, which entails a continuous project of ethic cleansing and the racist reaction to that, which seeps throughout Israeli society as a whole.

Revolution: What about critics who say that criticism of the state of Israel is anti-Jewish or anti-Semitic?

Kovel: There is no a priori reason for equating the two. \ \

This is ourselves becoming self aware of our circumstances.

Everyone Human hates the bushite who murders our families indiscriminately while chanting 'whore yea whore yea' all for zionist Bush, the capital false accuser, the real ungodly antichrist enemy of all Human Life.

Signed,

The Son of Man,

Johnny Wizard

/ / [innocent] Prisoners [of godless bushite enemy] had to supply

To kill a lawless bushite nazi savage, is to love God as the
innocent of Humanity.

CNN, and CBC are enemies of Civilization, to forbid US in

General Ahmad to con our kids to die for tyranny as.

"Taliban fighters are guilty of nothing but standing in defense
of the innocent victims of 911."

Canada's Mission in Afghanistan - March, 2008

John Manley - Former Canadian Deputy Prime Minister and Finance
Minister
- Chair, Independent Panel on Canada's Future Role in Afghanistan

"The Taliban may have been a lot of things, but they weren't corrupt"

- speaking on bushite nazi forces abusing women and children,
oppression Christians, stealing humanitarian aid, pushing
heroin, and denying our children an education on who is TRULY
good or evil. All the while, bombing our families
indiscriminately as the demon antichrist forces responsible
for the crimes of 911 in New York City. Bushite of the nazi
air forces are enemies of Freedom for Americans. See the
bushite, bill the bushite for We, the People, is the truth,
the light, the way. A bushite nazi soldier who refuses to
phone Coast to Coast talk radio to demand Americans support

the public arrest of General Ahmad who financed the terror attacks of 911, is an enemy worth billing to defend our dying freedoms held in contempt by censorship. You can not find a single soldier on Earth to publicly support George W. Bush without immediately being recognized a traitor, a liar, an enemy of freedom for Democracy.

Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Bushite antichrist forces are the worst of religious fundamentalists. They refuse to arrest "judges" who order the bushite dumfuk to murder those who speak for women's rights through the Koran. They refuse to arrest "judges" who order bushite dumfuk to murder Christians guilty of nothing but respecting Mohammed.

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

See? KBR is now privately running hospital care for the dum-uk grunts, so, what would you expect but rat infestations? Oh, you never truly thought... what being a "Liberal" or "Conservative" victim of illiteracy to the blame game is. Are you pro Liberty, or pro tyranny is the question riddled really. Molten metal flowing

Let honorable Soldiers know, who are the enemies that get them KILLED for demon lies. CBC, the BBC and CNN is the terrorist enemy by forbidding US, The People, from seeing the meaning of iron flowing like water from the towers, prior to the imminent collapse for the neocon traitors. As planned - boogahboogah. Just because they hang on the fact they are here to mislead ourselves for needless wars to die YOU for, doesn't make the criminal intent they publicly express unchallenged against Humanity, any less horrific in it's dupliciting of war crimes by smiling ~ 'unknowingly'. To go silent, is to except freedom to live denied.

Real Jews don't murder innocent people to steal their rights to Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

George Norry, demon enemy of Freedom for America, must be demanded to allow open discussions on the fact that the war crimes committed against Iraqis, are crimes against US all. Crimes committed by the neocon traitor liars, who are 'escaping' responsibility for 911 also, as the true enemies of all Life and God to believe as Justice. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU?

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of

power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \
\

Understand this: JPMorgan received 13 TRILLION in derivatives
by excepting the American tax payer gift of three hundred
million, to take a billion dollar public building off our
hands as 'the losers'. Then this: of all the billions in
free tax monies given to the EXTREMELY wealthy [some are
actual trillionaires] of the FIVE private banking
industrialists, done to "bail out" America of this mortgage
meltdown, none of that TAX money goes to the scammed home
owners, who's costs have directly increased due to the
transgressions of hedgers who privately take the real money
for themselves escaping into the Cayman Islands, and leave US,
the bogus credits to default on by disappearing public
pensions, stock, ect... Example: where is the 13 TRILLION
that JPMorgan inherited at the cost of more than 200 million
American taxer played? How could a multi-millionaire stock
holder of Bear Stearns lose all their money, if the company is
still holding 77 trillion for Public leveraging? What kind of
bankruptcy of Enron book keeping is that where our loot is
unfounded? "lost" to market forces? But JPMorgan inherits 13
trillion? Try FRAUD. Like did you know, Mr. Trillion Aires
isn't even on the hook for covering the initial mortgaged
loans of mortgaged loans? Or that, the Royal Bank of Canada
popularly paid out .02% interest on Canadian savings accounts
just for spite? 'Knowing' you don't even have the strength of
conviction to raise your phone demanding fairness for our
forsaken Worlds, because, for starters, CBC, CNN, with the BBC
an George Norry ain't going to take our calls for free
communications, for, the neocon zionists committed 911 with
Bush's business partner General Ahmad to rob you all - and die
our sons and daughters are, dying our sons and daughters are.
Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water
injection plant in Iraq a sand-like substance scattered around
the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic
chemical which can [as will] lead to cancer even with limited
exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did
these employees know their company robs from soldiers by
charging themselves a $100.00 for a single bag of laundry?, or
keep slaves to serve the nazi grunt yumyums? Or poison water
supplies?, stealing oil revenues?, over billing America while
Championing unchallenged by CNN Bush whores more needless wars
to profit US further dying as innocent victims on? If the

sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida". Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon

isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

Condoleezza Rice "This barbarous act has no place among civilized peoples and shocks the conscience of all peace loving nations. There is no cause that could ever justify this action." These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google

has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those war criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death

sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney, Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish newsertainment?

I DEMAND OUR VOICE FOR AMERICA

I DEMAND nazi America respond to my Public calls on the fact there is no defense for the criminal war act of attacking Iraq. It is only through censorship, that bushite enemy of Life confuse the viewer. A so named "American" believes falsely as an idiot, Johnny Wizard's position must be challengeable with words, but it is not. Murdering People in Iraq does nothing to serve Justice, but is a criminal act against God and Man. We, The Free World forces had 100 percent access to go wherever we wished, without dropping a bomb, or shooting a child prior to the indiscriminate carnage that started the Iraqi war crimes. To murder in Iraq, in violation of America's War Crimes Law, UN Charter, and the Bible, LOWERS ANY, ANY, bullshit excuse for why American GIs

cowardly sacrifice their lives today for the neocon zionist liars. It is only to thieve, rape, and murder an innocent other the bushite ENEMY chants "whore yah" over the willful indiscriminate bombings of our communities as the once civilized. Corporate America pirates "Freedom" by smiling in silence over bushite beating to death innocent children for pleasures. TV bushite hate the Blacks as leaving Katrina victims undefended with demands US whites think like they do absent any real care or love for life and God. Why? Because THEY'RE ugly rich. Like the Hedge Funders who still are paying themselves salaries with an obscene take of in around 1.5 billion a year in such "failures" of national management skills. They take from ALL disenfranchised being Talentlessly criminal as truly, the despicably evil. All TV nazi pundits at FOXNEWS and elsewhere will be publicly tried for war crimes. Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Today, in Afghanistan, bushite bomb and torture indiscriminately while oppressing women, Christians, and children, push heroin, and steal everybody's donated cash. Real Christians will bill enemy liar bushite for GOD and man until these undisputed truths are openly discussed with the facts in Our names. Death to the bushite torturers, rapists, and thieves, death to the enemies of a free America liberated from the tyranny of censorship.

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly, bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

God Damn the Corporate News American

I DEMAND a public debate with Americans on the FACT that George Walker Bush is a war criminal. Example to Humanity: the Iraq conflict has no cause. Period. Despite demon Bush repeatedly LYING that Saddam wouldn't let the inspectors in.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Saddam wasn't found in violation of 1441. VERDICT: No reason to murder more than a Million Innocent People indiscriminately to thieve from for the zionist neocons liars responsible for 911. Soldiers who war GOD for Mr. Bush are enemies of American Liberty, and deserve to die before the innocent they target as 'no cause' war criminals.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death

on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions
are stupid. lets just kill whomever-shoot-us-uppers', a
computer game of life maybe worth the buy, if for only the
reality concept..

New York City is over run by thieving bushite nazi savages,
so you, as one of the few proud and brave of a, left to die
leaderless, Corporated into lawlessness, America, give the
bushite nazis, the real welcome they deserve with fire works.
(As freedom killing terrorist liars, the blind to reason bushite
always are. [unless seeking forgiveness for such cowardice])
Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have
video of iron flowing like water from the towers. And...
murder is illegal.. So, DIE BUSHITE DIE by trial and jury we
WILL stand for God and Country to defeat evil Nazi tyranny,
guaranteed. It's written in the stars. Your paying for some
crime. What are YOU good for? The Man says, Evidence is
Everything. ..and a person accused of a criminal offense
without any public evidence to surmise, is still innocent to
anyone. Justice Will Rule when we know what true freedom is
gained, by enforcing anti-torture in all cases, then actively
hunting down, as Reagan's War Law States, the bushite
personally responsible for crimes against Humanity in our
stolen Names. We have the demon repuglicons who are voting on
the support of torture as something other than TREASONOUS that
excuses a murder of an innocent other, as godlessly sadistic.
[For even the True Satanist, or True Atheist, would bill these
grunting bushite torturers without even sweating about what's
right or wrong. thinking.] Those censors like Rush Limbaugh or
Shaun Hannity that refuse our wiser minds, do so because
Freedom defeats them in seconds - to be the disturbing
groveller to self destruction that they confess to be, hiding
from nobody. However: In Johnny's America, they's not down
burning in the fiery pits of hell symbolically to teach US all
a valuable lesson, Theys got millions from us for "our"
continual wanting of yet more mass murders as worst than any
fictions since dreamt, and I, the Wisest Godman on Earth,
instead of having Coast to Coast public interest, have mostly
zionist crazed insults from extreme sexual dysfunctionals,
offering to whore to a hundred and 50 something countries -
just to fuk you up as lost again to the cause of Liberty.
SEE? My critics can't criticize me on my facts, because we
are truly dying here forsaking ourselves, truly dying as victims,
because of the corporate media refusing to HONESTLY take our

continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you?? Believe I mean.. In Justice winning a Freedom for all included? Leaving US to silent media condemnation, is to leave yourself a place as History. When a bushite dies, I celebrate the saving of innocent lives.

All irrational bushite dumfuk are godless enemies of Humanity, and worthy the death sentence to defend our dying innocent families they target as theives to murder for the zionist

neocon liars. Who actually committed 911.

So,

Send this post to your favorite talk host, newspaper, or
bar message board if sparing me a few dollars from Japan
seems rather obscure. All for the sake of knowing a brother's
down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to
death. If you appreciate my words in defense of the once
great Human race, donate a few dollars to this cause. Justice
and Freedom for all, especially God as Just, and worthy our
praise for Peace. Donate me leastly five dollars for Canadian
2% milk, and yummy multi-grain bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today,
the standing Reagan Law, demands that these bushite enemies of
God serve a minimum of 25 years, for knowingly supporting the
war crimes actions of torturing innocent Peoples to Death.
As President, with the Armed Forces in tow, we will arrest,
try, and convict all these demon enemies of freedom for
Americans.

Look, we have to realize: everyone knows a bushite cop killer
thief is a cowardly enemy of America, who wars God and Humanity
as OUR ENEMIES for the criminal escape of the neocon Zionists
responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and murders for the demon antichrist thieves. Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars of 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as True Liberty.

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing outstanding criminal investigations on who personally was responsible: Bush and Cheney, Zionists. Not Jews. Zionists believe Israel should not be defended from war criminals who bomb Jewish communities indiscriminately to murder children with millions of landmines. Condi, zionist witch, ordered the dropping of near seven million land mines on Lebanon, with the first strike targets to be JEWS pin pointed by the anti-Israeli racist nazis. Jews, who are so, no matter where we eek out a significance. CBC, CNN, and FOXNEWS with George Norry refuse to take my challenge for public accountability as Zionist enemies to Life. Nazi Israelis steal innocent peoples homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask Lou Dobbs why he hasn't reported that General Ahmad funded Ahmad? I know why.. Because Alex Jones once again, with Dobbs, whored for the demon antichrist's escape for the treasonous acts of 911 committed in his name.. Justice as Freedom?, or more go nowhere NWO shadow government bullshit to escape the ungodly zionist neocons personally responsible for the crimes of 911. I demand a Presidential debate with America where We can't hang up on US, while claiming to ourselves as the audience, that the truth tellers hung up myself, honest John. Alex Jones suggested yesterday that ALL those who criticize himself on anything, without naming names, are just jealous. Again, Mr. Look! it's a Prison Planet is not qualified to lead a Peoples towards freedom through Justice wanting. (Qualified to lead the news however, granted, one of the best, IF NOT THEE. (Except for Zionism, Health Care, Immigration, feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all the criminal transgressions against God in America and abroad, since the demon stole the initial election back in 2000. Alex's contention that Mr. Bush and Cheney isn't worth attacking personally with our Laws on treason for defense, (all because theys not responsible for nuting, as his NWO "Puppets",) IS Tyranny of the worst order. Ask anyone, including Alex if he could get his chumped "ego" out of the way. Truly, "Socialized medicine" can also mean paying half as much, with double the coverage. Middle men are our answer givers when it comes to Americans questioning the system of injustices inflicted. Did you know: Private Insurance Companies can clear 70 percent of money invested? NOW... wHy wOuLd wE Do tHaT? If we had the free choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just ordered all State troopers to not stop Bush on arrestion for High Treasons. Newsworthy in corporate America? YOU decide, or don't. Mexican troops, funded by American tax payers, are selling dope in America for Bush and Co. openly now.. Who are you going to call?

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it, and what we're trying to do is rip out any roots before they can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If he refuses, I will order the military to arrest him on sight for lowly treason. We know already, that every bomb that goes off to murder indiscriminately, that isn't credited by bushite THIEVING enemies, is blamed on bin Laden, without the least of any investigation, according to Petraeus' own staff, as so reported on PBS. He, Petraeus is an enemy of AMerican GIs, by refusing to order them all to hunt to kill the neocon terrorists responsible for 911. TREASON is anyone's book. Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman
http://rawstory.com/news/2007/Bogus_Iran_story_was_product_of_0116.html

/ / Starr added that one American boat had been given the order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman, as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that his ships had been close to firing on the Iranians. So did destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

-

Bushite "Hero" makes eight year old run five miles to save the life of his loving mother, to only after the run, be laughed at with a refusal to grant the emergency water the soldier dumps elsewhere. [Remember: demonic bushite enemies of GOD blew up the water treatment plants to "help" Iraqis.]

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day. Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't

abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. Accountability is what ALL PEOPLE WANT. The term "Socialized medicine" is a CON to CHEAT YOU better health care through science ruled by wiser men greater than Alex as mathematically provable. Justice is Freedom, Not Alex Jones liberty where America is destroyed just as Alex says it will be, and there is nothing YOU can do to save yourself. George Norry has ruled that Alex Jones will always be forbidden to speak of General Ahmad on HIS broadcast, and ALEX AGREED TO SUCH TERMS. Don't even bother to pick up your phone to call someone who cares for "Freedom" in "America" - unless you're going to blame Arabs, Aliens, the Illuminati, or big foot.

Phone Coast to Coast and ask the demons how it figures the NWO plays more a significant role on 911, than "The Puppet" false accuser, Mr. George Walker Bush, enemy of GOD and Man?

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis savages, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

It, as a zionist KNOWS, is an enemy to freedom and God in Britain by supporting indiscriminate warfare, such as torture by suggesting we have no power to demand evidence to form OUR conclusions on who is good or evil.

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm

sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911. The George Norry is an enemy to God and Humanity by conning Americans into not allowing open line communications on any relevant human interest story involving the criminal sacrifice of Justice for America. No, instead, more bullshit on AREA51. AREA 51 where toxic waste is illegally burned for cash profit at the loss of REAL American lives paid for in CENSORED collateral. You die as An American for the treasonous con of Coast to Coast hosts who forbid open dialog on the reasons for why YOUR nation wars innocent others to thieve from. Remember, the REAL DEMON George Norry gives an endless stream of bushite dumfuk who endlessly praise George for supporting

the neocon murders of more than a million INNOCENT PEOPLE by forbidding truth to be sought concerning our circumstances. And YOU, yes YOU, are meant to feel alone in your concerns on the fact that the neocons are trying to escape their rightful arrest for the crimes of mass murder. Al-Qaida = General Mahmoud Ahmad. George Norry is a DEMON traitor who's con is on just playing happy as a polite demonic sadist, who silents on for the murder of soldiers - who are as dumb as we come. George Norry deserves to be TRUTHFULLY exposed for what he denies as America's privilege, freedom and justice for all.

Just like an ungodly bushite does, when it murders for blind obedience to the unelected zionist neocons who truly committed 911.

The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives. Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die. Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. Evidence is Everything. GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that's the only way to blindly defeat terrorists.. (evil = good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence. Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives. Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade. He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that? See something here my friends behind these great words of wonder? Demand open communications regarding our demands for the arrest of those

Hmmm.. if this crazy thought police bill becomes law, HR.1959 then wouldn't FOXNEWS be first up for prosecution in regards to their baseless al-Qaida/pro-terror propaganda? As TRUE anti-Americanism to the core of what it is to be treasonous liars in front of everyone?

Why We Fight

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now." (seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of

INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida = General Mahmoud Ahmad. Bush, "The Puppet", needs to be tried PUBLICLY for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News
http://abcnews.go.com/US/story?id=92662

/ / In the early 1960s, America's top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in U.S. cities to create public support for a war against Cuba. \ \ And Proud Vietnam Vets are TRUE fascist cowards, who'd kill our Families for stolen riches given to billionaire war mongers who, to this day, bask in our stolen lives living in Mansions, while homeless vets eat their own shit and die, worthless to the struggles against tyranny for God. Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

I want to participate in the President's Debate for Freedom's cause - Liberty and Justice for All. Paper ballots, paper ballots, arrests, arrests. Otherwise, we shall be politically entertained by McMcCain! Help us! help us! No funny.. 100 years of dying Humanity as murder victims sound laughable? You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say

we can't find'em no matter how hard we look.[*ILLUM I NATII*].

Let's demand CNN, BBC and CBC respect our interests by

acts of 911. Their position of neutrality is unwarranted in

the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for

their provable DEMONIC LIES. Death to the bushite enemies of

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our

suffering natures.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to

enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die

CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a
justification.

3. Also, that mercury tainted vaccines are deadly stupid.

Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children,

-

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

CNN "We've learned so much this week."

Support my demands for US to arrest CNN, CBC, CTV, and the BBC news producers, for consciously forbidding American families from knowing, scientifically, mercury causes brain damage to YOUR child, ONE HUNDRED PERCENT of the time. The criminal charge is "endangering children". Please, do not except CNN's zionist enemy LIARS of Christ who would send your teen to DIE in a causeless war for stolen profit - (who routinely refuse OUR concerns,) do not know this while disallowing Americans to survive their continual criminal assaults against our being without apology. Time to pull up on the talk transmitter, to make demand as America, to take these calls for liberty from tyranny, against those corporate nazi news buyer liars. I want to guest host on the Coast to Coast radio network to take open line calls to bring about Justice for Our forsaken Worlds. Make it happen for yourselves as worthy our praise.

Overcoming Zionism
- a special feature interview with Joel Kovel by Revolution

/ / when you gain such a [zionist enemy] state through violence and illegal means, you then have to make it seem legitimate. And the best way of doing that is to claim that you are conquering an inferior people who weren't entitled to full human rights, or who are barbarians, who are not civilized, or who are terrorists by nature. In any event, it involves imposing a kind of degraded human nature to the people you are displacing and conquering, and that's the essence of racism. Racism plays out in the entire history of the state of Israel, which entails a continuous project of ethic cleansing and the racist reaction to that, which seeps throughout Israeli society as a whole.

Revolution: What about critics who say that criticism of the state of Israel is anti-Jewish or anti-Semitic?

Kovel: There is no a priori reason for equating the two. \ \

This is ourselves becoming self aware of our circumstances.

Everyone Human hates the bushite who murders our families indiscriminately while chanting 'whore yea whore yea' all for zionist Bush, the capital false accuser, the real ungodly antichrist enemy of all Human Life.

The Son of Man,

Let honorable Soldiers know, who are the enemies that get them
KILLED for demon lies. CBC, the BBC and CNN is the terrorist
enemy by forbidding US, The People, from seeing the meaning of
iron flowing like water from the towers, prior to the imminent
collapse for the neocon traitors. As planned - boogahboogah.
Just because they hang on the fact they are here to mislead
ourselves for needless wars to die YOU for, doesn't make the
criminal intent they publicly express unchallenged against
Humanity, any less horrific in it's dupliciting of war crimes
by smiling ~ 'unknowingly'. To go silent, is to except freedom
to live denied.

Real Jews don't murder innocent people to steal their rights to
Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith.
They lie to cheat at murder for money. Money paid for by

American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

George Norry, demon enemy of Freedom for America, must be demanded to allow open discussions on the fact that the war crimes committed against Iraqis, are crimes against US all. Crimes committed by the neocon traitor liars, who are 'escaping' responsibility for 911 also, as the true enemies of all Life and God to believe as Justice. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU?

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \ \

Understand this: JPMorgan received 13 TRILLION in derivatives by excepting the American tax payer gift of three hundred million, to take a billion dollar public building off our hands as 'the losers'. Then this: of all the billions in free tax monies given to the EXTREMELY wealthy [some are actual trillionaires] of the FIVE private banking industrialists, done to "bail out" America of this mortgage meltdown, none of that TAX money goes to the scammed home owners, who's costs have directly increased due to the transgressions of hedgers who privately take the real money for themselves escaping into the Cayman Islands, and leave US, the bogus credits to default on by disappearing public pensions, stock, ect... Example: where is the 13 TRILLION that JPMorgan inherited at the cost of more than 200 million American taxer played? How could a multi-millionaire stock holder of Bear Stearns lose all their money, if the company is still holding 77 trillion for Public leveraging? What kind of bankruptcy of Enron book keeping is that where our loot is unfounded? "lost" to market forces? But JPMorgan inherits 13 trillion? Try FRAUD. Like did you know, Mr. Trillion Aires isn't even on the hook for covering the initial mortgaged loans of mortgaged loans? Or that, the Royal Bank of Canada popularly paid out .02% interest on Canadian savings accounts just for spite? 'Knowing' you don't even have the strength of conviction to raise your phone demanding fairness for our forsaken Worlds, because, for starters, CBC, CNN, with the BBC an George Norry ain't going to take our calls for free

communications, for, the neocon zionists committed 911 with Bush's business partner General Ahmad to rob you all - and die our sons and daughters are, dying our sons and daughters are. Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water injection plant in Iraq a sand-like substance scattered around the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic chemical which can [as will] lead to cancer even with limited exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did these employees know their company robs from soldiers by charging themselves a $100.00 for a single bag of laundry?, or keep slaves to serve the nazi grunt dumdums? Or poison water supplies?, stealing oil revenues?, over billing America while Championing unchallenged by CNN Bush whores more needless wars to profit US further dying as innocent victims on? If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida". Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those war criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as

they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney, Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing

open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish 'non-stop' newsertainment?

I DEMAND OUR VOICE FOR AMERICA

I DEMAND nazi America respond to my Public calls on the fact there is no defense for the criminal war act of attacking Iraq. It is only through censorship, that bushite enemy of Life confuse the viewer. A so named "American" believes falsely as an idiot, Johnny Wizard's position must be challengeable with words, but it is not. Murdering People in Iraq does nothing to serve Justice, but is a criminal act against God and Man. We, The Free World forces had 100 percent access to go wherever we wished, without dropping a bomb, or shooting a child prior to the indiscriminate carnage that started the Iraqi war crimes. To murder in Iraq, in violation of America's War Crimes Law, UN Charter, and the Bible, LOWERS ANY, ANY, bullshit excuse for why American GIs cowardly sacrifice their lives today for the neocon zionist liars. It is only to thieve, rape, and murder an innocent other the bushite ENEMY chants "whore yah" over the willful indiscriminate bombings of our communities as the once civilized. Corporate America pirates "Freedom" by smiling in silence over bushite beating to death innocent children for pleasures. TV bushite hate the Blacks as leaving Katrina victims undefended with demands US whites think like they do absent any real care or love for life and God. Why? Because THEY'RE ugly rich. Like the Hedge Funders who still are paying themselves salaries with an obscene take of in around 1.5 billion a year in such "failures" of national management skills. They take from ALL disenfranchised being Talentlessly criminal as truly, the despicably evil. All TV nazi pundits at FOXNEWS and elsewhere will be publicly tried for war crimes. Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Today, in Afghanistan, bushite bomb and torture indiscriminately while oppressing women, Christians, and children, push heroin, and steal everybody's donated cash. Real Christians will bill enemy liar bushite for GOD and man until these undisputed truths are openly discussed with the facts in Our names. Death to the bushite torturers, rapists, and thieves, death to the enemies of a free America liberated from the tyranny of censorship.

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly,

bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

God Damn the Corporate News American

I DEMAND a public debate with Americans on the FACT that George Walker Bush is a war criminal. Example to Humanity: the Iraq conflict has no cause. Period. Despite demon Bush repeatedly LYING that Saddam wouldn't let the inspectors in.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Saddam wasn't found in violation of 1441. VERDICT: No reason to murder more than a Million Innocent People indiscriminately to thieve from for the zionist neocons liars responsible for 911. Soldiers who war GOD for Mr. Bush are enemies of American Liberty, and deserve to die before the innocent they target as 'no cause' war criminals.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers

be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions are stupid. lets just kill whomever-shoot-us-uppers', a computer game of life maybe worth the buy, if for only the reality concept..

New York City is over run by thieving bushite nazi savages, so you, as one of the few proud and brave of a, left to die leaderless, Corporated into lawlessness, America, give the bushite nazis, the real welcome they deserve with fire works. (As freedom killing terrorist liars, the blind to reason bushite always are. [unless seeking forgiveness for such cowardice]) Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal.. So, DIE BUSHITE DIE by trial and jury we WILL stand for God and Country to defeat evil Nazi tyranny, guaranteed. It's written in the stars. Your paying for some crime. What are YOU good for? The Man says, Evidence is Everything. ..and a person accused of a criminal offense without any public evidence to surmise, is still innocent to anyone. Justice Will Rule when we know what true freedom is gained, by enforcing anti-torture in all cases, then actively hunting down, as Reagan's War Law States, the bushite personally responsible for crimes against Humanity in our stolen Names. We have the demon repuglicons who are voting on the support of torture as something other than TREASONOUS that excuses a murder of an innocent other, as godlessly sadistic.

[For even the True Satanist, or True Atheist, would bill these grunting bushite torturers without even sweating about what's right or wrong. thinking.] Those censors like Rush Limbaugh or Shaun Hannity that refuse our wiser minds, do so because Freedom defeats them in seconds - to be the disturbing groveller to self destruction that they confess to be, hiding from nobody. However: In Johnny's America, they's not down burning in the fiery pits of hell symbolically to teach US all a valuable lesson, Theys got millions from us for "our" continual wanting of yet more mass murders as worst than any fictions since dreamt, and I, the Wisest Godman on Earth, instead of having Coast to Coast public interest, have mostly zionist crazed insults from extreme sexual dysfunctionals, offering to whore to a hundred and 50 something countries - just to fuk you up as lost again to the cause of Liberty. SEE? My critics can't criticize me on my facts, because we are truly dying here forsaking ourselves, truly dying as victims, because of the corporate media refusing to HONESTLY take our continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY

disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you?? Believe I mean.. In Justice winning a Freedom for all included? Leaving US to silent media condemnation, is to leave yourself a place as History. When a bushite dies, I celebrate the saving of innocent lives.

All irrational bushite dumfuk are godless enemies of Humanity, and worthy the death sentence to defend our dying innocent families they target as theives to murder for the zionist neocon liars. Who actually committed 911.

So,

Send this post to your favorite talk host, newspaper, or bar message board if sparing me a few dollars from Japan seems rather obscure. All for the sake of knowing a brother's down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. Justice and Freedom for all, especially God as Just, and worthy our praise for Peace. Donate me leastly five dollars for Canadian 2% milk, and yummy multi-grain bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today, the standing Reagan Law, demands that these bushite enemies of God serve a minimum of 25 years, for knowingly supporting the war crimes actions of torturing innocent Peoples to Death. As President, with the Armed Forces in tow, we will arrest, try, and convict all these demon enemies of freedom for Americans.

Look, we have to realize: everyone knows a bushite cop killer thief is a cowardly enemy of America, who wars God and Humanity as OUR ENEMIES for the criminal escape of the neocon Zionists responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and murders for the demon antichrist thieves. Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars of 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as True Liberty we shall proclaim. I wrote that.

1. The ISI's General, Mahmoud Ahmad funded 911's Atta

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing outstanding criminal investigations on who personally was responsible: Bush and Cheney, Zionists. Not Jews. Zionists believe Israel should not be defended from war criminals who bomb Jewish communities indiscriminately to murder children with millions of landmines. Condi, zionist witch, ordered the dropping of near seven million land mines on Lebanon, with the first strike targets to be JEWS pin pointed by the anti-Israeli racist nazis. Jews, who are so, no matter where

we eek out a significance. CBC, CNN, and FOXNEWS with George Norry refuse to take my challenge for public accountability as Zionist enemies to Life. Nazi Israelis steal innocent peoples homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask
Lou Dobbs why he hasn't reported that General Ahmad funded
Ahmad? I know why.. Because Alex Jones once again, with
Dobbs, whored for the demon antichrist's escape for the
treasonous acts of 911 committed in his name.. Justice as
Freedom?, or more go nowhere NWO shadow government bullshit to
escape the ungodly zionist neocons personally responsible for
the crimes of 911. I demand a Presidential debate with America
where We can't hang up on US, while claiming to ourselves as the
audience, that the truth tellers hung up myself, honest John.
Alex Jones suggested yesterday that ALL those who criticize
himself on anything, without naming names, are just jealous.
Again, Mr. Look! it's a Prison Planet is not qualified to
lead a Peoples towards freedom through Justice wanting.
(Qualified to lead the news however, granted, one of the best,
IF NOT THEE. (Except for Zionism, Health Care, Immigration,
feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all
the criminal transgressions against God in America and abroad,
since the demon stole the initial election back in 2000.
Alex's contention that Mr. Bush and Cheney isn't worth
attacking personally with our Laws on treason for defense,
(all because theys not responsible for nuting, as his NWO
"Puppets",) IS Tyranny of the worst order. Ask anyone,
including Alex if he could get his chumped "ego" out of
the way. Truly, "Socialized medicine" can also mean paying
half as much, with double the coverage. Middle men are our
answer givers when it comes to Americans questioning the
system of injustices inflicted. Did you know: Private

Insurance Companies can clear 70 percent of money
invested? NOW... wHy wOuLd wE Do tHaT? If we had the free
choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just
ordered all State troopers to not stop Bush on arrestion for High
Treasons there as a broad. Newsworthy in corporate America?
YOU decide, or don't. Mexican troops, funded by American tax
payers, are selling dope in America for Bush and Co. openly
now.. Who are you going to call?

Who IS running this bushite nazi liar show, where they, our
elite corporate media masters, kill our stupid kids with their
flagrant naked monster lies, while refusing all calls for
clarity, Johnny America really wants to know. Like
immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it,
and what we're trying to do is rip out any roots before they
can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If
he refuses, I will order the military to arrest him on sight
for lowly treason. We know already, that every bomb that goes
off to murder indiscriminately, that isn't credited by bushite
THIEVING enemies, is blamed on bin Laden, without the least of
any investigation, according to Petraeus' own staff, as so
reported on PBS. He, Petraeus is an enemy of AMerican GIs, by
refusing to order them all to hunt to kill the neocon
terrorists responsible for 911. TREASON is anyone's book.
Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman
http://rawstory.com/news/2007/Bogus_Iran_story_was_product_of_0116.html

/ / Starr added that one American boat had been given the
order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman,
as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that
his ships had been close to firing on the Iranians. So did
destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America
into a another needless conflict, where we die for their
growing riches as war mongering privateers of this, our
'popular will' contesting as defeated already.. Johnny
America for Presidential Election Questions! Or, go back to

dying needlessly then as dunfukked "Bushite", you losered.

Bushite "Hero" makes eight year old run five miles to save the life of his loving mother, to only after the run, be laughed at with a refusal to grant the emergency water the soldier dumps elsewhere. [Remember: demonic bushite enemies of GOD blew up the water treatment plants to "help" Iraqis.]

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to

practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day. Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. So says the Man of men as Son to God always.

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis savages, is to war the TRUE enemies of Humanity to save the lives of our precious

Did you know: American tax payers openly pay the salaries of death squad goons who murder defenseless innocent families in Iraq TODAY as The Enemy?

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George

Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911. The George Norry is an enemy to God and Humanity by conning Americans into not allowing open line communications on any relevant human interest story involving the criminal sacrifice of Justice for America. No, instead, more bullshit on AREA51. AREA 51 where toxic waste is illegally burned for cash profit at the loss of REAL American lives paid for in CENSORED collateral. You die as An American for the treasonous con of Coast to Coast hosts who forbid open dialog on the reasons for why YOUR nation wars innocent others to thieve from.
Remember, the REAL DEMON George Norry gives an endless stream of bushite dumfuk who endlessly praise George for supporting the neocon murders of more than a million INNOCENT PEOPLE by forbidding truth to be sought concerning our circumstances.
And YOU, yes YOU, are meant to feel alone in your concerns on the fact that the neocons are trying to escape their rightful arrest for the crimes of mass murder. Al-Qaida = General Mahmoud Ahmad. George Norry is a DEMON traitor who's con is on just playing happy as a polite demonic sadist, who silents on for the murder of soldiers - who are as dumb as we come.
George Norry deserves to be TRUTHFULLY exposed for what he denies as America's privilege, freedom and justice for all.

EVEN IF! the Mahdi "Army" ordered the rightful execution of every bushite THIEF on Earth, to defend our innocent lives from these self proclaimed rapists, torturers, and MURDERERS. To kill a 'lawless' bushite robbing to death Iraqis, Americans, and the Chinese along with everyone else, is to defend God and dying Man from the demon evil enemy terrorists who "believe" the zionist neocons TRULY WITHOUT DOUBT responsible for 911, are good guys with lots of our stolen monies to give away freely. Death to the bushite, death to the enemies of Humanity in America.

/ / You are right, employees of Blackwater are sub-human and should be hung from bridges and burned. Oh wait, that already happened. \ \

Again, aim true. Thankx.

the unelected zionist neocons who truly committed 911.

The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives. Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die. Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. Evidence is Everything. Everyday, bushite nazi grunts indiscriminately murder our loved family members for lawless mercenary forces to further rape America, and TV news crews couldn't care less for our forsaken lives if they tried. Fight back for life, fight back for God. We want Bush and Cheney arrested immediately without bail for closing criminal investigations on 911 immediately after the terrorist event of no questions occurring. Be a man.

GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that

the demon antichrist Bush lies continuously to dying soldiers
because that's the only way to blindly defeat terrorists..
(evil = good) George speaks nothing but happy silences in
trusting warmly with dying US all for ignorance as belligerent
criminal negligence. Again, the demon enemy of God refuses US
to open communications on any relevant subject involving the
sacrifice of American lives. Staying happy, he figures that's
all it will ever take to defeat Americans lost in doubt on his
contempt for all Peoples lives, is to simply forbid knowledge
from escaping his charade. He told US previously, he'd go
ballistic against any soldier who refused a criminal order.
So, when marines are asked, as reported, if they'd murder
their own parents without reason for the glory of the Corps.,
would George Norry shoot "them" as traitors for asking simply
now why would WE do that? See something here my friends
behind these great words of wonder? Demand open
communications regarding our demands for the arrest of those
truly responsible for the crimes of mass murder in America on
911 back in New York city.

"He claims to be a follower of the Torah of Moses, but as far as I know the Torah prohibits oppression and prohibits injustice and prohibits stealing people's land and property."

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied falling to die?

Again, realize: George Norry, the indisputable pro-child killer, forbids Americans to understand: General Ahmad funded Atta. And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying

capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons? I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on... Remember: Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Or, one worth mentioning...

What did the demon do? Didn't warn anyone, and went on vacation, but really, according to official documents dated of those days, worked top secretly on his invasion of Afghanistan plan with Rice, and Rumsfeld for Enron. Pension thieves Enron. Does George Norry, the pro-child killing censor of cries for Justice care? You really think so? Ian Punnet, the sick nazi phuk who states he's seen the loose change videos, but still believes the towers fell as a natural consequence of two planes missing WTC7 entirely.. you think he cares to see American teen soldiers sent to their deaths irrationally for the bounties of wealthy evil neocon zionist liars? What does Art Bell care of INNOCENT Christians murdered by nazi israel for stolen loots paid for by the MADE uniformed tax paying American huckstered audience? Coast to Coast "Hosts" will go happying, instead of US, the innocent forsaken they leave forbidden open communications. Americans are understood by the entire human species, to be painfully ignorant as Chauvinistic know nothings, who rape and murder from our Humanity to benefit themselves dying from censorship, and look at where it's gotten everyone.. Bombing Our very own innocent families who dream of a better life for all though freedom, that only comes by the ways of Justice understood as measured. I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. And worth MY protection. NewsCorped America is not qualified to lead any group committed to understanding why we

have laws to serve ALL people equitably for freedom.
Certainly, we all could easily learn this though, through
lively trial and error by public debate, if we had an open
mike policy on a national level to talk directly with these
trying times at the best of our capabilities of listening. I
demand my calls for open debate against all neocon zionist
enemies world wide be taken up seriously for the betterment of

"The killing of innocent civilians is policy," veteran Mike
Blake said. "It's unit policy and it's Army policy. It's not
official policy, but it's what's happens on the ground
everyday. It's what unit commanders individually encourage."

Not true. We have plenty of examples of official policy such
as no cause whatsoever for the war period, and FOXNEWS. Then
of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten"
Russell. Or Sattler's, that ordered the indiscriminate murder
of more than two hundred thousand INNOCENT people of Fallujah.
As just one example of many. Billing bushite is saving
Humanity from the actual, for real, antichrist forces of
demonic evil mentioned in every Bible. Bill a bushite enemy
of America, for a bushite is minimally a thief, a thief that
wars the innocent of Humanity to help 'escape' the zionist
neocons for the crimes of 911. Al-Qaida = General Mahmoud
Ahmad. And there is a mountain of molted iron under where the
towers fell. Die bushite die.

Well, a criminal willed the murder of another, and now it
thinks it can't be arrested because it says for US to do so,
would be anti-Jew. And no, I'm sure Johnny would word it in
today's climate, arresting a murderer for murder. See? A
true "Jewish State" would be one where all people were treated
fairly, as the actions of a peoples who believed in God as
holy an' righteous. Not thieving terrorists killing people to

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now." (seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to

defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida = General Mahmoud Ahmad. Bush, "The Puppet", needs to be tried PUBLICLY for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every

time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in

totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating

bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Seriously, the propagandists responsible, need to REALLY, be put to death after found out through US public court proceeding. NO ONE would disagree that Iraq is a war crime, where more than a MILLION INNOCENT PEOPLE have been raped, tortured, or murdered by dumfuk bushite grunts. If YOU actually think about it, all of everyone would gladly kill an unholy bushite terrorist, before allowing it to murder families running for our lives as loving Church goers.

REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. [...] join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W.

Bush making real decisions in faith, expecting us to believe
as corporately broadcasted unabashedly unbiased, that he
is not a deliberate incompetent monster war criminal
of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a

3. Also, that mercury tainted vaccines are deadly stupid.

Mercury is scientifically understood, without question, (no

You must wake up to life's demand for you to defend our dying

our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

Overcoming Zionism
- a special feature interview with Joel Kovel by Revolution

/ / when you gain such a [zionist enemy] state through violence and illegal means, you then have to make it seem legitimate. And the best way of doing that is to claim that you are conquering an inferior people who weren't entitled to full human rights, or who are barbarians, who are not civilized, or who are terrorists by nature. In any event, it involves imposing a kind of degraded human nature to the people you are displacing and conquering, and that's the essence of racism. Racism plays out in the entire history of the state of Israel, which entails a continuous project of ethic cleansing and the racist reaction to that, which seeps throughout Israeli society as a whole.

Revolution: What about critics who say that criticism of the state of Israel is anti-Jewish or anti-Semitic?

Kovel: There is no a priori reason for equating the two. \ \

This is ourselves becoming self aware of our circumstances.

Everyone Human hates the bushite who murders our families indiscriminately while chanting 'whore yea whore yea' all for zionist Bush, the capital false accuser, the real ungodly antichrist enemy of all Human Life.

Let honorable Soldiers know, who are the enemies that get them
KILLED for demon lies. CBC, the BBC and CNN is the terrorist
enemy by forbidding US, The People, from seeing the meaning of
iron flowing like water from the towers, prior to the imminent
collapse for the neocon traitors. As planned - boogahboogah.
Just because they hang on the fact they are here to mislead
ourselves for needless wars to die YOU for, doesn't make the
criminal intent they publicly express unchallenged against
Humanity, any less horrific in it's dupliciting of war crimes
by smiling ~ 'unknowingly'. To go silent, is to except freedom
to live denied.

Real Jews don't murder innocent people to steal their rights to
Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

George Norry, demon enemy of Freedom for America, must be demanded to allow open discussions on the fact that the war crimes committed against Iraqis, are crimes against US all. Crimes committed by the neocon traitor liars, who are 'escaping' responsibility for 911 also, as the true enemies of all Life and God to believe as Justice. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU?

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \ \

Understand this: JPMorgan received 13 TRILLION in derivatives by excepting the American tax payer gift of three hundred million, to take a billion dollar public building off our hands as 'the losers'. Then this: of all the billions in free tax monies given to the EXTREMELY wealthy [some are actual trillionaires] of the FIVE private banking industrialists, done to "bail out" America of this mortgage meltdown, none of that TAX money goes to the scammed home owners, who's costs have directly increased due to the transgressions of hedgers who privately take the real money for themselves escaping into the Cayman Islands, and leave US, the bogus credits to default on by disappearing public pensions, stock, ect... Example: where is the 13 TRILLION that JPMorgan inherited at the cost of more than 200 million American taxer played? How could a multi-millionaire stock holder of Bear Stearns lose all their money, if the company is still holding 77 trillion for Public leveraging? What kind of bankruptcy of Enron book keeping is that where our loot is unfounded? "lost" to market forces? But JPMorgan inherits 13 trillion? Try FRAUD. Like did you know, Mr. Trillion Aires isn't even on the hook for covering the initial mortgaged loans of mortgaged loans? Or that, the Royal Bank of Canada popularly paid out .02% interest on Canadian savings accounts just for spite? 'Knowing' you don't even have the strength of conviction to raise your phone demanding fairness for our forsaken Worlds, because, for starters, CBC, CNN, with the BBC

an George Norry ain't going to take our calls for free communications, for, the neocon zionists committed 911 with Bush's business partner General Ahmad to rob you all - and die our sons and daughters are, dying our sons and daughters are. Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water injection plant in Iraq a sand-like substance scattered around the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic chemical which can [as will] lead to cancer even with limited exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did these employees know their company robs from soldiers by charging themselves a $100.00 for a single bag of laundry?, or keep slaves to serve the nazi grunt dumdums? Or poison water supplies?, stealing oil revenues?, over billing America while Championing unchallenged by CNN Bush whores more needless wars to profit US further dying as innocent victims on? If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida". Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those war criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as

they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney, Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing

open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish 'non-stop' newsertainment?

I DEMAND OUR VOICE FOR AMERICA

I DEMAND nazi America respond to my Public calls on the fact there is no defense for the criminal war act of attacking Iraq. It is only through censorship, that bushite enemy of Life confuse the viewer. A so named "American" believes falsely as an idiot, Johnny Wizard's position must be challengeable with words, but it is not. Murdering People in Iraq does nothing to serve Justice, but is a criminal act against God and Man. We, The Free World forces had 100 percent access to go wherever we wished, without dropping a bomb, or shooting a child prior to the indiscriminate carnage that started the Iraqi war crimes. To murder in Iraq, in violation of America's War Crimes Law, UN Charter, and the Bible, LOWERS ANY, ANY, bullshit excuse for why American GIs cowardly sacrifice their lives today for the neocon zionist liars. It is only to thieve, rape, and murder an innocent other the bushite ENEMY chants "whore yah" over the willful indiscriminate bombings of our communities as the once civilized. Corporate America pirates "Freedom" by smiling in silence over bushite beating to death innocent children for pleasures. TV bushite hate the Blacks as leaving Katrina victims undefended with demands US whites think like they do absent any real care or love for life and God. Why? Because THEY'RE ugly rich. Like the Hedge Funders who still are paying themselves salaries with an obscene take of in around 1.5 billion a year in such "failures" of national management skills. They take from ALL disenfranchised being Talentlessly criminal as truly, the despicably evil. All TV nazi pundits at FOXNEWS and elsewhere will be publicly tried for war crimes. Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Today, in Afghanistan, bushite bomb and torture indiscriminately while oppressing women, Christians, and children, push heroin, and steal everybody's donated cash. Real Christians will bill enemy liar bushite for GOD and man until these undisputed truths are openly discussed with the facts in Our names. Death to the bushite torturers, rapists, and thieves, death to the enemies of a free America liberated from the tyranny of censorship.

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly,

bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

God Damn the Corporate News American

I DEMAND a public debate with Americans on the FACT that George Walker Bush is a war criminal. Example to Humanity: the Iraq conflict has no cause. Period. Despite demon Bush repeatedly LYING that Saddam wouldn't let the inspectors in.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Saddam wasn't found in violation of 1441. VERDICT: No reason to murder more than a Million Innocent People indiscriminately to thieve from for the zionist neocons liars responsible for 911. Soldiers who war GOD for Mr. Bush are enemies of American Liberty, and deserve to die before the innocent they target as 'no cause' war criminals.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers

be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions are stupid. lets just kill whomever-shoot-us-uppers', a computer game of life maybe worth the buy, if for only the reality concept..

New York City is over run by thieving bushite nazi savages, so you, as one of the few proud and brave of a, left to die leaderless, Corporated into lawlessness, America, give the bushite nazis, the real welcome they deserve with fire works. (As freedom killing terrorist liars, the blind to reason bushite always are. [unless seeking forgiveness for such cowardice]) Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal.. So, DIE BUSHITE DIE by trial and jury we WILL stand for God and Country to defeat evil Nazi tyranny, guaranteed. It's written in the stars. Your paying for some crime. What are YOU good for? The Man says, Evidence is Everything. ..and a person accused of a criminal offense without any public evidence to surmise, is still innocent to anyone. Justice Will Rule when we know what true freedom is gained, by enforcing anti-torture in all cases, then actively hunting down, as Reagan's War Law States, the bushite personally responsible for crimes against Humanity in our stolen Names. We have the demon repuglicons who are voting on the support of torture as something other than TREASONOUS that excuses a murder of an innocent other, as godlessly sadistic.

[For even the True Satanist, or True Atheist, would bill these grunting bushite torturers without even sweating about what's right or wrong. thinking.] Those censors like Rush Limbaugh or Shaun Hannity that refuse our wiser minds, do so because Freedom defeats them in seconds - to be the disturbing groveller to self destruction that they confess to be, hiding from nobody. However: In Johnny's America, they's not down burning in the fiery pits of hell symbolically to teach US all a valuable lesson, Theys got millions from us for "our" continual wanting of yet more mass murders as worst than any fictions since dreamt, and I, the Wisest Godman on Earth, instead of having Coast to Coast public interest, have mostly zionist crazed insults from extreme sexual dysfunctionals, offering to whore to a hundred and 50 something countries - just to fuk you up as lost again to the cause of Liberty. SEE? My critics can't criticize me on my facts, because we are truly dying here forsaking ourselves, truly dying as victims, because of the corporate media refusing to HONESTLY take our continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY

disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you?? Believe I mean.. In Justice winning a Freedom for all included? Leaving US to silent media condemnation, is to leave yourself a place as History. When a bushite dies, I celebrate the saving of innocent lives.

All irrational bushite dumfuk are godless enemies of Humanity, and worthy the death sentence to defend our dying innocent families they target as theives to murder for the zionist neocon liars. Who actually committed 911.

So,

Send this post to your favorite talk host, newspaper, or bar message board if sparing me a few dollars from Japan seems rather obscure. All for the sake of knowing a brother's down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. Justice and Freedom for all, especially God as Just, and worthy our praise for Peace. Donate me leastly five dollars for Canadian 2% milk, and yummy multi-grain bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today, the standing Reagan Law, demands that these bushite enemies of God serve a minimum of 25 years, for knowingly supporting the war crimes actions of torturing innocent Peoples to Death. As President, with the Armed Forces in tow, we will arrest, try, and convict all these demon enemies of freedom for Americans.

Look, we have to realize: everyone knows a bushite cop killer thief is a cowardly enemy of America, who wars God and Humanity as OUR ENEMIES for the criminal escape of the neocon Zionists responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and murders for the demon antichrist thieves. Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars of 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as True Liberty we shall proclaim. I wrote that.

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing outstanding criminal investigations on who personally was responsible: Bush and Cheney, Zionists. Not Jews. Zionists believe Israel should not be defended from war criminals who bomb Jewish communities indiscriminately to murder children with millions of landmines. Condi, zionist witch, ordered the dropping of near seven million land mines on Lebanon, with the first strike targets to be JEWS pin pointed by the anti-Israeli racist nazis. Jews, who are so, no matter where

we eek out a significance. CBC, CNN, and FOXNEWS with George Norry refuse to take my challenge for public accountability as Zionist enemies to Life. Nazi Israelis steal innocent peoples homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask
Lou Dobbs why he hasn't reported that General Ahmad funded
Ahmad? I know why.. Because Alex Jones once again, with
Dobbs, whored for the demon antichrist's escape for the
treasonous acts of 911 committed in his name.. Justice as
Freedom?, or more go nowhere NWO shadow government bullshit to
escape the ungodly zionist neocons personally responsible for
the crimes of 911. I demand a Presidential debate with America
where We can't hang up on US, while claiming to ourselves as the
audience, that the truth tellers hung up myself, honest John.
Alex Jones suggested yesterday that ALL those who criticize
himself on anything, without naming names, are just jealous.
Again, Mr. Look! it's a Prison Planet is not qualified to
lead a Peoples towards freedom through Justice wanting.
(Qualified to lead the news however, granted, one of the best,
IF NOT THEE. (Except for Zionism, Health Care, Immigration,
feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all
the criminal transgressions against God in America and abroad,
since the demon stole the initial election back in 2000.
Alex's contention that Mr. Bush and Cheney isn't worth
attacking personally with our Laws on treason for defense,
(all because theys not responsible for nuting, as his NWO
"Puppets",) IS Tyranny of the worst order. Ask anyone,
including Alex if he could get his chumped "ego" out of
the way. Truly, "Socialized medicine" can also mean paying
half as much, with double the coverage. Middle men are our
answer givers when it comes to Americans questioning the
system of injustices inflicted. Did you know: Private

Insurance Companies can clear 70 percent of money
invested? NOW... wHy wOuLd wE Do tHaT? If we had the free
choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just
ordered all State troopers to not stop Bush on arrestion for High
Treasons there as a broad. Newsworthy in corporate America?
YOU decide, or don't. Mexican troops, funded by American tax
payers, are selling dope in America for Bush and Co. openly
now.. Who are you going to call?

Who IS running this bushite nazi liar show, where they, our
elite corporate media masters, kill our stupid kids with their
flagrant naked monster lies, while refusing all calls for
clarity, Johnny America really wants to know. Like
immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it,
and what we're trying to do is rip out any roots before they
can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If
he refuses, I will order the military to arrest him on sight
for lowly treason. We know already, that every bomb that goes
off to murder indiscriminately, that isn't credited by bushite
THIEVING enemies, is blamed on bin Laden, without the least of
any investigation, according to Petraeus' own staff, as so
reported on PBS. He, Petraeus is an enemy of AMerican GIs, by
refusing to order them all to hunt to kill the neocon
terrorists responsible for 911. TREASON is anyone's book.
Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman
http://rawstory.com/news/2007/Bogus_Iran_story_was_product_of_0116.html

order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman,
as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that
his ships had been close to firing on the Iranians. So did
destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America
into a another needless conflict, where we die for their

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to

practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day. Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. So says the Man of men as Son to God always.

Did you know: American tax payers openly pay the salaries of death squad goons who murder defenseless innocent families in Iraq TODAY as The Enemy?

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George

Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911. The George Norry is an enemy to God and Humanity by conning Americans into not allowing open line communications on any relevant human interest story involving the criminal sacrifice of Justice for America. No, instead, more bullshit on AREA51. AREA 51 where toxic waste is illegally burned for cash profit at the loss of REAL American lives paid for in CENSORED collateral. You die as An American for the treasonous con of Coast to Coast hosts who forbid open dialog on the reasons for why YOUR nation wars innocent others to thieve from.
Remember, the REAL DEMON George Norry gives an endless stream of bushite dumfuk who endlessly praise George for supporting the neocon murders of more than a million INNOCENT PEOPLE by forbidding truth to be sought concerning our circumstances.
And YOU, yes YOU, are meant to feel alone in your concerns on the fact that the neocons are trying to escape their rightful arrest for the crimes of mass murder. Al-Qaida = General Mahmoud Ahmad. The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives. Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die. Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. Evidence is Everything. Everyday, bushite nazi grunts indiscriminately murder our loved family members for lawless mercenary forces to further rape America, and TV news crews couldn't care less for our forsaken lives if they tried. GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that

the demon antichrist Bush lies continuously to dying soldiers
because that's the only way to blindly defeat terrorists..
(evil = good) George speaks nothing but happy silences in
trusting warmly with dying US all for ignorance as belligerent
criminal negligence. Again, the demon enemy of God refuses US
to open communications on any relevant subject involving the
sacrifice of American lives. Staying happy, he figures that's
all it will ever take to defeat Americans lost in doubt on his
contempt for all Peoples lives, is to simply forbid knowledge
from escaping his charade. He told US previously, he'd go
ballistic against any soldier who refused a criminal order.
So, when marines are asked, as reported, if they'd murder
their own parents without reason for the glory of the Corps.,
would George Norry shoot "them" as traitors for asking simply
now why would WE do that? See something here my friends
behind these great words of wonder? Demand open

truly responsible for the crimes of mass murder in America on

"He claims to be a follower of the Torah of Moses, but as far as I know the Torah prohibits oppression and prohibits injustice and prohibits stealing people's land and property."

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied falling to die?

Again, realize: George Norry, the indisputable pro-child killer, forbids Americans to understand: General Ahmad funded Atta. And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying

capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons? I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on... Remember: Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Or, one worth mentioning...

Where are the demonic liar bush bitch illiterates to defend our freedoms? Remember: bushite push heroin while bombing

"A million Arabs are not worth one Jewish fingernail"

Zionists ARE enemies of GOD and Liberty. They murder to steal from US, the poor, to feed their hatred for Humanity, and as the true Jew of Jews, the Son to God. Why hate ME? Because I'm honorable?, brave?, and wise? by demanding the arrest of zionist terrorists who thieve from ourselves, such as the neocons for the crimes of 911. ?

War, What's It Good For?

Warning the Demon G. W. Bush was given personally:

/ / "The attack will be spectacular and designed to inflict mass casualties against U.S. facilities or interests. Attack preparations have been made. Attack will occur with little or no warning." \ \

What did the demon do? Didn't warn anyone, and went on vacation, but really, according to official documents dated of those days, worked top secretly on his invasion of Afghanistan plan with Rice, and Rumsfeld for Enron. Pension thieves Enron. Does George Norry, the pro-child killing censor of cries for Justice care? You really think so? Ian Punnet, the sick nazi phuk who states he's seen the loose change videos, but still believes the towers fell as a natural consequence of two planes missing WTC7 entirely.. you think he cares to see American teen soldiers sent to their deaths irrationally for the bounties of wealthy evil neocon zionist liars? What does Art Bell care of INNOCENT Christians murdered by nazi israel for stolen loots paid for by the MADE uniformed tax paying American huckstered audience? Coast to Coast "Hosts" will go happying, instead of US, the innocent forsaken they leave forbidden open communications. Americans are understood by the entire human species, to be painfully ignorant as Chauvinistic know nothings, who rape and murder from our Humanity to benefit themselves dying from censorship, and look at where it's gotten everyone.. Bombing Our very own innocent families who dream of a better life for all though freedom, that only comes by the ways of Justice understood as measured. I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. And worth MY protection. NewsCorped America is not qualified to lead any group committed to understanding why we

have laws to serve ALL people equitably for freedom.
Certainly, we all could easily learn this though, through
lively trial and error by public debate, if we had an open
mike policy on a national level to talk directly with these
trying times at the best of our capabilities of listening. I
demand my calls for open debate against all neocon zionist
enemies world wide be taken up seriously for the betterment of
all peoples lives.

"The killing of innocent civilians is policy," veteran Mike
Blake said. "It's unit policy and it's Army policy. It's not
official policy, but it's what's happens on the ground
everyday. It's what unit commanders individually encourage."

Not true. We have plenty of examples of official policy such
as no cause whatsoever for the war period, and FOXNEWS. Then
of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten"
Russell. Or Sattler's, that ordered the indiscriminate murder
of more than two hundred thousand INNOCENT people of Fallujah.
As just one example of many. Billing bushite is saving

Well, a criminal willed the murder of another, and now it

Bush Threatens To Veto Bill That Bans Torture
http://www.huffingtonpost.com/2007/12/13/bush-threatens-to-veto-bi_n_76770.html

See how these DEMONS play? Torturing innocent people to death for the pleasures of a bushite liar, already warrants the death sentence in America. It's like lawless bushite nazi savages spying on innocent Justice loving Americans, "Just" to see what your doing, IS illegal, now.. well.. YOU decide as the 'made' uniformed. Make a phone call for freedom you lazy amerkan fuks. Ian Punnet says the towers fell naturally, and George Norry reports we got to get bin Laden.. blahblahblah. They know America is dying and couldn't care much less with all the laughing and cheering at YOUR expense.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious.

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=m9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

911 Leaders Saying They Are Jesus

911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every

time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in

totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating

Well, considering that conventional AMPS service was still mandated by
the FCC until Feb., I don't see how they got away with that!

Here in the third world, both systems continued to provide analog
service on a couple of channels, with Ciingular/AT&T going to one
channel per sector per site last year. If that channel was busy and
you couldn't reach the next cellsite, you were sol.
Last year, Cingular/AT&T/whatever even cut back on the number of
control channels, taking away the first six and turning them over to
TDMA.
Course, I guess AT&T is pulling the plug on that, too.

Ah, well.

I used to listen to them, too, on my Pioneer SX-2500. Even with the
wide bandwidth of an FM broadcast receiver, you could pick out many of
the conversations.
I left England in 1972.
I believe WARC 74 was when the decision was made to finally move land
mobile out of the 100 - 108 MHz band, starting with the southern
counties, where interference was caused to LM stations in France. I
believe the transition was completed by 1980.

What I really missed was when they did away with VHF TV broadcasting.
BBC 1 used to transmit in London on 41.5 MHz (audio) and could be
heard even here on the west coast during the peak of the sunspot cycle
in the early 80's. I even have a QSL card from them! TF1 in Paris used
to be on 41.25.

Those were the days.

Bushite soldiers beat to death innocent Children to 'let off steam'
http://youtube.com/watch?v=fxi5kxzx3V0&feature=related

We, as Humanity, will hunt every last bushite
demon down for death to defend our loved children, for,
a TRUE Love for GOD never dies. Demand these enemies
of Life be destroyed for freedom to be all we can be.
Death to the bushite, death to the enemies of Mankind.
To love God, is to kill a lawless bushite savage as
defending our innocent lives.

Note: bushite news america will re-run bushite nazi offspring
attacking American kids on national television with the minds
of contempt gathered. But, our millions of Iraqi victims they
forbid our defenses in demanding an end to continuing sancioned
lawlessness. When watched, Justice for Life is screamed for,
but not as those who commit our concern for ruling. President
Bush is a massive war criminal. Attempting 'escape' with the
stolen 'loot'. Support my call for international debate on
the coast to coast radio network to officially start a criminal
investigation of the outstanding 911 question. Justice for any,
is freedom for all. Who am I?.. King Johnny.

CNN "We've learned so much this week."

Support my demands for US to arrest CNN, CBC, CTV, and the BBC
news producers, for consciously forbidding American families
from knowing, scientifically, mercury causes brain damage to
YOUR child, ONE HUNDRED PERCENT of the time. The criminal
charge is "endangering children". Please, do not except CNN's
zionist enemy LIARS of Christ who would send your teen to DIE
in a causeless war for stolen profit - (who routinely refuse
OUR concerns,) do not know this while disallowing Americans to
survive their continual criminal assaults against our being

without apology. Time to pull up on the talk transmitter, to make demand as America, to take these calls for liberty from tyranny, against those corporate nazi news buyer liars. I want to guest host on the Coast to Coast radio network to take open line calls to bring about Justice for Our forsaken Worlds. Make it happen for yourselves as worthy our praise.

Boston Globe PROVED the election was RIGGED

Ask yourself, why do you think Dr. Paul refuses to demand a fair election? He certainly has the donated money for something about changing things for the better by counting. People! can you spare me some money to help my real rise for freedom through Justice by demanding a 911 investigation including building seven?..and General Ahmad being brought to public trial with the neocons for treason? Treason against Civilization. $25 sure could go along way in building The Media Empire, of King Johnny Wizard's, Shareware Earth Co.. as presently considered. Be Human, support Johnny Wizard.

Canada's Mission in Afghanistan - March, 2008

John Manley - Former Canadian Deputy Prime Minister and Finance Minister

"The Taliban may have been a lot of things, but they weren't corrupt"

- speaking on bushite nazi forces abusing women and children, oppression Christians, stealing humanitarian aid, pushing heroin, and denying our children an education on who is TRULY good or evil. All the while, bombing our families indiscriminately as the demon antichrist forces responsible for the crimes of 911 in New York City. Bushite of the nazi air forces are enemies of Freedom for Americans. See the bushite, bill the bushite for We, the People, is the truth, the light, the way. A bushite nazi soldier who refuses to phone Coast to Coast talk radio to demand Americans support the public arrest of General Ahmad who financed the terror attacks of 911, is an enemy worth billing to defend our dying freedoms held in contempt by censorship. You can not find a single soldier on Earth to publicly support George W. Bush without immediately being recognized a traitor, a liar, an enemy of freedom for Democracy.

Taliban fighters are guilty of nothing but standing in defense of the innocent victims of 911. Bushite antichrist forces are the worst of religious fundamentalists. They refuse to arrest

"judges" who order the bushite dumfuk to murder those who speak for women's rights through the Koran. They refuse to arrest "judges" who order bushite dumfuk to murder Christians guilty of nothing but respecting Mohammed.

Molten metal flowing
http://www.youtube.com/watch?v=NIswdgeU0I8

Let honorable Soldiers know, who are the enemies that get them KILLED for demon lies. CBC, the BBC and CNN is the terrorist enemy by forbidding US, The People, from seeing the meaning of iron flowing like water from the towers, prior to the imminent collapse for the neocon traitors. As planned - boogahboogah. Just because they hang on the fact they are here to mislead ourselves for needless wars to die YOU for, doesn't make the criminal intent they publicly express unchallenged against Humanity, any less horrific in it's dupliciting of war crimes by smiling ~ 'unknowingly'. To go silent, is to except freedom to live denied.

Real Jews don't murder innocent people to steal their rights to Life for money.

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Way truth.|. yahduhyahduh.. Checkcheck. Johnny calling America! we have lift off with receivers, i think I got a connection.. Listen:

Freedom for America

/ / Just FIVE major U.S. banks control 97% of all the bank-held derivatives in the United States, a concentration of power and risk unsurpassed in the history of finance. \ \

/ / JPMorgan will take over Bear Stearns' $13.4 trillion contracts \ \

Understand this: JPMorgan received 13 TRILLION in derivatives by excepting the American tax payer gift of three hundred million, to take a billion dollar public building off our hands as 'the losers'. Then this: of all the billions in free tax monies given to the EXTREMELY wealthy [some are actual trillionaires] of the FIVE private banking industrialists, done to "bail out" America of this mortgage meltdown, none of that TAX money goes to the scammed home owners, who's costs have directly increased due to the transgressions of hedgers who privately take the real money for themselves escaping into the Cayman Islands, and leave US, the bogus credits to default on by disappearing public pensions, stock, ect... Example: where is the 13 TRILLION that JPMorgan inherited at the cost of more than 200 million American taxer played? How could a multi-millionaire stock holder of Bear Stearns lose all their money, if the company is

still holding 77 trillion for Public leveraging? What kind of bankruptcy of Enron book keeping is that where our loot is unfounded? "lost" to market forces? But JPMorgan inherits 13 trillion? Try FRAUD. Like did you know, Mr. Trillion Aires isn't even on the hook for covering the initial mortgaged loans of mortgaged loans? Or that, the Royal Bank of Canada popularly paid out .02% interest on Canadian savings accounts just for spite? 'Knowing' you don't even have the strength of conviction to raise your phone demanding fairness for our forsaken Worlds, because, for starters, CBC, CNN, with the BBC an George Norry ain't going to take our calls for free communications, for, the neocon zionists committed 911 with Bush's business partner General Ahmad to rob you all - and die our sons and daughters are, dying our sons and daughters are. Does George Norry really care?, do Americans even care?

/ / Hallburton subsidiary KBR told employees at a water injection plant in Iraq a sand-like substance scattered around the plant was just a "mild irritant," workers recall.

It turns out to be sodium dichromate -- a highly toxic chemical which can [as will] lead to cancer even with limited exposure. \ \

See? Bushite will kill bushite for a stolen nickel. Did these employees know their company robs from soldiers by charging themselves a $100.00 for a single bag of laundry?, or keep slaves to serve the nazi grunt dumdums? Or poison water supplies?, stealing oil revenues?, over billing America while Championing unchallenged by CNN Bush whores more needless wars to profit US further dying as innocent victims on? If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth saving.

Who's Jesus?

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/Primetime/Story?id=131907&page=1

Now think American: Why do you suppose this is anything else but treason involving the escape of the 911 terrorists? Obstruction of Justice is seriously criminal. Understand: CNN, CBC, and the BBC news producers know the neocon bushite committed 911, [I've told them myself] but refuse open debate through dialog to continue murdering ourselves. They are all of Humanity's true enemies by forbidding the knowledge to defend ourselves judicially. In Iraq, American tax payers pay the salaries of lawless mercenary goons who gun down our families at random for entertainment, and all they report is McCain unchallenged, that openly supporting lawlessness, torture and theft of Iraq, is the only way to war "al-Qaida".

Not to arrest the guy who financed the 911 operation, General Ahmad, no, but to murder our innocent families by those at Guantanamo, who practice Satanic ceremonies to the demon Moloch. Maj. Gen. Geoffrey D. Miller. You can't make this up. Where is CNN celebs concern for soldiers who beat children to death for pleasure escaping unaccosted? CNN Heroes?, like those who murdered more than 200,000 innocent People in Fallujah for traitor Sattler? Fight back for Christ

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Bushite who war Humanity for Bush are enemies of God as Love, attempting to escape those who actually committed 911, like General Ahmad. When a bushite bomber of the air forces die, all Creation celebrates the victory over lawless tyranny. A good bushite, is a dead bushite halted as a thief from murdering more of our innocent selves indiscriminately.

Where is Christ in Canada when CTV reports there is no evidence that mercury causes Autism?.. Not reported is that vaccines cause brain damage 100 percent of the time, because they contain mercury to poison YOUR child. Type 'mercury vaccine' in Google, and ask yourself, how can some paid hundreds of thousands of dollars in salary as a zionist "expert" miss such findings, along with thousands of corrective emails, as an openly confessed enemy of Love in Christ, as Justice for Life? Do you believe those of Israel's military, who purposefully targeted Jewish communities in Lebanon are anything but, enemies to Life as Love for God's Son the Messiah? Where is a love for Jews in Israel, where this issue of Zionists murdering Jews for money in Lebanon isn't on their front pages demanding Justice for Jews in Any Town, Universally? Better Right: Who are the actual Jews Here? - and what about this "God" business.. I mean, really..

Condoleezza Rice "This barbarous act has no place among civilized peoples and shocks the conscience of all peace loving nations. There is no cause that could ever justify this action." This from the zionist demon witch who okayed the dropping of seven million land mines to murder children in Lebanon for generations!

Bushite still kidnapping innocent people to be tortured to death

These personal Usenet accounts closed by Google I've had for years. No debate was offered, no opportunity for me to even ask formally what the ungodly enemy of Life complained about, Why? Because the truth would have prevailed, and bush whore zionist enemies of God can't have free thoughts expressed by Man, for they would be understood in the streets by the Jews and Christians, arrested, tried, as prosecuted for lowly treason as enemies to Justice. For example: Condi, the zionist demon witch, dropped seven million land mines on more than 170 towns and villages in Lebanon to MASS MURDER our children indiscriminately for decades. Example two: Google has done nothing over zionist pirates who vandalize, every day of the year, page after page of alt.religion.islam, soc.culture.israel, and soc.culture.palestine from Earth's free speakers. EVERY DAY. A zionist enemy of CHRIST screams in joy over such crimes, as the silencing of the crying families going further unaddressed by CNN and CBC, who smile such denials, of my simple public demands to have the truth set US free naturally. FACT: Nazi Israel STEALS our Homes as the innocent forsaken by corporate news americans. Now, those war criminals in Israel wish to steal my name also, further, as my, Johnny Wizard King of Earth thang - not so fast pilgrim.. I don't know who you think you are but, I am a good man, not a thief of Peoples lives. As Son to God Creator of the Heavens and Hell, my will has intent to defend life, as I am a fighter for Justice in all my Love resides Holy and Righteous.

YOU as my "American" listener, will be expected likewise as CNN and CBC has broadcasted You, to do nothing to defend your own child from their refusals to report the fact that mercury is a highly toxic heavy metal that harms all of God's children. and YOU, like FOXNEWS TRAITOR LIARS, will kill your own offspring before acknowledging our great strengths of

character as unparalleled in wisdom, for the Ages We Are. Instead, "The Experts" of FOXNEWS and CNN, will tell US as deeply ignorant on subjects you know little of nothing about, they will tell US silently not to bother bushite CRIMINAL enemy of Humanity personally to defend our innocent selves, but instead, evil thought "Socialized Medicine"'ers, being total losers to Life and wiser folk by simply doing the math as ourselves. [Americans pay twice as much and get near half the coverage that Canadians do - !no middle men!.] It's all about talentless corporate multi-millionaire mercenary pirates, seeking our freedoms in America to die profitably, as they stand on the growing pile of rotting bodies, telling US all, we was right all along to do nothing for ourselves - like speak openly for Rights granted All in a Free Universe of Possibilities. Pick up your phone cowardly dying American, and demand Justice for 911, for, they could be You again. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal in all States. As just because the victim was an Iraqi child, casts their lives no less than any other of Humanity's Greatest.

Again, I, as the Son of Man born to GOD will remind ALL Americans, bushite have murdered more than a MILLION innocent people indiscriminately in Iraq, to thieve for the traitor neocon liars. Thousands of videos document those in the air force who target the murder of helpless children for example while chanting "whore yeh" in praise of the lawlessness to continue carnage against our better wills. Worth a death sentence by trial then firing squad, as blatant war criming traitors. Pick a Side: An innocent family?, or a UNARRESTED bush whore nazi rapist, a torturer and thief who believes some how Men of Earth do not exist to hunt them down with the Law of the Land for it. Not in Johnny World I'll tell you my friend, not in my world. Bushite are antichrist forces of evil who war GOD with supporting torture as our INNOCENT families of Humanity, all for the escape of the zionist neocons personally responsible for the demonic crimes of 911 going unadressed. Canadians will know, General Hillier has publicly pronounced Canadian Soldiers will not defend innocent people from being tortured to death under his criminal authority as enemy. Treason against Canada of the lowest order is what Hillier has spoken for himself cowardly. It's official: I am now in Command.

TOP ISSUES

The DEA has openly acknowledged that bushite in Afghanistan are pushing heroin into our streets. Innocent people are still being kidnapped by KNOWN bushite to be tortured as the Innocent to death. The 911 perpetrators such as Bush, Cheney,

Condi, Myers with Rumsfeld and Ahmad, have still gone unarrested. Support my demands for national radio hosts like George Norry and Art Bell to allow US open discussion on these subjects, with open line callers to work ourselves through this struggle against lawless tyranny defeated with reason to be somebody worth the effort, or don't. George Norry has told US he's into killing kids, and going ballistic against any soldier who would refuse a criminal order given by neocon. A "great patriot" fighting the NWO?, or a traitor that to this day, happily watches Humanity be poisoned deliberately, and can't find the care to empower ourselves by simply allowing open line calls from real people who demand a halt to such extreme evil criminality passed off as foolish 'non-stop' newsertainment?

TV NEWS CENSORS ARE OUR MORTAL ENEMIES

Did you hear! The Khadr team found a bushite manufacturing evidence in the military commissions trial. Death sentence for the bushite enemy, or will we instead silently except more crimes against ourselves as the innocent victims? Clearly, bushite are enemies of Freedom in America. We decide. Why must all Humanity die for TV America's contempt for Justice?, to not even fight for OUR dying rights, as if, My rights were theirs to steal. Support my demands for a real Public debate or die unworthy to the neocon's treachery.

HOCUS POCUS
* Only in America you Win 287 million where it really means 96 err.. 95.6 *

These TV experts on America, who refuse to defend American People from poisons in our foods, water, and vaccines, who just nazi lie and broadcast without challenge their top standings among themselves as sell-out corporate Bush whores, are the enemies of every living person who cares about counting votes to determine our real winners. Take a stand, be a man, dial the phone, your not dying alone. Help me.

We can not be defeated, for we never have been even challenged on what is globally, well documented as indisputable. Support my continuing demands for open communications to benefit any as Justice for all. All war profiteers will be sought for prosecution as the worst of criminality. AEGIS, CACI, and Blackwater will pay with their worthless lives through public trials for first degree murdering our families never forsaken in my living forever name. Death to the bushite, death to the enemies of Christ in America.

A New Life

A new life was brought into our world, and a bushite pondered that Heart, and threw it off a cliff for entertaining laughs. Laughs in knowing such action could make every child of Earth cry, that such action could make many American men feel helpless in knowing, such an enemy to Life, would dare steal the image of America as Once Great, risking itself continuing on with no more of a death threat than a small fine if anything. However. If we publicly demand the puppy killers be tried quickly for a tossing off a cliff for fairer sentencing, then the torturers and rapists might soon fear, they're never gonna get away from US either. Death to the bushite, death to the enemies of God as our great Love for Liberty.

We shall Start with public demands for the formal arrest without bail of traitors Bush, Cheney, Condi, Rumsfeld and Myers for the crimes of 911.

As for our British Loves, call for the immediate public arrest of the con man Peter Power, as the probable cause for the 'al-Qaida' crimes of 7/7. Along with Ian and Tony Blair with their phony cop who was caught guilty for lying as our media over and over again, to then finally confess, he gunned down an innocent man for no 'known' good reason as an escaping MURDERER. And to never forget why the bushite will continue to die rightly: All for, The Queen's Best soldiers, who kidnapped barefooted children from Iraq to be beaten to death on prized video for their godless pleasure of hate for Justice

NEW GAME TO PRACTICE UP WITH

Turning Point: Fall of Liberty
http://www.gametrailers.com/game/5117.html

Boy, this new game is something, not just another, 'questions are stupid. lets just kill whomever-shoot-us-uppers', a computer game of life maybe worth the buy, if for only the reality concept..

New York City is over run by thieving bushite nazi savages, so you, as one of the few proud and brave of a, left to die leaderless, Corporated into lawlessness, America, give the bushite nazis, the real welcome they deserve with fire works. (As freedom killing terrorist liars, the blind to reason bushite always are. [unless seeking forgiveness for such cowardice]) Like it or not. Al-Qaida = General Mahmoud Ahmad, and we have video of iron flowing like water from the towers. And... murder is illegal.. So, DIE BUSHITE DIE by trial and jury we WILL stand for God and Country to defeat evil Nazi tyranny, guaranteed. It's written in the stars. Your paying for some crime. What are YOU good for? The Man says, Evidence is Everything. ..and a person accused of a criminal offense without any public evidence to surmise, is still innocent to

anyone. Justice Will Rule when we know what true freedom is gained, by enforcing anti-torture in all cases, then actively hunting down, as Reagan's War Law States, the bushite personally responsible for crimes against Humanity in our stolen Names. We have the demon repuglicons who are voting on the support of torture as something other than TREASONOUS that excuses a murder of an innocent other, as godlessly sadistic. [For even the True Satanist, or True Atheist, would bill these grunting bushite torturers without even sweating about what's right or wrong. thinking.] Those censors like Rush Limbaugh or Shaun Hannity that refuse our wiser minds, do so because Freedom defeats them in seconds - to be the disturbing groveller to self destruction that they confess to be, hiding from nobody. However: In Johnny's America, they's not down burning in the fiery pits of hell symbolically to teach US all a valuable lesson, Theys got millions from us for "our" continual wanting of yet more mass murders as worst than any fictions since dreamt, and I, the Wisest Godman on Earth, instead of having Coast to Coast public interest, have mostly zionist crazed insults from extreme sexual dysfunctionals, offering to whore to a hundred and 50 something countries - just to fuk you up as lost again to the cause of Liberty. SEE? My critics can't criticize me on my facts, because we are truly dying here forsaking ourselves, truly dying as victims, because of the corporate media refusing to HONESTLY take our continuing challenges to report on. Look, CNN and FOXNEWS hosts have multi-million dollar salaries to cover nothing as important enough to honestly gauge US on, while I, I got hunger pangs feeding my growing costs. Support giving generously to me as my fledgling company, and soon, god willing, I'll be able to leastly afford myself a bus ticket with a tape recorder to get myself down to Washington DC, where I should be giving answers to the People whose questions have not as of yet, arrived from departure. Even with the speed of the Internet and everything, we are still putting harmful chemicals in our vaccines, foods and waters, that do nothing but kill us quicker. Stupid proved a million times over, or, no.. master genius of a new world order, whatever, it must stop, and it must stop now. But, not according to CNN, CBC, BBC, FOXNEWS, and newspaper editors who are much more into money taking by blindly supporting in print, the killing of innocent Peoples in Our Name through Israel, for the stolen cash kickbacks, by just claiming they don't hear US really screaming.. Ever? Never?

Sad, but without your generous dollar donation to the cause, (meaning more than being near less than nothing you people'll please give me in return,) i may yet go short again, so our bankers can take even greater monies by investing in our denied "failures". How about supporting my rise to demand

public debate on Justice actually Ruling: by Publicly arresting for Public Trial by TV Jury, Mr. Bush and Cheney immediately, for the crimes of high treason as a major misdemeanor. 1. They closed down investigations following the 911 crime scene leads, designed by the lawMakers of the Land to capture the actual terrorist bad guy leaders of true evil - you know, the Crooks. (Obstruction is serious!) NOBODY disagrees?, publicly? ! SEE? CNN CBC AND FOXNEWS ain't really taking our calls for listening then are they for Justice? It could be dreamed that we are only refused for to be, not valid as fairly recognized. Like, how absurd! that Obama's preacher suggests supporting WAR crimes AGAINST HUMANITY, is a crime against God too? See, corporate America couldn't give a dying soldier a clean glass of water to save his forsaken life, because hey!, who cares? CNN, CBC, and FOXNEWS certainly don't care about escaping the bushite enemy responsible for the lives lost through the crimes of 911, and so on.... but my friend... do you??

So,

Send this post to your favorite talk host, newspaper, or bar message board if sparing me a few dollars from Japan seems rather obscure. All for the sake of knowing a brother's down on his luck to find some love for Liberty in America.

King Johnny Wizard

P.S. I seriously need to eat.
Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. Justice and Freedom for all, especially God as Just, and worthy our praise for Peace. Donate me leastly five dollars for Canadian 2% milk, and yummy multi-grain bread please.

How They Voted: Torture Bill
http://www.cbsnews.com/stories/2008/03/11/ap/congress/main3927680.shtml

These be criminals of the worst order. In America, today, the standing Reagan Law, demands that these bushite enemies of

God serve a minimum of 25 years, for knowingly supporting the war crimes actions of torturing innocent Peoples to Death. As President, with the Armed Forces in tow, we will arrest, try, and convict all these demon enemies of freedom for Americans.

Look, we have to realize: everyone knows a bushite cop killer thief is a cowardly enemy of America, who wars God and Humanity as OUR ENEMIES for the criminal escape of the neocon Zionists responsible personally for 911.

Proud bushite enemies of God and Man state:

http://www.forum.militaryltd.com/tun-tavern/m10997-zarqawi-had-close-call-marines.htm

"Heaven Won't Take Marines and Hell Is Afraid They'll Take Over."

See? A bushite is an enemy of the Family, who rapes and murders for the demon antichrist thieves. Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars of 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as True Liberty we shall proclaim. I wrote that.

1. The ISI's General, Mahmoud Ahmad funded 911's Atta

A Zionist liars website:
www.Jews-Did-911.com

I didn't do 911?, least not responsible for closing outstanding criminal investigations on who personally was responsible: Bush and Cheney, Zionists. Not Jews. Zionists believe Israel should not be defended from war criminals who bomb Jewish communities indiscriminately to murder children with millions of landmines. Condi, zionist witch, ordered the dropping of near seven million land mines on Lebanon, with the first strike targets to be JEWS pin pointed by the anti-Israeli racist nazis. Jews, who are so, no matter where we eek out a significance. CBC, CNN, and FOXNEWS with George

Norry refuse to take my challenge for public accountability as
Zionist enemies to Life. Nazi Israelis steal innocent peoples
homes, period. Who's in charge here Kangaroo?? Eh?

Conspiracy of Conspiracies

March 7th, 2008, George Norry
'Why is it that we can never find the big foot?'

Ask the more good than bad Alex Jones why he refused to ask
Lou Dobbs why he hasn't reported that General Ahmad funded
Ahmad? I know why.. Because Alex Jones once again, with
Dobbs, whored for the demon antichrist's escape for the
treasonous acts of 911 committed in his name.. Justice as
Freedom?, or more go nowhere NWO shadow government bullshit to
escape the ungodly zionist neocons personally responsible for
the crimes of 911. I demand a Presidential debate with America
where We can't hang up on US, while claiming to ourselves as the
audience, that the truth tellers hung up myself, honest John.
Alex Jones suggested yesterday that ALL those who criticize
himself on anything, without naming names, are just jealous.
Again, Mr. Look! it's a Prison Planet is not qualified to
lead a Peoples towards freedom through Justice wanting.
(Qualified to lead the news however, granted, one of the best,
IF NOT THEE. (Except for Zionism, Health Care, Immigration,
feminine Rights, Banking Issues, and a.. Trade Law))

Mr. George walker Bush is the primary CAUSE for almost all
the criminal transgressions against God in America and abroad,
since the demon stole the initial election back in 2000.
Alex's contention that Mr. Bush and Cheney isn't worth
attacking personally with our Laws on treason for defense,
(all because theys not responsible for nuting, as his NWO
"Puppets",) IS Tyranny of the worst order. Ask anyone,
including Alex if he could get his chumped "ego" out of
the way. Truly, "Socialized medicine" can also mean paying
half as much, with double the coverage. Middle men are our
answer givers when it comes to Americans questioning the
system of injustices inflicted. Did you know: Private
Insurance Companies can clear 70 percent of money

invested? NOW... wHy wOuLd wE Do tHaT? If we had the free choice to decide for ourselves I mean, "I" am asking "You"??

Justice is what ALL want for 911. The State of Vermont just ordered all State troopers to not stop Bush on arrestion for High Treasons there as a broad. Newsworthy in corporate America? YOU decide, or don't. Mexican troops, funded by American tax payers, are selling dope in America for Bush and Co. openly now.. Who are you going to call?

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Petraeus Threatens to Murder More Innocent Peoples!

/ / Gen. David Petraeus said. "We can feel it and see it, and what we're trying to do is rip out any roots before they can get deeply into the ground." \ \

As the President, I will demand Petraeus explain himself. If he refuses, I will order the military to arrest him on sight for lowly treason. We know already, that every bomb that goes off to murder indiscriminately, that isn't credited by bushite THIEVING enemies, is blamed on bin Laden, without the least of any investigation, according to Petraeus' own staff, as so reported on PBS. He, Petraeus is an enemy of AMerican GIs, by refusing to order them all to hunt to kill the neocon terrorists responsible for 911. TREASON is anyone's book. Death to the bushite, death to the enemies of God in America.

THIS IS TREASON

Bogus Iran story was product of Pentagon spokesman
http://rawstory.com/news/2007/Bogus_Iran_story_was_product_of_0116.html

/ / Starr added that one American boat had been given the order to fire, and the Iranians had moved away just in time.

Porter identifies Bryan Whitman, the Pentagon's top spokesman, as the culprit for the spurious [TREASONOUS] account.

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that his ships had been close to firing on the Iranians. So did destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

-

Bushite "Hero" makes eight year old run five miles to save the life of his loving mother, to only after the run, be laughed at with a refusal to grant the emergency water the soldier dumps elsewhere. [Remember: demonic bushite enemies of GOD blew up the water treatment plants to "help" Iraqis.]

[this video is of the same culprit, but different child - seek, and you shall find the will to bill a 'lawless' bushite for God and Country..]

U.S. "surge" policy of arming all sides

Look, the bushite has no mind to support these indiscriminate bombings of our friends and family. To kill a bushite, is to save the lives of innocent god loving peoples. A bushite is a lying traitor to civilized humanity, who wars Life to escape the neocons for 911.

President Clinton Speaks on US as Dying Idiots

http://groups.msn.com/PeoplesPolitics/general.msnw?action=get_message&mview=0&ID_Message=360506&LastModified=4675658822492294908

President Clinton - "We look like [DYING] idiots, folks, denying that the people who murdered our fellow citizens [GENERAL AHMAD and Co.] didn't when they are continuing [AS THE 'ESCAPED"] to murder people all around the world," to thieve further for the neocon traitors, from a left undefended "America" silenced by censorship practiced by the demon enemy George Norry, making lawless and godless, synonymous with good will and charity. Where's the reason for George Norry to be happy about godless tyranny destroying GOD'S undefended America I ask YOU? George Norry is what is referred to in the bible as a Demon.

Fight back for Freedom, Fight back for God, or rightly die a cowardly victim to eternal life's desperate struggle against the bushite's tyrannical barbarity where indiscriminate bombings with torture and rape is not worth getting anyone publicly arrested over, and courts with lawyers are banned to practice by the war criminals left in charge without questions given or answered, while YOU continue to pay dying in silence. Pick up YOUR phone, and make the call to talk radio to-day.

Demand Justice for America, demand Justice for God.

Demon Livney "The world should respect ANY ACTION taken by [ungodly zionist evil] Israel in order to defend it's citizens."

So, UNGODLY nazi Israel can put millions of innocent people in concentration camps, because hey, it's to protect the enemies of Mankind who routinely steal innocent peoples homes, while murdering our children indiscriminately with land mines for Satan. According to the Jewish/Christian Bible anyway.

U.S. Army Sergeant Logan Laituri - "The problem that we face in Iraq [AND ZIONIST AMERICA] is that policymakers in leadership have set a precedent of lawlessness where we don't abide by the rule of law, we don't respect international treaties, so when that atmosphere exists it lends itself to criminal activity," ..by rapists and torturers who OPENLY practice a hatred for G-D unprecedented in world history. The Nazis of WWII have nothing on bushite enemies who sing and cheer on video available at YouTube for the murders of innocent god loving children. (Just like REAL DEMON censor George Norry advocates publicly by the way without contention) Death to the bushite, death to the enemies of a liberating Mankind. So says the Man of men as Son to God always.

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis savages, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

enemies of Justice for Life. It, as a zionist KNOWS, is an
enemy to freedom and God in Britain by supporting indiscriminate

Did you know: American tax payers openly pay the salaries of death squad goons who murder defenseless innocent families in Iraq TODAY as The Enemy?

Support my call for open communications to demand Justice for any, as freedom for all.

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. You and I

Our Demon Enemy Lying Leader Mr. Bush speaking recently, "You and I believe in accountability", "People should be responsible for their actions", "My number one priority is to protect you" "All human life is precious and deserves to be protected." Just words from the demon in HIS nation that drops 47,500 lbs. of bombs to indiscriminately murder Iraqis while paying [whoknowswhere] salaries to 80,000 al-qaeda in a nation the antrichrist forces occupy, all the while, holding George Norry a great host for supporting the war crimes of bushite thieves who target innocent children to steal further from our undefended Graces. As George Norry happily sends CONNED or cowardly America to their treasonous doom, for the zionist neocons personally responsible for the terror crimes of 911.

The George Norry is an enemy to God and Humanity by conning
Americans into not allowing open line communications on any
relevant human interest story involving the criminal sacrifice
of Justice for America. No, instead, more bullshit on AREA51.
AREA 51 where toxic waste is illegally burned for cash profit
at the loss of REAL American lives paid for in CENSORED
collateral. You die as An American for the treasonous con of
Coast to Coast hosts who forbid open dialog on the reasons for
why YOUR nation wars innocent others to thieve from.
Remember, the REAL DEMON George Norry gives an endless stream
of bushite dumfuk who endlessly praise George for supporting
the neocon murders of more than a million INNOCENT PEOPLE by
forbidding truth to be sought concerning our circumstances.
And YOU, yes YOU, are meant to feel alone in your concerns on
the fact that the neocons are trying to escape their rightful
arrest for the crimes of mass murder. Al-Qaida = General
Mahmoud Ahmad. George Norry is a DEMON traitor who's con is

on for the murder of soldiers - who are as dumb as we come.
George Norry deserves to be TRUTHFULLY exposed for what he
denies as America's privilege, freedom and justice for all.

GLORY OF THE CORPS - A Real Man Speaks for Freedom

Coast to Coast hosts wont take our calls, but they did take several
demons on Wednesday, one in particular who figured he could be
a "god" too, by supporting the indiscriminate murder of Iraqis
to defend the evil zionist neocons in hiding. But, what did
GOD in Iraq have to do with the bushite responsible for the
DEATHS of 911?, or the DEATHS of all Arabs in around the naive
age of 15? George Norry didn't ask.. Another demon witch
allowed on our air said at great lengths, she appreciated that
the demon antichrist Bush lies continuously to dying soldiers
because that's the only way to blindly defeat terrorists..
(evil = good) George speaks nothing but happy silences in
trusting warmly with dying US all for ignorance as belligerent
criminal negligence. Again, the demon enemy of God refuses US
to open communications on any relevant subject involving the
sacrifice of American lives. Staying happy, he figures that's
all it will ever take to defeat Americans lost in doubt on his
contempt for all Peoples lives, is to simply forbid knowledge
from escaping his charade. He told US previously, he'd go
ballistic against any soldier who refused a criminal order.
So, when marines are asked, as reported, if they'd murder
their own parents without reason for the glory of the Corps.,
would George Norry shoot "them" as traitors for asking simply
now why would WE do that? See something here my friends

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons? I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on... Remember: Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida = General Mahmoud Ahmad. Bush, "The Puppet", needs to be tried PUBLICLY for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News

/ / In the early 1960s, America's top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in U.S. cities to create public support for a war against Cuba. \ \ And Proud Vietnam Vets are TRUE fascist cowards, who'd kill our Families for stolen riches given to billionaire war mongers who, to this day, bask in our stolen lives living in Mansions, while homeless vets eat their own shit and die, worthless to the struggles against tyranny for God. Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects.
Other 911ers will tell you no no no, it's impossible to
apprehend them all, for the arrows can go on for never. Bush
personally closed criminal investigations on 911 immediately
after the terrorist event of no questions occurring. The Bush
administration were well aware of their PERSONAL dealings with
the Taliban prior to the "Pearl Harbor" event conveniently
occurring. And they were all most certainly aware of the

many good people from London. London England. Privately,

A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. Color of Law?

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. So, arresting the parents is irrational, for, it is the school authority that has disallowed the children an education. So, arrest those that refused children Justice. If anyone.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

THE GREAT KING OF AMERICA

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology,

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi

forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the

peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

MY DEMANDS

/ / eight million Iraqis require immediate emergency aid \ \

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

/ / Why did the Army, within three hours, return to tell neighbors that this was the work of "insurgents" apparently without any investigation? \ \

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

We Have A Problem Here

Look, Bush closed investigations on 911 immediately, then started firstly on Iraq, for war mongering thieves, with General Ahmad escaping un-accosted for the neocon enemies. Not relevant? Your Constitution is laying undefended, a National act that can not be done by any other terrorist group but those who claim your freedom rights denied by bushite command. Not treasonous? Look Condi, the demon 911 nazi witch PERSONALLY assisted in dropping more than seven million land-mines on Lebanon indiscriminately in Your terrorized dying names. Hate Life and God as yourself do You?

Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Americans don't seem to care they die by their own unwillingness to communicate openly for Justice. I ask you again, to spare me a few dollars so I can feed myself. I am actually, near starving, and never in my most feared nightmares, thought this world, with our communication technology, would leave me without any financial assistance.

Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

AMERICAN

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

The R8500 has two ways to feed it power. There is the 4 pin connector and the coaxial connector. I'm assuming for bench use, you attach a 13.8V to the coaxial connector. For gel cell use, you use the 4 pin connector. However, the OPC-023C power connector, designed for mobile use, goes to the 4 pin connector. So is it OK to feed 13.8V to the 4 pin connector?

You can use either connector, though I'd call it DC plug/socket connector
and not coaxial connector ;)
If you need the instructionmanual I've got it here:

Actually, that is called a coaxial power connector. Not the best
description in my opinion, but I didn't get to vote on it.
http://en.wikipedia.org/wiki/Coaxial_DC_Power_Connectors

I already downloaded the manual, but it wasn't clear which connector
to use. On the R7100, you don't get a choice, so I am accustomed to
that power connector.

The 4 pin connector is used if you have 12 (13.8) VDC. The coaxial
connector is used for the AD-55 (A or E) adaptor which provides 16 VDC.

If you want to use 12 VDC you must use the 4 pin connector.

Thanks. I bought mine used and never got the official power supply. I
have been using the 4 pin connector.

comments ? yeah, ranks as one of the largest
collection of assholes on the net.

(a). they have a 'shack' picture forum. evidently it's like AA.
you can post a picture of a cardboard box with a tin can,
and people will chime in and say 'yeah, great shack dude!'.
(instead of being man about it and just telling the guy,
his freakin "shack" is a shit hole ! and he needs to get
his act together before showing it off for public view).

(b). all-cops-are-right attitude - some posters have posted
story links to corrupt/crooked cops - so much so it became
an epidemic. posters were flamed for being 'anti-cop' when
in fact, all they did is point out new stories allready
public knowledge in print or television.

(c). many (as others have pointed out), 'know-it-alls' who pretend
to have knowledge they don't have, and will espouse all sorts
of gibberish (and can't even use correct grammar or spelling).
a favorite topic appears to be "digital" systems. many "experts"
chiming in with their dubious opinions.

(d). many 20 something "whackers" - ie. volley fire & rescue guys
who get off on having emergency lights/radios in their personal
vehicles.

you may want to check out the "hamsexy forums" - now those guys
are freakin hilarious ! the outlaw/wildwest amateur radio/redlight
district if you will.

as a newbie I'd appreciate any advice about what data channels are
active and receiveable in the midlands of the UK. I already know about
the pagers on 153... and satellites on 137.. but tonight I was playing
with sigmira1r0 (set to my soundcard)
http://www.saharlow.com/technology/sigmira/index.htm
and when I tried 3.526 I heard some data stuff and when I clicked CW
in the sigmira program I started getting text. It was gobbledegook of
course but we've all gotta start somewhere...
thanks for any advice.

Put the scanner stuff aside. "YOU" people are NOT seeing the big picture. "If" this story is TRUE, the big picture is that the prison violated the civil rights of this guy under federal law by first the illegal search, second detaining him in a locked room and the list goes on. Prison employees do not have the right to go beyond the prison grounds and search anyone's property under any conditions. He should have went to the federal attorney and filed charges, by-passing all the state courts and presumed corrupt judge and etc......

A violation of your civil rights supersedes and fcc violation.

I just found out that Scanners Unlimited had shut its doors.

It took me by surprise, because Glenn had only just relocated to a larger place in 2005 to accommodate more business. That's why a retirement announcement so soon afterwards didn't make much sense to me ... even after 31 years.

Makes me think that maybe it turned into a big mistake, so he threw in the towel before it started chipping away at his own meal ticket. I don't blame him anyway. He's been at it long enough and knows the market has been trashed.

I bid you farewell Glenn. The factory fresh AOR MK3 you sent to me a few years back is still in flawless service (for what scanning is worth today). My timing was typically terrible, because I returned to your website to size up a GRE to add to it.

It's funny, because I even missed the flea market sale he held on April 12th by two days. However, I'm pretty sure most of the better stuff never made it there.

That really depends on the Law of the STATE, under which the Prison is
operating. In some States, Prison Correction Officers are Commissioned
State Law Enforcement Officers, and have all the Police Powers that
other Officers in that State have. This is especially true when they
are out after an escaped prisoner, in some States. Also, in some States,
under State LAW, when you are a Commissioned Law Enforcement Officer,
and under Investigation for Official Misconduct, you are subject to
different rules than Regular Citizens, similar to Military Personnel
being only under the Code of Military Justice, rather than local Law,
should the Military decide to exercise that Authority. This is all
a question of What State LAW, IS in the State in Question.

The big picture I see in this whole thing is I have yet to see a link to the

I just picked up this used scanner on eBay to get back into the hobby,
but when I try to program a frequency into a channel as stated under
"Programming Using Manual Entry," I get the display showing "E-LOC"
when I push the Enter button. I get the same thing when I try to
delete a frequency from a channel (there were frequencies already
programmed into several banks, and I've been trying to program a
frequency into an unused one).
Any advice as to whhat I'm doing wrong?

Look on the back of the scanner. What is the position of the Enter

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.
```

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the

bulletins.

In slrn, according to the srln FAQ, the following scoring rule will | allow you to see rec.radio.info-crossposted bulletins, while still | filtering out most SPAM or "Velveeta" crossposted to more than 2 | newsgroups (as such articles usually do not contain a 'Followup-To:' | header): |

Score: -9999 |
Newsgroups: ,.*, |
~Followup-To: . |

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet newsgroups is the RadioBanter site:

http://www.radiobanter.com

sponsored by the NewsgroupBanter project:

http://www.newsgroupbanter.com

It, too, supports both reading and posting.

-- Will the material appearing in rec.radio.info be archived somewhere?

Yes. See Google Groups and RadioBanter above.

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.
```

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions

rec.radio.shortwave International broadcasting on the 'HF' bands
rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org> |

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

418. Can you recommend a scanner where squelch works?

Hi - I've gone through five scanners and was wondering if someone can recommend one before I run out of money. On all of these scanners, I try and set the squelch so that it skips unused frequencies. However, when a used frequency is found, the squelch chops out most of the audio. If I turn the squelch all the way down, I can hear all of the audio. I try and use the least amount of squelch possible, but it still chops the audio so you can't understand anything. Needles to say, I'm ticked off that devices could be designed so poorly.

Thanks in advance.

Can you tell us what scanners you've used? I use the Pro 96, Pro97, and PSR 500. Also have used several different Bearcat, Uniden, and Radio Shack models and haven't found the squelch too difficult to regulate.

I assume you've turned the squelch all the way up and then backed it slowly down until it just allows the radio to scan thru the frequencies? That's how I fine tune mine. If I have an additional freq. or two that overloads and stops on that setting I back off the squelch just slightly to get those freqs/channels to scan. So far I don't feel I'm missing anything and everything seems to come in loud and clear.

Am I missing anything? Is this what you've done so far without success?

I've owned over 50 scanners going back over 35 years, and only two had
any squelch issues. One had a defect, the other was just a bad design.
I think the problem is you, to be honest.

Several questions,
have you tried to use these in one location or multiple ?
do you live near a radio or television transmitter ?
do you have a cable tv leak, bad connections ?
have you checked for an RF source ? microwave tower ? Cell tower ?
open case computer ?

any one of these can cause interference in the IF section of a scanner.

are you scearching for freqs, or have you programmed freqs that you are
looking at ?

How close are you to the transmitters you are trying to monitor ?

are the freqs you entered car to car or Repeaters freqs ?

Tomorow, Senate Bill 1325 is coming to a vote before a State Senate committee. That's Tuesday April 29, at 1:30 p.m., in Sacramento. If it passes, it will allow SPEED camera tickets - also known as photo radar tickets - to be issued automatically and mailed to you.

To stop SB 1325, call the Senators who are on the Senate Transportation Committee. Now! For info about the Committee, go to: http://www.highwayrobbery.net/redlightcamsjoin.htm#Action5 Also, phone the state legislators (assembly and senate) representing the districts in which you live, work, vacation, or shop. Their numbers are in your phone book's government pages.

Once you're done phoning the legislators, call your auto club and ask them to oppose SB 1325 (and any other speed cam bill that come along). If the auto clubs strongly oppose these bills, they won't pass. Phone numbers for the clubs' main offices are available at the link, above.

Speak NOW or forever hold your peace. Now (Today, and Tuesday until about noon) is the time to let your elected representatives know what you think.

You assume correctly. As I mentioned... I try to use as little
squelch as possible.
I did have one scanner that worked not too bad (a Pro 92) that died.
I'm looking for another one with no success.
I've since bought several on Ebay that are total crap. A pro 2051, a
pro 2055, and a few others that I don't recall.
I suppose that it could be just bad luck that I got duds.

I've designed a lot of digital and microprocessor electronics in my day, and what kills me is that it would be so simple and inexpensive to digitally process the audio signal to see if there is a signal present. The computer could then just cut-out the squelch at that point. Rather it seems that they just use some old crappy analogue squelch circuit that chops out the audio (especially on weak signals). I'm seriously considering making my own scanner unless somebody knows of a good one that doesn't use WWII technology.

The only thing that makes sense is either you are getting a lot of bad scanners, or you don't understand that squelch isn't perfect and very weak signals will pop in and out, especially if it's not set correctly.

The latter is my guess. I'm not trying to be mean or anything, but with nearly 45 years of listening on tunable receivers and scanners, the squelch circuit was/is basically a non issue with all but the two I mentioned before, and one of those was bad out of the box. A replacement worked fine. The other I could have fixed, but I just sold it instead.

The scheme you mention for designing a squelch circuit has already been done, in many scanners. It works, but not much better than the "WWII" technology in others radios.

I have talked to a lot of people about scanners over the years, and can count squelch issues on the fingers of both hands.

Can you give me a model, or what is the name of the feature for the
smarter squelch so I can look for it?

With the way it works now, I have to manually turn the squelch right
off and, yes, the signal is bit weak and snowy, but I can hear
everything perfectly. If I turn up the squelch a bit, all I hear is
BA__ DE__ NO__ LE__, etc. All I need is the feature that
automatically does what I have to do manually.

Thanks

The Pro 2004, 2005, 2006, and many more GRE built Radio Shack scanners made nearly 20 years ago had a feature that would force the radio to scan to the next channel, after sitting there for a while, allowing the squelch to be set lower than normally it could. Not perfect by any means, but sometimes, it makes a huge difference.

But..it drives me nuts. Lots of hissing.

What you describe above is perfectly normal. NO RADIO MADE will not do this if the signal is at the squelch threshold. Doesn't matter if it's a commercial radio, ham radio, or scanner, they all do it, and always will, even with digital signals, it will still pop in and out. If the signal is that important for you to hear, then get a better antenna. But the problem is, you get a better antenna, it makes stuff you couldn't hear at all before strong enough that it's doing the same thing the formerly weak stuff did before. And on and on.

I think you're just not being realistic. Do you know any long term scanner listeners personally? If not, look around on the net and see if there is a local scanner group. These groups have info you can't get anywhere else, and real expert users to help you out, and explain that what you think is a problem, might just be "the nature of the beast".

Good luck..

The cult offerings are quite expansive.

Odd, most people report a marked improvement in performance, especially
if using Xubuntu.

Sounds like you are trying to use a carrier(AM) or noise(FM) operated squelch as an audio squelch - different animals.

Google "audio squelch" for details - it is indeed a simple digital device; and when done properly will ignore all except human voice (or some signal which approximates the syllabic rate of human voice).

Carrier and noise squelch have been around for generations - I have used them in scanners, ham transceivers and professional equipment for over 50 years without the problems you are having. Aviation, public safety, Ham radio and other mass users of squelch don't have the problems you are encountering.

Audio squelch has been used for a quarter century or so, especially for SSB, in professional equipment and has started to become more common in consumer level stuff in the last ten years or so.

If you really want a voice squelch Google "SSB Squelch" the first hit will give you a source, and there are others in the 53,000 Google hits.

Nothing exciting there. Many things depend on your particular GUI.

No performance advantage whatsoever. I also found it to be a
convoluted mess to install many applications. I tried many different
versions with different computers. I had a dual boot setup for a
number of months. I kept going back to Windows XP. I tried Ubuntu,
Mandrake and Red Hat. I didn't give up easily or lightly.

Not my experience. I have the KDE version running on 5 systems new and old and it is even faster than XP. When compared to Vista, it is night and day. On my primary system, I have it set up to dual boot Vista or Kubuntu. 99% of my usage is now Kubuntu since Vista is such a dog requiring such many computer resources.

It is easy to install about anything outside of the thousands of programs outside the repositories. You just have to know how to do it.

I too have a dual Boot machine; XP / Ubuntu..

-I enjoy having the Unix window for commands;

- Just like at work !

caveats;

there are still some problems if you stress things like graphics, ;
- Hence the recovery mode . -

- And since my machine is dual boot, I can still go over to teh XP
side & search around for solutins.

I have been testing importing different applications to Ubuntu from XP;
\\- and have had surprisingly good results !

For most Users, and those on a tight budget, Ubuntu can do just as
well as windows

- And it's FREE !

I've never crashed my Ubuntu boxes. If I did, I'd use a live CD of
Puppy Linux, to poke around.

And it's indeed free, in more ways than one.

I don't know where you get your information but you sure do have a good
imagination.You should write for the Enquirer.

To call everyone on there communists is a crappy thing to say.

Name one scanner listener on there that wants encryption(you can't)

In my opinion RadioReference is one of the best sites out there.

Tons of information

Alot of good people on there willing to help anyone(except you maybe
thats why your ticked off)

How many sites out there that you can program your scanner via the
website? answer is one (radioreference)

I can go on and on but I don't need much to prove you wrong.

Anyone listening to this fool need their head examined.

The RR forum is not immune from that which afflicts every internet forum whether it deals with scanners, cross-stitching, model railroading, or whatever. The "sandbox" mentality and existance of "forum bullies" and other typical forum personalities is something you either have to cope with or walk away from.

That being said, I agree with the poster that RR is possibly the most extreme example of a dysfunctional forum there is. Most forums teeter on the brink - but sanity always prevails at the end of the day. On RR, the know-it-all "forum bullies" are never challenged or called on their bullsh*t. It is almost comical watching the regular members rally around an Admin when said Admin is peddling B.S. and some poor noob is trying to introduce some sense to the discussion. They will defend an Admin even if they have no clue what the topic is or who is right or wrong. This habit of people ingratiating themselves to the Admins on internet forums would never work in a real face-to-face social situation, but it's the M.O. on RR's forums. If you don't believe it, try to correct an Admin just once and watch all the boot lickers come out of the woodwork, people who don't even know who is right or wrong but want to score points. The toll for this behavior is that vital information about whatever is being discussed is suppressed and potential contributors just walk away. Some even bother to state same, which of course draws the usual, "hey Mike, there's goes another one, hope the door doesn't hit him on the ass too hard, har har". Whatever...

Your best bet to counter the RR forum nonsense is to refer to my first paragraph - accept that this is how things work there and make the most of the site. It does have lots to offer, with the database being the obvious best example. Mentally "filter out" the trollish Admins and their fanboys and get what you can out of RR - because there is a lot to gain by being a member there.

"Lord grant me the serenity to accept the things I cannot change..."

It is Wed, 12:13am EDT (0413z).
JSTARS "Wizard" is up with Northrop Grumman ground station "Terra 5" on 231.75 in test comms.
Tonight, "Wizard" is the rear-end callsign for "Canoe 03," the E-8C that did some touch and goes at Patrick AFB earlier and said he would be back in a few hours. My photos show Canoe 03's "JS" tail markings, denoting the
Melbourne IAP-based Northrop Grumman JSTARS operation, as opposed to Robins AFB GA-ANG 116ACW.
"Wizard" is also IDing as "T-3," a callsign often used by the Melbourne-based JSTARS acft.
The ground station "Terra 5" is producing a horrible horn sound every time it keys up to respond to "T-3."
Incidentally, the callsign is not "Tango 3"; they pronounce it "Tee 3."
T-1, T-2 and T-3 were the original three E-8s produced and were used for testing. T-3 is acft serial 90-0175.
Comms between T-3 and Terra 5 are now discussing establishing a SCDL link between them; also discussing on-going Satcomms via freqs 266.05 and 301.055.

I agree - they both have a "cops are always right" attitude, AND certain "good old boys" can do no wrong, even when starting crap with people who's only crime is asking a question.

As an example, I give you the following:

Scanners & CB radios

Pretty good so far - getting some decenet info to really help me out.

Now, the REASON I was asking was because This summer a group of us plan to use CB radios during variopus events - we'll be using at least 2 channels, and I wanted to set up a scanner with both channels back at my house to monitor & record all that goes on (As invariably things can happen - like the drunk who attacked one of our volunteers at the haunted house last october).

Instead of posting more information, Loudick and his butt buddy start suggesting that what I'm doing is somehow criminal in nature!

Before responding, I checked their post list.... and found that they LOVE doing this kind of crap - and the admins ignore it while leaning on the person they've pulled it on! SO, I dropped the axe.

I've also noticed car2back, Rolncode3, and a couple others ALSO do the same garbage. Just like certain people in the RW, the admins there practice "SELECTIVE ENFORCEMENT"!

The first is a completely legitimate question. Frankly it crossed my mind
as well when I was reading your example/explanation.

The second comment answered *your* question.

:>Instead of posting more information, Loudick and his butt buddy start

What? Criminal? Did you read and understand the answer?

" I think the list of scanners that don't cover the CB band is considerably shorter than the one that does. "

He is telling you that almost all scanners include/carry the CB bands.

Humor me: Please point out where you think either respondent was suggesting you were doing something illegal.

You dropped the axe, your way of saying you were going to act like an ignorant boor, because you couldn't understand the answers you were given.

You'll write the words in a moderated forum but censor yourself in an rec.* hierarchy newsgroup?

If your immaturity wasn't enough, your grammar and spelling are both atrocious. I suspect after reading this little exchange that you've been banned from the rr.com forums. Kudos' to the admins..

And my answer is a big "No Thanks" to your arse-kissing invitation, since I suspect your nether regions are probably as unwashed as the rest of you.

-All fighting to see who thinks they know the most.-

Your just mad because Lou sent you to the corner with that funny
pointed hat with the the big D on it :)

-But you have to pay if you use programming software. Freqs are all
over the internet. If you can't enter your own freqs into your
scanner than you NEED radioreference.-

I pay $30 a year on RR wich is peanuts and well worth it,I can program
my scanner in 5 mins through the site...wich is alot quicker than doing
it by hand,maybe your just to dumb to use the software.

-Go back to rr. You're one of their know-it-alls WHO needs rr.com
to program their scanner for them! hahahohohoohhehehe-

I have been into scanners for 0ver 20 years I dont need nothing and
never claimed to know it all.

Anyway im not going to argue on here about something you know nothing
about.Your probly just another punk that got their little feelings hurt
on RR and still crying about it....hears a kleenex feel better now.

Nova1010 you are a perfect example of some of the ingratiating fools on RR who can't just enjoy it for what it is without immersing yourself up to the neck in forum drama and politics. Do you really think Lindsay needs your "support" - particularly the kind you are offering here which basically amounts to childish taunts and flame bait? Then you run back to RR jumping up and down excitedly pointing to the activity in this thread. For crying out loud.... stop, count to ten, take a deep breath.

This isn't the skins vs the bloods, Nova1010. RR is a great forum and the DB combined with Butel software is extremely convenient, but if you can't acknowledge RR has problems too and the fact that some (not all) of the grievances pointed out have some validity, then you're just seeing one side of the story. The shame in all this is that free and open discussion is discouraged with the RR good old boys club rallying together to ridicule and ostracize each newcomer that "steps out of line". Some speak out while others like you try desperately to be part of the club by doing what you are doing right now and ply for acceptance among the forum bullies. But it's insincere and doesn't accomplish jack in the end. Think about it.

To begin with my friend I didn't come from rr.com. Secondly the person
you're defending is the one with the holier than thou speech. He seems to
think it most unseemly to use a computer to program 1800 channels into a
scanner. I'm still waiting for a rational explanation for why manual
programming is somehow advantageous in scanner operations, and why anyone
who chooses to use a computer and software to accomplish the task would
somehow be deemed less worthy.

doing what you are doing right now and ply for acceptance among the
forum bullies.(I dont think so not me)

Anyway RadioJay I'm done here I think I'll go hang out with the the
bullies on RR ,theres a few newcomers we need to pick on.(what a joke)

Well Sarah, in my case, it might be as simple as not having a computer
nearby. I didn't say it is advantageous, but it's a good reason to do
it manually :-)

No one really needs the software to program but as some of us know programming a 1000 channel scanner with alpha tags can be done anyone knows this,wich would probly take a few hours,but on the other hand if you have the software handy this can be done in minutes.

Ive had many many scanners old and new right know im using the Pro-96,(500 channels - 10 banks +Virtual Memory - Allows up to 5500 channels into 11 folders)I haven't got it filled only 500 channels right know.

can you imagine filling it manualy? lol I have tried ,very time consuming indeed.

Used win96 combined with RR to program it.

And this is one of the main reasons Im a member of RR.

Not to use productivity software and instead use a slow clunky interface is
foolish.

Unless of course your time is worth less than the money paid for the
software and data.

Hey Sarah. I agree but... it doesn't matter. I know a guy who can sit down for hours keying into his scanner manually because he won't spend $15 on a cable. Who cares?

You would probably argue forever about whether something is teal or green. Chill out. Here, try this:

I too have not always had a computer nearby and in the "old days" , I
started monitoring radio transmissions via a scanner back in 1978, doing it
manually was the *only* option. :) It should be noted that back then
you were limited to less than 50 channels and the task could be done quite

quickly. These days I would find the task of programming hundreds of frequencies by hand a daunting task at best. I live just outside of Washington DC and the # of freqs. available to listen to is almost endless. The win* software has been absolutely invaluable. That said, when I was back home in New England last summer I manually programmed approx. 30 frequencies and it took me about 10 minutes.

Lucky you :-) There isn't too much to listen to here in Sweden
unfortunately, so the task of entering channels by hand isn't too
daunting. But I understand that your situation is much different from
mine.

rr.com is a nice way to start, particularly for loading digital trunk
systems with many many talk groups
INVALUABLE when visiting a new area

Winxx on the other hand is a pleasure to use, with or without rr.com
One should not be dependent upon it, particularly if you are out in the
field with just the handheld, but not to use it is a waste of time.

Once again, it's a question of relative value of your time.

I think that I have them, I'll have to search around.

I will mention however that I have another item which may be of
interest to Bill Cheek fans. I have the HB-232 unit which Bill
designed to control the PRO-2006. I have the following:

PRO-2006 scanner with HB-232 installed -- PRO-2006 is in excellent
condition with box, manuals, etc.
Original PRO-2006 Service manual
HB-232 Documentation set

Please contact me at byungjaykim@yahoo.com if you're interested in any
of these items. I'll seach for the Cheek books tonight.

Product Description
Manufacturer Description
The Panasonic DMC-FX12 Lumix digital camera features a superb optical 3x zoom (35-105mm, on a 35mm film camera equivalent) Leica DC lens with f/2.8 brightness, a 7.2-megapixel CCD and a large, 2.5-inch LCD. all within a compact, stylish profile.

An Intelligent Image Stabilization system comprises two features, Mega O.I.S. and Intelligent ISO Control, that together make it easy to capture beautiful photos every time you shoot. Now recognized as a must-have feature for digital cameras, Mega O.I.S. compensates for the effects of hand-shake, making it possible to capture clear, crisp photos indoors, at night, or when taking macro close-ups -- those situations in which hand-shake is most likely to be a problem. Even Mega O.I.S., however, cannot suppress the motion blur caused by a subject moving as the photo is being snapped. That's where Intelligent ISO Control comes in. In this system, the camera's Venus Engine III image-processing engine detects whether the subject is moving and, as necessary, raises the ISO setting and shutter speed according to how fast the subject is moving and the light conditions. This happens automatically, so you can shoot without the bother of adjusting settings every time conditions change. Lumix and its powerful Intelligent Image Stabilization system do all the work automatically. You enjoy easy, trouble-free shooting in any situation and get the satisfaction that comes with capturing clear, beautiful images.

In addition, the FX12 offers a range of features that enhance usability and add convenience. The new Quick Setting function lets you quickly and easily access and set the functions used most often. With the new Date Stamp function, you can simply stamp the date on photos or you can take advantage of two original Lumix features. When travelling, you can stamp the day of the trip on the photos you take. Or, if you have a baby, you can stamp his or her age in months on your photos. The stamped information appears on photos that you print yourself at home or have printed at a photo shop.

It also boasts an internal 27MB memory (approximate) and accepts large-capacity SDHC memory cards, giving users more flexibility in shooting and recording. The menu and its graphical user interface have also been redesigned, with the colors brightened for easier viewability.

DMC-FX12 Highlights

Bright f/2.8 Leica DC lens in a compact body The 7.2-megapixel DMC-FX12 packages a bright f/2.8 Leica DC Vario-Elmarit lens with 3x optical zoom into a stylish, compact body. Comprising seven elements in six groups, including three lenses with three aspherical surfaces, this advanced lens unit passes Leica's stringent standards and delivers an exceptional optical performance. Further, in 3-megapixel resolution mode, the Extra Optical Zoom function provides additional

magnification, extending the zoom power from 3x to 4.1x by using the center part of the CCD.

Intelligent Image Stabilization: Mega O.I.S. for hand-shake plus Intelligent ISO Control for motion blur Panasonic drew on its cutting-edge lens technology to invent Mega O.I.S. (Optical Image Stabilizer), an optical image stabilization system that prevents blurring from shaky hands -- the leading cause of blurry images. With Mega O.I.S., it is easier than ever to capture clear, sharp, beautiful images when shooting indoor portraits, illuminated night scenes or even the scenery you see from a train window.

While hand-shake is the single biggest cause of blurry images, it is not the only one. Another problem is the motion blur that can occur when a subject moves as the shot is being snapped. Incorporating Panasonic's Intelligent ISO Control, Lumix cameras are the first in the world to fight motion blur by themselves. This system detects whether or not the subject is moving. If it is, the system automatically raises the ISO setting accordingly, allowing the camera to shoot at a higher shutter speed. If the subject is not moving, the camera shoots at a low ISO setting and captures beautiful, natural-looking images. Intelligent ISO Control is included as one of the corrections in certain scene modes used to shoot subjects that are often moving, such as Sports, Baby and the newly added Pet mode. Simply select the mode that best suits the subject, and Intelligent ISO Control provides the optimal corrections, making it easy to capture crisp, clear photos.

With Intelligent Image Stabilization -- Mega O.I.S. to compensate for hand-shake plus Intelligent ISO Control to prevent motion blur -- Panasonic has taken image stabilization a leap forward and equipped the new Lumix DMC-FX12 with the industry's most advanced countermeasures against blurring.

High-quality, high-performance image-processing LSI: The Venus Engine III The DMC-FX12 features Panasonic's Venus Engine III, an advanced image processing engine which in the past was offered only in the upper-level Lumix models. It can record at a sensitivity setting as high as ISO 1250 with full resolution. With its multi-task image-processing capability, the Venus Engine III also boasts outstanding response time. Shutter release time lag is as short as 0.005 second. This fast response makes it easy to capture sudden, spur-of-the-moment shots. It also allows unlimited consecutive shooting -- you can continue snapping shots until the SDHC/SD memory card is full.

Bright LCD for easier shooting and more enjoyable playback The FX12 has a large, 2.5-inch LCD for comfortable viewing both while monitoring shots and while playing back the results. The pixel-mixed readout method used by the CCD automatically increases the brightness of the live image on the LCD, making it much easier to shoot in low lighting. Thanks to the Power LCD function, which boosts the LCD backlighting by 40 percent, even shooting outdoors in bright sunshine

is no longer a problem. The High Angle mode, which can be accessed quickly and easily via a dedicated button, makes the LCD screen extremely easy to view when the camera is held high, such as to shoot over a crowd.

Record clear, bright, wide-aspect VGA motion images -- ideal for widescreen viewing In addition to recording standard VGA (640 x 480) motion images at 30 frames per second, the DMC-FX12 can record stunning wide-aspect VGA (848 x 480) motion images at 30 frames per second. These 16:9 motion pictures look extremely impressive on a wide-screen TV. The pixel-mixed readout method used by the CCD enhances image brightness, so the pictures you see are clear, bright and beautiful.

Other advanced features The compact and stylish FX12 features 27 MB (approximate) of built-in memory, which can save the day should you happen to fill up or forget to take along a memory card. The functions and settings used most often, such as white balance adjustment, ISO level, image size, image quality (compression format), and consecutive shooting are quickly and easily accessed via the Quick Setting function. There's no need to open menus to adjust them. The FX12 also accommodates large-capacity SDHC memory cards. A wide variety of scene modes, including the new Pet and Sunset modes, make it easy to get beautiful photos in a range of photographic situations. Above them, Sports, Baby and the Pet mode take advantage of the Intelligent ISO Control as previously described, to let you get great results even if the subjects have unexpected motion. When used with the optional marine case housing, Underwater mode allows underwater shooting with optimal automatic settings that capture subjects and the surrounding water in beautifully natural colors.

The fun continues even when the shooting is done With the DMC-FX12, the enjoyment of photography doesn't end when you're done shooting for the day. One additional function that broadens the fun of photography is direct print mode. To select it, simply turn the mode dial on the camera top. Then use a USB cable to connect the camera to a Pictbridge-compatible printer, and you're ready to print beautiful photos. Print all the images you shot or only your favorites, and make one copy or multiple copies as you wish. When you turn the mode dial, the mode selected is indicated on the LCD. This lets you change the mode to recording, playback or direct printing without taking your eyes off the subject.

Also interesting is the new Date Stamp function. In addition to showing the date a photo was taken, the FX12 can show on which day of the trip a photo was taken. It can also stamp your baby's age in months on a photo, after you've taken the shots. These dates, which can be helpful when making a photo album, can be stamped on photos whether you print them yourself at home or have a photo shop do them.

And with the optional Panasonic DMW-SDP1 HDTV Photo Player, it's easy to have a slide show of Lumix images in 1080i high-definition quality.

By simply connecting the SDP1, via a component cable, to a high-definition TV such as a Panasonic Viera, and inserting the SDHC/SD memory card into its slot, users can view their photos on a large display together with family or friends. Like Lumix cameras, the DMW-SDP1 incorporates the Venus Engine III imaging engine. This provides extremely quick advancing from one slide to the next. It also allows playback of wide-aspect VGA (848x 480) motion images that fit an HDTV’s 16:9 screen.

492. PRO-97 Signal Stalker feature not working

Hi all. I recently purchased a Radio Shack PRO-97 handheld scanner. I have been VERY pleased with it except for the "Signal Stalker II." It simply doesn't detect anything. I have walked very near known transmission sources (ie, baby monitors in 900MHz band) and it the scanner does not stop on the frequency. The only thing I can get it to stop on is a GRMS walkie-talkie when it's right next to it. I have read MANY posts on the Internet where people have this exact same problem but I have never read a solution.l About half the posts say, "It works great," and about half say, "Signal Stalker does nothing for me." Do any of you have any thoughts on the matter?

I'm wondering if Signal Stalker even scans in the 900MHz range even though the radio itself supports it. I ask that because when I watch the display scan through the frequencies in Signal Stalker mode, nothing in the 900 MHz range appears. I DESPERATELY want this feature. Any suggestions would be much appreciated!

Thanks!

Respectfully,

Matthew Connor

I know about the following frequencies for DECT cordless phones:
1881.792 MHz
1883.520 MHz
1885.248 MHz
1886.976 MHz
1888.704 MHz
1890.432 MHz
1892.160 MHz
1893.888 MHz
1895.616 MHz
1897.344 MHz

but I fgured there might be more. Are there?
The reason I ask is because I have a philips dect phone and when I use it and run my scanner on the above frequencies I get nothing. Before you jump on me I know that you can't listen to dect phones on a scanner and I know about the encryption, but I just wanted to find out what frequency my phone used (if not one of the above). I did try contacting philips but they don't respond andthe above numbers are all I could find on google.
Thanks for any help.

I have all 3 books in excellent condition. I would like to get $20
each and I will ship by media mail or USPS Priority whichever you
would like. Let me know if you are interestsed in any or all and I
will get you the shipping cost and you can pay with paypal if you want
or we can discuss other payment options.--Gary

Let us all know if you ever actually receive any money
from this clown. He has been pulling this scam for over a year
now. He asks for the books, then settles on a price and he says
he'll send the money and you never hear from him again.
I dont think his paper route pays enough.

Sure you will, a distinct buzzing sound.
Try WFM and scan around 1.8-1.9GHz, alot easier than
using narrow bandwidth...

yeah thanks greg you were right about wfm, I was scanning on nfm and couldn't pick up anything, but did get the expected buzzing on wfm at some of those 1.8g frequencies.

my scanner goes to 3.3GHz, more than enough for this purpose.
I simply wanted to increase my knowledge about these things and be able to recognise
certain sounds that my scanner picks up.

The reason for this is that the signal is time division multiplexed (up to
12 calls supported per channel at any given time!), and as the transmission
switches on briefly and then off again for the majority of the time, i.e..
it has only a few percent duty cycle, the transmissions are too short lived
for your scanner to open squelch. In fact, the base and handset take it in
turns to transmit, the switching happens thousands of times per second; this
is what allows the base and handset to use the same frequency to apparently
provide a full duplex link. This method of transmission is known as 'digital
ping pong'. Also, remember that the channels have a bandwidth of over 1MHz,
and that your scanner can only (even in WFM mode) hear less than 10% of the
channel at once, so most of the signal always falls outside of its passband.

You may hear something though if you open the squelch fully, go close to the phone or base station whilst a call is in progress, and try tuning each of the 10 centre frequencies. Remember, you will hear a slight electronic buzz mixed with the background noise. That's your lot!

By the way, 3G phones use Wideband Code Division Multiple Access, and channels 5MHz wide in the 2100 MHz area. I won't go into how WCDMA works as it's tricky to explain, but don't expect to hear even this much if you tune into a frequency which is part of a WCDMA channel even if your scanner tunes this high, you can detect these of you have a radio with a bandscope allowing you to sweep at least several MHz of the spectrum, a strong WCDMA channel shows up as a wide pulse above the noise floor since the base stations continuously transmit throughout the 5MHz of spectrum.

Anyway, I hope I have explained?

No manual, so which buttons do what?

Program (blue) sets up a frequency, needing decimal point
CL clears mistakes or entry. ENTER enters number.

What are UP Low?
What are FS and SS buttons?

Scanner seems to get out of Program mode.
So what does the Monitor button do?
Can I therefore scan a range on one channel and then save the

I dont know what he wants. Most if not all the mods in Cheeks books
are for scanners made during the 80's, which by todays standards are
hopefully outdated, slow etc. Buy a new scanner for Christs sake.
Not to mention one of the "speed up" mods to one scanner I had
sure sped it up,,, so fast that it never stopped on a signal.. back in
with the original xtal.

I got all 3 books, I was quite the modding fool with my 2006 back in the
day.
Still got it [and the books], though I haven't used it in years.
I got the LED S meter mod, signal squelch mod, center freq LED mod, at
least 4 others.

I got a total of 7 add on switches on the face, a couple I forgot what they are even for.
Oh yeah, one of them, used in conjunction with a jack on the back, kicked in a circuit when squelch broke, that way if you were recording, it only records when squelch breaks ... Which, of course, is when you want it to record.
I used to record alot of surveilence operations when the DEA/FBI ect used to typically run them in the clear, and this little mod was great for recording those.
The most complex was the double memory mod, which basically involved piggy backing the memory chip with another, and soldering all the tiny legs together except for 1 each, which leads to a switch so you can choose between them.
Quite a soldering job, I was shocked when it actually worked. I thought for sure I would goof something or other up, with all that micro soldering.
I'm not sure if that particular mod was in the books, Bill used to have a monthly subscription based mod letter also, which I subscribed to.
I think it was in that.
There was some good info in those mod letters, Bill would have likely turned the content into SMH #4 eventually.

Other than clipping a diode, I don't think I did any speed ups, as I was content with the stock speed.

Seems to me these old scanners still have a place, especially for VHF aviation buffs.

How serious is your interest?

Unfortunately Central Florida has a lot of crooks. The state is
having bad economic troubles, housing foreclosures, and it has its

The runt doesn't have a real job. He scamming someone to make a

Hi all!

I have both a PRO-97 and an older Realistic PRO-2022. I have come across an interesting problem on which I would like your collective input. While my PRO-97 scans the 923 - 927MHz range for portable phone handset frequencies, my PRO-2022 scans the 902 - 905MHz range for portable phone base frequencies. When someone activates their phone, my PRO-97 will stop on, for example, 924.525MHz and my PRO-2022 will stop on 903.125MHz. On BOTH scanners, I hear BOTH sides of the same conversation. If, during that conversation, I switch my PRO-2022 over to 924.525MHz, I STILL hear both sides of the conversation. HOWEVER, and here's the issue, if I tune my PRO-97 to 903.125MHz, I hear NOTHING but static. Both of the scanners are sitting right beside each other.

So why would my PRO-2022 be able to hear both sides of the conversation on BOTH frequencies, but my PRO-97 only be able to hear the conversation on ONE frequency? This disturbs me since the PRO-97 is much more advanced...and much more expensive! If any one can shed light on this, I sure would appreciate it.

Thanks all!

Hi all! Thought I'd share some info I discovered accidentally while playing with my PRO-97 scanner. When you first turn on the PRO-97 scanner, the LCD displays a three line message that says something like:

Multi-System
Trunk Tracking
Radio Shack

Though it displays only three lines of text, it has the ability to display four...and you can customize it. I cannot find this documented ANYWHERE, including Mark's Easier to Read PRO-97 Scanner Manual (http://myweb.cableone.net/marksscanners/97/97.html).

To change the startup message on the PRO-97 scanner:

1) Turn on the scanner.
2) Change to any standard FM channel.
3) Press [PGM] to enter program mode.
4) Press [FUNC] + [TEXT]. The display will read:
Start Message
Edit 1st line:
5) Enter the text you wish and press [ENT] to move to the second line, then the third, and so on.

Hope you enjoy this! I was quite surprised when I accidentally hit the key and saw this.

Has anyone noted similar.

Every modern radio receiver uses intermediate
frequencies in the demodulation process. This
results in better quality signals being fed to the
audio anplifier; thus, better quality sound from
the loudspeaker. Usually the IF is given in the
specs of the scanner, and by convention, 10.7 MHz
is used in consumer radio sets. To get the image
frequency of any given channel, double the IF and
add and/or subtract the result to/from the given
frequency.

For example, my local NOAA frequency is 162.4 MHz.
Image frequencies for it will be at 162.4 MHz. ï¿½
21.4 MHz., or at 183.8 MHz. and 141.0 MHz. (2 X
10.7 MHz. = 21.4 MHz.)

Tune your scanner to a given station's image
frequency, and you may hear a signal strong enough
to make you think that the station is operating on
that channel; or stations operating on an image
frequency may effectively jam reception of a
desired frequency. Which as Brad points out, may
be the case with your base/handset channel pair.
Receivers which employ multiple intermediate
frequencies aren't as susceptible to this issue.

I am getting involved with ACES/RACES through my association with the American Legion. As my organization has a perminate building and property, rapid response to potential attacks has become a priority. It is especially important as I live within 11 miles of the Washington D.C border.

I guess my question is, the most bang for the buck, with room to expand/upgrade in the future.

My current selection would be the Uniden BCD996T using the ARC996 software.

Am I close????????

To add a little bit of hopefully useful
information to the above, high end receivers will
say in their specs that they employ "dual
conversion" (two IF's) or "triple conversion"
(three IF's). A good explanation of how radio
signals are demodulated can be found in Robert W.
Shrader's "Electronic Communication," published by
McGraw-Hill. The most recent edition retails for
over $100 US; one might try to pick up a used copy
somewhere, or borrow one from the public library.

I would avoid the 396 and go with the GRE PSR-500. Far superior at handling interference and adjacent channel rejection. I had Uniden and then went with GRE 500 and 600. There is no comparison. I was missing so much with the Uniden.

But if you are going to get one anyway, the Uniden lets a burst of the encrypted transmission come through before muting it. The GREs will not mute the encrypted at all.

This Icom R7000 Receiver/Scanner covers from 25 to 999 and 1025 to 2000 MHz (UNBLOCKED) in the following modes: AM, AM-W, FM, FM-W, FM-N, USB and LSB. The R7000 covers low band, VHF civil and military aeronautical bands, marine, business, FM, pirates, amateur, government, TV bands, NASCAR, border patrol, plus much more.

99 memories store frequency and mode and may be selected by simply pressing the memory switch, then rotating the memory channel knob or by direct keyboard entry.

Scan modes include full-scan, programmed-scan, mode-scan, selected-scan, priority-scan and auto write programmed-scan. By depressing the Auto-M switch, the receiver automatically memorizes frequencies in use while the unit is in the scan mode. Six tuning speeds: 0.1, 1.0, 5, 10, 12.5 or 25 kHz. Requires 117/240 VAC.

This is one of the very best receivers Icom has ever manufactured. It is use widely by governments around the world, military, intelligence and anti-terrorism agencies. This radio is extremely clean. There are a few very minor (patina) scratches & paint chips. There are splash marks on the rear panel, but that does not affect the operation. The front panel is in perfect condition. It is guaranteed to not be DOA.

Please email me for more pictures: kz3dx@yahoo.com The price is $478.50 for the radio plus shipping. The AC power cord is included. Shipping & Insurance: to the lower 48 states is $48.35. To Europe is $98.60. To Australia/NZ is $115.27.

CBP freqs 165.2375 and 164.775 have been active this morning.
At 6:35am EDT on 165.2375: Unid was "trying to get "Omaha
558" (UH-60A helo) on Net 1; no joy." He was in comms with
"Charlie" (no numeral heard for Charlie).
At 6:57am EDT on 165.2375: "97B on Net 1"
At 6:58am EDT on 164.775: encrypted.

The "97B" callsign is perplexing. I do not have an "Omaha 97B" in
CBP inventory; and if "97B" were a USCG asset, the "B" would connote
an HH-65, but I do not have a USCG HH-65 with that numeral in its tail
number.

I have a PRO-2066 and PRO-94 scanner.
I want to use the trunking feature on both.
I have programmed both according to the instructions.
After programming the frequencies, including the control channels, all I hear is data, buzzing, tones, etc, on whatever talkgroup it stops on.
What am I doing wrong?

Thank You,

You are more than likely getting digital talkgroups (especially if you hear
that sound that resembles a jackhammering sound). This requires that the
scanner can decode digital.

Verify that your scanner can decode digital signals and is not just an
analog scanner. If it can decode digital, then make sure you are set up for
digital scanning. If the scanner cannot decode digital, then it will be
necessary to lock out those digital talkgroups, or create a scan list of
just the analog talkgroups (if the feature is supported).

Not sure if we have a Civil Air Patrol exercise coming today, but
148.15 has been busy with their comms this morning.
Most recently, "FL CAP 427" tried to reach "FL CAP 423."
"CAP Mission Base Melbourne" has been calling "CAP 450."
Might sit on the freq for a while.

Thank you for your help Daniel.
The PRO-2066 and PRO-94 can scan only analog apparently.
The manuals do not say anything about decoding digital.
It only says the 2066 tracks Moyorola Type I, Type II and Hybrid analog
systems. The 94 tracks the same sa well as GE/Ericsson EDACS.
Any thoughts on a scanner that will track digital as well as analog
systems?
Thank you again,
Greg (Bogey)

I just had to purchase Mixw - it's a superb program and I do like to support efforts in electronics and radio (and I never buy software normally - which means I like mixw alot :-)

When I purchased it I also asked in the mail if the key also worked for future versions, and I got a reply that it did - and that there was a new major release coming soon....

That was in Sept.2007....
The latest version I can find is 2.19 which is from Dec.2007 but that is only a minor release...
Does anyone know if these people are still alive? Looking at their main website there hasn't been any updates at all lately...
It would be a shame if they simply grew tired of developing it, it really rocks!

Ok, so for the last four nights, starting about 4 days ago, a group of guys have been goofing off on 154.57000 - a frequency SUPPOSEDLY in use by the WI dept. of transportation.

Dirty limricks, sing-alongs,wise cracks, you name it they're doing it. :))

It generally starts about 11pm, for those of you who want to check it out yourselves.

I got some of it recorded - though because I can't pause my recorder there's long gaps of silence (also missed the best of it :( )

http://www.sendspace.com/file/52ow2w

The weird thing is, that this only happens "after dark". During the day, the frequency is deader than a doornail.

Valid point. Makes sense. Keep the 2006 for other monitoring. It is still a
good receiver.
Go digital with a new, trunking receiver and be done with it.

I used to listen to scanners maybe 25-30 years ago and thought I might get back into it. Looks like things have changes a bit since then-- scanners these days seem to be computers with speakers more than radios!

Anyone got a favorite link or article to help an old dog get back up to speed so I know what to buy....

Where do you live, what do you want to listen to? Makes a difference in what
you need. Radio Reference page can some times be a hell of a lot of help in
this area.

I always thought that Citizens Band ran from 26.9650 to 27.4050 Mhz.
That's what it says on my scanner anyway's.

in some area,s it sounds like cb the 5 channels allocated for MURS are
151.82 151.88 151.940 154.570 154.60
you are actually allowed to put up an outside antenna and run up to 2
watts which on that band will go pretty far. put those 5 freqs in your
scanner and listen you might here some more people having some fun
right in your own town.

It was the Airforce 1 in contact with Lions Den (WYG911, FEMA, Maynard,MA),

After some time things were set up right and the comms returned in ANDVT.

Cross-posted to: rec.radio.scanner,rec.radio.shortwave,rec.aviation.military

It is Monday, 2:15am EDT (0615z).
NOAA Hurricane Hunter aircraft "NOAA 49" was up with Miami Ctr on
119.825.
The Center discussed tonight's routing and performance of the
aircraft which will be conducting a study of Tropical Storm Fay,
currently in the Caribbean near Cuba.
NOAA 49 is a Gulfstream IV-SP (c/n 1246), based at the NOAA
Aircraft Ops Ctr, MacDill AFB Florida.
NOAA 49 is now heading to its first waypoint for the flight. The
pilot has recited the following waypoints for the flight:
Waypoint 1: 31 North, 78 West
Waypoint 2: 31 North, 73 West
Waypoint 3: 28 North, 73 West
Waypoint 4: 28 North, 77 West
Waypoint 5: 24-30 North, 77 West
Waypoint 6: 22 North, 74 West
Waypoint 7: 20-30 North, 73-30 West
Waypoint 8: 19 North, 74 West
Waypoint 9: 19 North, 79 West
Waypoint 10: 20 North, 84 West
Waypoint 11: 23 North, 87 West
Waypoint 12: 24-30 North, 84 West
Waypoint 13: 26 North, 84 West
Waypoint 14: 26 North, 89 West
Waypoint 15: 28-30 North, 89 West
Waypoint 16: 26 North, 91 West
Waypoint 17: 28-30 North, 91 West
Waypoint 18: 28-30 North, 85 West
Then will RTB MacDill.
There is some consternation,because the pilot admits that MacDill
filed a flight plan for the flight with incorrect waypoints. Miami Ctr
is now having to refile and enter each of the correct waypoints. The
required coordination with New York is taking quite a bit of time.
The NOAA pilot says "I am curious, did she get any of the waypoints
correct?"
Miami Ctr responds "Yeah, she got the RTB MacDill right."
Miami Ctr now hands off NOAA 49 to HF freq 5550 kHz USB, with
secondary freq 3455 kHz USB.
NOAA 49 has come up on 5550 kHz USB and repeated recital of the
listing of waypoints; also got a SelCal check.

Im having a bit of trouble tho as it seems most things in my area are digital and this is an analog scanner. Anyone know where i can find some good analog frequnecies to listen to? 648. Any good SAME weather radios for sale anywhere?

I've bought 7 SAME models since they were first made so I need one
that works correctly.

That meets these creiteria
1. That after carefully programming the SAME codes the radio actually
does sound off when any severe weather is in or near my county which
now only happens 25% of the time. I am less than 2 miles from the
transmitter from the local NWS.
2. SAME radio that can be programmed without the need to read a short
manual with horrible details.
3. Ability to program channels without pressing a very very long
sequence of buttons JUST to get to the FIPS number.
4. Be able to just press a button and LIST the FIPS numbers entered.
5. Be able to program a FIPS channel like this:
Press "new fips" button, then enter fips code, then press the "ok"
button. like that.
6. Have the radio SKIP the loud blaring alarm when an alert is sounded
so that you don't have to listen to a 900dB siren for a ful 10-15
seconds while waiting for the verbal message to be heard.

Oh Hell, why not just make a SAME weather radio that can be connected
via a USB cable and program by a website?

why not?

I am hearing comms related to Hurricane Hunter "Teal 73" on his
Hurricane mission. Teal 73 is a WC-130J out of Keesler AFB's AFRC 403W
53WRS "Hurricane Hunters."
Miami Ctr ATC on 135.075 is using airliner "Jet Blue 584" to
relay comms to Teal 73.
"Tell Teal 73 that if he is going to come within 40 miles of the
seashore, he should notify ATC via Miami Ctr's 132.25 or guard freq."
The Miami Ctr ATC also asks Jet Blue 584 to get Teal 73 to
confirm the altitude block in which they want to work.
Jet Blue 584 themselves have now been handed off to 134.85 so is
probably getting beyond range of Teal 73.

Thank you for posting this. I am sure there are Hammers and other

It's really cool that the airliners are helping out, I hadn't heard

If this is similar to a Trunk Tracker III base scanner (e.g., BC 898T), there are two ways to accomplish locking out talkgroups. These methods assume that the trunking frequencies have already been programmed into the scanner, and that the scanner is already finding talkgroups when it is in Search mode.

Method 1: When the talkgroup is displayed (a three to five digit number rather than a specific scanner frequency), press the Lockout button while a transmission on that talkgroup is still active. The talkgroup should be locked out immediately. All other talkgroups should be continue to be scanned except for those which have been locked out. This works well enough up to the maximum allowable lockouts for the scanner, but also can require a lot of scanner listening time just to locate and individually lock out multiple talkgroups.

Method 2: If supported on the handheld, create a list of talkgroups (up to the maximum number of talkgroups that can be in a specific list). The scanner will only trunk scan among that list of talkgroups when in Scan mode, but also be aware that this applies only to the frequency bank(s) that are programmed for trunking and that the remaining banks can still be scanned conventionally. Switching to Search mode will once again continue to find other talkgroups within the trunking frequency banks, except for those talkgroups which have already been previously locked out using method 1.

This is basically generic information, not specific to any particular trunking scanner model, but hopefully this is also somewhat helpful in getting started with locking out unwanted talkgroups.

You never know, Uniden or some other scanner designer, may come with a
scanner or general coverage reciever to decode VoIP, and other packet
radio. After all they came up with the Trunk Tracker type scanners,
and other companies have recievers for proffessional use that can
decode digital cell phones.

Standard American English. Many years ago, I
checked out on the first of the digitally

and of excellent quality, but the training
materials and operating manuals were so poorly
translated into English, that they could've been
written by the Jerry Lewis character in "The

the diagrams, disregarded the rest of the printed

I'm interested in purchasing a scanner with the greatest frequency coverage range possible and offering the widest selection of reception modes.

I would like to be able to monitor police, fire, air traffic, government and other services. There are so many different makes and models it's hard to know which are the best choices.

Price is not really an issue (although *very* expensive models are outside my budget).

Will someone please offer me some advice or recommendations?

TIA

Hi Samantha -

As a starter-scanner I'd recommend you go to a local Radio Shack and look at their selection.
http://www.radioshack.com/family/index.jsp?categoryId=2032072&cp=2032052
will get you to their product page for scanners. Surely your location has at least one Radio Shack nearby. They're not always the most savvy but they're there and you can go back if necessary. They have all sorts of things ranging in price from $80 to $600. Most of their selections will tune the frequencies you're interested in. (I've got a BC95 which is a great radio, I think!) Expect to spend another $25 or so for batteries, wall-wart power adapters, a book or something.

You'll want to decide on a desk model or a portable radio. I'd say portable as you can take them with you, of course. A trip to the airport to watch planes is a lot more fun if you're listening to the control tower grant landing and take off permissions! Or a trip to the harbor to watch and listen to tugs helping a ship tie up at a pier!

Be sure to learn if your local police are using a "trunked" radio service - if they are, you'll need a radio capable of following trunked systems (frequently called "trunk tracker radios").

Another thing to think about is if you want a radio you can program (that is, establish frequencies in) by computer or by hand. A radio you can program with a computer (and a special program available from several sites

on the web as well as a programming cable) is much easier to deal with. Programming by hand is not impossible but it gets tedious! A computer programmable radio will cost a little more but (to me) is worth the few additional dollars.

There are a lot of other places to buy a scanner, too. Many on the web are good, of course, but sometimes when you're new it's nice to go there and touch, feel and ask questions before you put your money down!

Good luck!

Al

Your need for the "very expensive" models is dictated by the type of systems
in use. You have to have local area knowledge. In some areas, police are
off limits because the scanner technology isn't there yet.

Sam,

As others have suggested, you need to do some quick research. I highly recommend http://www.radioreference.com
to see what your local PD/Fire/EMS system is using...

In the past, you could just buy one scanner to do it all - but that's not really the case any more. I have one for trunking and one for conventional. Then I have a portable handheld scanner as well. (Actually I have 3 of those, but I only use one regularly.)

If you are in an area that is using a trunked system, then you need to find out if they're using digital. It's called APCO P25. If you see this in the description, then you're limited to only a few scanners. Also, I should point out that there's also no guarantee that the Police won't encrypt certain channels. If you look at the radio reference site, there are forums by state. Check around and see what other people are doing in your area.

I can highly recommend the Uniden BC396T as it comes with programming software (you can download at no charge.) It can decode the "digital" mode (P25) and it's also a conventional scanner as well. This model is right around the 400-500 price range. This is a handheld model. (They have a 996 model which is the base version.)

If you're in an area that is not digital (you'll see it say Motorola 800mhz Type II or Smartzone) then you have a bit more options. A good scanner is the Uniden BCT15. This model is around $200 - but you do have purchase the programming software ($25.) This model is a base scanner (or mobile.)

So you see it depends on what your local community is using for their radio system. Like another person suggested... take a trip to your local radio shack and chances are they can help you figure out what you need.

If you want a very versatile analogue scanner I recommend
Icom PCR-1000 with 0.01MHz to 1300MHz gapless coverage.
or PCR-1500 with 0.01 to 3300MHz coverage.
These are PC controlled radios.
However the PCR-2500 is also standalone with a frontpanel included,
and same coverage as pcr-1500.

They are superb radios, spur-wise and quality-wise, and they also
got a 50khz filter and discriminator output, which is great for decoding data
such as satellites and pager/minicall/pocsag and other broadband services.

I got two myself :-)

Yes, but these do not do trunking. If her intention is to listen to
police/fire/ems, then she'd likely need a different radio depending on her
location.

I have a RS Pro-528 and a RS USB-to-Serial cable (20-047) and I run Ubuntu Linux 8.04 on a Dell Latitude C610 laptop. I am searching for a means to access my scanner via the USB cable for the purpose of reading and writing it's memory banks. I know there is software out there that does this in Windows. I know that some of this software runs quite well on virtual machines and through windows emulators. I am not interested in either so please don't respond if all you have to offer involves either method.

Either a portable or base unit would be fine--with a slight preference
toward base because of larger, easier to use buttons/knobs.

Very expensive (to me) is $800, with optimum price for good quality unit not
to exceed $500 or so.

Sam,

Well the positive aspect to 'trunking' is that the radio frequencies are much higher. With most US cities, you can get buy with a simple rubber ducky antenna or a telescopic base antenna. If your city is using conventional frequencies then you may want to invest in an outside antenna.

The price of an outside antenna is reasonable. I use the Radio Shack "scanner" antenna (20-043) and it's priced here at $73. It's very easy to set up. Just get it up as high as possible. Mount it on a PVC pipe or some kind of pole and you're good to go. The higher up you can get it the better. (Some people will buy a TV antenna mast... which is like 25ft and then mount it on that.) Whatever way you choose, just make sure it's secure and away from any power lines. My antenna has withstood winds up around 70mph, so I'm not too worried about weather.)

You'll need to buy RG-58 coax cable. Plug one end into the antenna and the other into the scanner. Most scanners have a "BNC" connector type. You'll need a small adapter to convert between the coax and BNC. Ask the RS salesman for that. It's like $5.

For receiving - almost any antenna will work. I think the RS scanner antenna is the best value without going overboard. It should last you for years. The antenna is usually a one-time investment. You'll see "discone" a lot. That's a pretty typical type for a base scanner. Now, why some vary in price from $50 to $250 - I don't know. They claim better performance, but that might be stretching the truth a bit. ;o)

Another retail store I use is "Universal Radio" - they're very nice and will take time to answer questions for you. They have a nice online site to look at gear, accessories, etc. http://universal-radio.com/

Their prices are very good btw on most products.

Here's their direct link for antennas:
http://universal-radio.com/catalog/scanants.html

Here's their direct link for scanners:
http://universal-radio.com/catalog/scanners.html

PS. Some of those antennas show the assembly instructions... so you can see what's all involved. Usually it's just screwing things down. Pretty straightforward.

Good luck,
-Nick

Craig, I personally don't like the RS scanners. I'm a Uniden guy. Invest in a good Uniden model and you won't regret it.

PS. Make sure your local PD hasn't gone digital or those RS scanners won't help any.

Sam,

If you're looking for a base model, then check out the BC898T. It's a
pretty good scanner for about $220. It does NOT have the digital
capability. For that, you'll need either the 396 or 996 model.

Yeah I hear ya. Just be warned that programming these scanners is best done with a computer. So you'll have to at least buy the USB cable and scanner as well. Then check out BuTel software (google them)... they have demo software you can try out for free.

Also, you should check out http://www.radioreference.com and look at the "Texas" forum there. You can probably find several people that would be willing to help you out - either sell you theirs or let you stop by to play around. ;o)

There's also a for-sale section on that site as well.

That is why they are piled up in drawers everywhere. My last job was a boatanchors dream. Two-way service shop owner since 1957 died of cancer 15 years ago and the widow still keeps it like it was and collects site rentals. Dust everywhere, Tube stock, parts stock from Mot, GE, Midland, EFJohnson, Kenwood, Icom all just laying around getting old in an annex off the main office of a horse farm. She would throw it all away if she knew it's commercial value. Piles of crystals. Too much "stress" to bother.

find out which frequencies and modulations are used by the agencies you want
to listen to in your area
http://www.radioreference.com/

if they are all analog, you can buy cheap scanner like a RS Pro-97 to start
if they are digital (APCO-25), you have to buy an expensive digital radio
scanner (RS Pro-96 is the cheapest) to listen

saying but, if a plane or something big gets in trouble I'll know it.
I heard the plane with the hole in the side a few months ago.
Running WinScan 895, works for me and it has for years.

I just saw a Realistic Pro-55 scanner at a thrift store, and was reminded that I always wanted to get something like that. I was afraid it was totally outmoded at this point though - looked like you had to buy crystals and set up each one of the buttons for a specific frequency. It got the weather radio, but that was it, so it must have had only 1 crystal in there. Not sure if it was worth buying even at $4, if you can still get crystals, or if everything is encrypted these days. (and how do you find out what frequency local things are broadcast on???)

Can anyone tell me - are there better ways to start out at $100 or less?

The good part about such things, You can have a dedicated radio monitoring a
vital frequency 24/7 rather than being just about everywhere else.

Radio shack does NOT carry them in store, however they can be ordered
through them.. International crystal is their supplier..
(IF you are lucky enough to get a GOOD and knowledgeable sale tech..)
Most know nothing about crystals or how to order them anymore)

or go direct to International

IMHO:
Personaly unless you are a collector, a scanner that old, is
probably useless, due to corrosion and oxidation of the switch surfaces.

I have heard lots of news about health risks with cell phone, but not much on cordless phones. I assume they have similar health risk as cell phone. If so, which cordless phone frequencies are safer (900Mhz, 2.8Ghz, 5.8Ghz or 6.0 Dect)? If I had to pick, which is the lesser of the evils? And yes, I know that using a corded phone is the best way, but sometimes I need the convenience. And yes, I do realize they might not be as bad as some say, but there is nothing wrong with being cautious. Thanks for the input.

This made my day!!! It was about time. It should be "Violation of
Parole" (VOP)

That crook has been thumbing his nose at us since the day he was put
on probation.
I also noticed that Ford Motor Credit had apparently been trying to
collect a debt from him as well in September and a civil action was
filed.

I guess the ol' probation officer got wise to his shenanegans and
looked into what he was doing for a living.
The same crap as before.

As I have said before... there is justice out there, delayed or not.

A Happy R.O.

That's an excellent scanner, Frank, but a bit hard to find (it was my first scanner--I actually owned two of them at one time, but have sold them both since, unfortunately). Surely there are other handhelds that meet or exceed the capabilities of the Wavehawk for the same kind of money. I have a Yaesu VR-500 for sale if you might be interested.

Most designed for 450-470 on a hand-held scanner will do as well for RX to
512 MHz. Higher gain antennas are more critical though. A multi element
LPDA or Yagi could still be hand-held though if that is what you mean.

I've recently got a hold of my dad's old radio scanner. It's a Radio Shack Pro-62, and appears to be in complete working condition. I've been blaming the fact that I haven't been getting any reception on it to me being very new at this, and probably just inputting bad frequencies for our area.

I was hoping for some tips on how to get some results. I know the police change the frequencies often, but if I leave the scanner scrolling through a few frequencies, I'm bound to hit something, right? And what do you guys usually listen to? Just curious =)

Also, my dad heard from his friend (Steve Todd) that he modified his to pick up the "locked out" frequencies. Such as the 87.8-108MHz AM/FM frequencies used by radio broadcasters. Or the 26-27MHz used by CB. Have you heard anything about this?

Thanks for reading, please help,

Outrageous indeed.

X-rays are powerful enough ionize molecules and damage chromosones and other
chemistry and cell phone RF is too weak to affect chemistry.

Hi Mike,

I don't know if you have the manual for it. If not check out:
http://support.radioshack.com/support_electronics/doc33/33751.htm

That is an shortened version on Radio Shack's site.

Next I would recommend checking out Radio Reference for information on
frequencies in your area: http://www.radioreference.com/
If you happen to be in Atlantic Canada, check out: http://www.marscan.com/
for frequencies and http://www.nstuners.ca/scanmaritimes/ for a
message board with up to date information.

I don't know if you are familiar with Trunk Tracking. A lot of the
services have changed to this and from what I see the scanner you have
does not Trunk Track.
In case you are not familiar, a really basic description:
In the old system, each service would have a fixed frequency - for
instance Marine Channel 12 is 156.600. If you tune into that
frequency, it will always be Marine related. Sometimes Police and
Fire Departments had a number of frequencies. Police here had
Dispatch, CPIC (Canadian Police Information Centre), Car to Car, etc.
In a Trunk System, the system has a number of frequencies. Our
local one has 16 frequencies. One of those is a data channel, which
sounds like sound blurbs. BUT the number of services and channels in

use is well over a hundred. Each channel used by a service is assigned a Talk Group.
So when someone from a Talk Group goes to talk on a Trunk System, the system computer looks for a free frequency among the 15 other frequencies. It sends out a data blurb to all the radios within the Talk Group to change to that frequency for reception. When he stops talking the frequency is freed up and the radios reset. The next time he talks, or someone answers, it may be on another frequency from the system. Especially, if someone else, from another Talk Group starts speaking in the meanwhile.

Even for a basic description, it can get a little long to explain. Also, one thing that has cropped up in recent years, is that some of the Trunking communications has gone digital. Like cell phones. They would require a scanner that is able to receive digital.

Your scanner can receive the 800 band of frequencies. So, if your area has gone to Trunking, you may still be able to hear them. But as the section on Trunking explains, the same frequency may have a variety of conversations going.

As for the modifications, I, obviously, am not specifically familiar with them, but they seem possible, in theory. Issues that I would expect to have-CB radio is AM, the nearest frequencies (30-50MHz) are FM. They are different Modulations, so are not compatible. The same with FM radio. The nearest is Air Frequencies, which are AM.

Good Luck. Hopefully, you will find something in your area of interest.

John

I'm a longtime shortwave listener who has often decided to take up scanning, but never seemed to get around to it. It looks like I might soon be able to. I'm located in NYC and would very much like to connect with local expertise -- a person or club. (I know we have trunking here; not sure about digital; etc.)

I don't want to bog the group down with NYC specific questions, so I'm happy to use email (just "cut" what begs to be cut from my address.) Or I'm happy to ask questions here and bore the non-NYC folks. Be well,

767. PRO-106 vs. PSR-500?

I noticed that Radio Shack has a digital capable scanner on sale until Christmas, called the PRO-106, for $400. What is the difference between the PRO-106 and the PSR-500? The only difference I can see is the PRO-106 has a little wider coverage around VHF-High T band and it doesn't come with a AC power adapter and PC cable adapter.

PSR-500 Frequency Range PRO-106 Frequency Coverage
* 25-30 Amateur Band 10 Meters * VHF low 25.00000-54.00000MHz
* 30-50 VHF Low Band
* 50-54 Ham Band 6 Meters
* 108-137 Aircraft Band * VHF aircraft 108.00000-136.99166MHz
* 137-144 Federal Government * VHF high 137.00000-174.00000MHz
* 144-148 Amateur Band 2 Meters
* 148-174 VHF High Band
* 216-405 UHF Mil Air Band * VHF high 216.00250-299.93750MHz
* 406-420 Federal Government * UHF low/t 300.00000-512.00000MHz
* 420-450 Amateur Band 70 Cm
* 450-470 UHF Band
* 470-512 UHF "T" Band
* 796-824 800 MHz Band * UHF high 764.00000-960.00000MHz
* 849-869 800 MHz Band
* 896-960 800 MHz Band
* 1240-1300 Amateur Band * UHF high 1240.00000-1300.0000MHz

Also, the PRO-106 speaker is supposedly a little tinning but at least it on the bottom of the scanner. How is this OOUI paradigm different from my Uniden BC246T's dynamic memory model? Thank you for your time and assistance!

What are your interests? I listen to police, fire, aircraft, marine,

that interests you, then I guess there is nothing to listen to.

Unforunately I've not gotten much out of those. I have the campus police tuned in for a few local universities, but nothing of note there usually. The DNR usually has to the janitor more than officers in the field.

But CB radio can be really interesting. One night, when I was having insomnia, I heard some trucker go off on a used car dealership somewhere in Ontario. His rant literally went on 10 or 15 minutes.

Another thing I like to listen to, from time to time, is aviation stuff. Not a whole lot of variety, so I only listen in short bursts, but it's usually pretty consistent as far as traffic goes.

779. Palmdale California To Pass Anti Ham Radio Law

Palmdale, "Kalifornia" is attempting to outlaw amateur radio. The city of Palmdale has now passed a draft zoning law that proposes an enforcement unit that could seize amateur radio equipment and restrict antenna height to one inch above a fixed structure's roof.

It also applies to mobile and portable operation using an HT. They can even arrest you and take your HT just for walking down the street and talking on it.

I am not kidding. Here is a link to the actual proposed ordinance where you can read it for yourself.

Sure they can; all they need to do is pass an ordinance.

Whether or not someone has the resources to file a court challenge
and fight it is a separate issue.

technically no they can't, Congress passed a law in 1983 giving the
FCC full authority of RF energy also in the 1980's the FCC passed
PRB-1 which exempts amateurs to some degree, for example any ordinance
that bans all antenna violates PRB-1. Any ordinance created must use
the lease restrictive means to serve the government interest.

And you all didn't believe me that SOME cities and counties are doing
this.

I didn't even know about the Palmdale California one until reading
this message. So chalk up ANOTHER city making such a rule.

"must use the least restrictive means"

then what about all the previous statements in thse newsgroups that
legally the local authorities are allowed to be more restrictive than
the federal
radio rules, but not legally allowed to be less restrictive than the
federal rules???????

It seems to be if thety're allowed to be MORE restrictive than the
federal rules, then the ban on ham radio in that city by that city is
completely
legal, if the law passed.

Not true, many cities believe they can, but if you were to fight it in
federal court, they would lose. Cities, States and Federal according
to the courts must use the "lease restrictive mean necessary to
substances governmental interest". There has been many court cases
including Supreme Court cases and which the courts has ruled that is
how it's suppose to be. That's where the FCC got that term in PRB-1.

Actually Federal laws also have to abide by the "lease restrictive
mean" as well, although a lot of government agencies don't

Technically, yes they can.

A city can pass an ordinance making it illegal to wear a white shirt
and it is law until challenged in court.

And, for what it is worth, California adoptd AB 1228 in 2003 which
basically makes PRB-1 part of state law.

Neither AB 1228 nor PRB-1 mean anything until a locality passes and enforces an ordinace contrary to state and federal statute AND an individual is "harmed" by the ordinance AND the individual challenges the ordinance in court.

I also got the 404 error. His other link to qrz worked and I got this working link of Palmdale's website mentioning ham antennas dated December 2008.

This link is currently working:

787. Is it legal to drive through Burger King drive-thru with safety lights installed in/on your car???

This might sound like a joke, but it isn't.

You know those back up safety lights they sell to install in and on
your car that uses the frequencies in the
ham bands?

However, Burger King has signs up saying "no videorecording or
photography allowed" and that "violators will be
prosecuted".

So with that sign, Burger King is telling all of us that it is against
the law to have safety lights on your car
because it violates Buger King's rules.

They seem as bad or maybe even worse than Palmdale, California.

But you all just KNOW that sometime somewhere some city will pass a
law requiring you to have those
safety backup lights on your car.

Whch also poses a problem in federal areas where they say "no cameras
allowed" and no photography" allowed
since it's NOT easy and is actually a pain to keep uninstalling them
and reinstalling them.

Such as if your city passes a law requiring them and you have to drive
to your local social security office for
some reaon, where they're prohibited by law.

Maybeit's an old retired ham or old retired cber.

To follow th law you must break the law. That is

To follow the law of no cameras permitted anywhere on social security/
federal property, you must remove them
BEFORE you get your car on that property, but by doing so, you are
breaking your city's law by not having
them on your car while on city property off of federal property.

But following the law to have them on your car on city property means
you must have them on your car
until your car is completely off of city property which means until
AFTER par of your car is on federal property
and you're now in violation of federal law prohibiting cameras on
federal property.

Of more concer is where radio transmissions are prohibited because of explosives. But you CAN't just uninstall
them willy-nilly. Its too hard of a job to do that.

And who is Burger King to tell me that I'm not allowed to have safety lights on my car???????

yeah, some smart aleck is probably wanting to answer, "Well, he is the king."

Not in the U.S., he isn't.

Seriously, in my opinion, the Burger King company,corporation, whatever they are, has NO business telling
me that I MUST drive more dangerously.

And that I MUST risk running over kids that are too small to see behind my car with the mirrors while backing up.

Or their pets.

Who is Burger /king to tell me that I HAVE to run over innocent little kids because having transmitting safety backup lights on my car violates Burger King's rules against "no cameras, no photograhy, and no videorecording?????

Guess what? With those safety backup lights transmitting on the ham bands, even if I don't do any videorecording, you just KNOW that there's probably going to be some ham somewhere in his own house watching it and videorecording it from his own house.

Maybe even several hams at their own homes videorecording the transmissions from the safety backup lights.

So take that, Burger King.

Of course, with their sign, they have already threatened to call the police and prosecute anyone they catch with
any kind of camera on their property.

Once, even while inside Burger King, the manager came up to me and told me to get rid of my "camera" that
I had because it's against the law and not allowed inside there.

Until I then showed him that my so-called "camera" was NOT a "camera" at all, but an Icom IC-R3 tv set.

Yes, the idiot BK manager thought my Icom IC-R3 radio/tv reciever was a "camera".

Besides having signs up saying videotaping and photography are
prohibited, Burger King also has signs up saying they have security
cameras up (Well a leastsome of them do).

So Burger King has a double standard.

So here's some other things to Burger King.

Those car safety back up lights don't just transmit on one channel,
but do simultaneously transmit on all four part 15 channels, two of
which are ham
channels.

And not only can hams pick up all four channels, but other people who
are not hams can also pick up all four channls if they want to and buy
the
right equipment to do so.

And maybe I shouldn't tell them this, but your own security cameras
Burger King uses can probably also be picked up by hams in their own
homes
and by other people in their own homes who are not hams.

hahahahahahahahahahaha.

So take that, Burger King.

You are the joke "radioguy" .
The Burger King sign says "no videorecording or photography allowed".

It doesn't say yo cn't have a camera or camcorder. It says you cannot
take photographs or video recording. What's your problem?
Either don't go to Burger King r if you go follow their rules.

Oh please. If you are outside the "store" you can record anything you like.
People do not have the expectation of privacy in public. This would include
the drive-thru line at Burger King.

Burger King might be able to give you a trepass order and make it so you
can't come back but I'd like to know what law they think you are breaking by
recording your experience in their drive thru. I'll bet that law doesn't
exist or doesn't apply.

What does this have to do with scanners?

And to add insult to injury, you'll have to spend your money to get your antenna installed, spend your money to fight the city's illegal rules, and then you'll have to pay your taxes.. which the city will use to FIGHT YOU and your antenna installation.

The Government(at all levels) passes all kind of laws that probably aren't legal or constitutional. They're supposed to at least try to pay attention to existing rules, laws, and the Constitution but frequently they don't. And then we the people have to spend our time and resources fighting the people we elect to these offices.

The real problem is no one pays attention to these things. Even if you manage to go to court, get these rules thrown out, the people who wrote them will not be penalized in any palpable way.

I had a HAM friend in a town near Sacramento who had to fight city hall on an antenna tower he'd set up. He had it up for almost 10 years before the city noticed.. and then tried to pull some permit nonsense to get him to take it down. Luckily he found a city clerk with half a brian, explained to them that the FCC handles these matters, and they left him alone.

Hey there,

So I've been living in this area for almost 4 years now. I've found most of the frequencies for the local services I want to monitor.

I have a county hosptial with a trauma center maybe 2 miles from my home. They have a helicopter that is always flying in and out.

Can't seem to find any info on what frequencies they would use. I'm sure they talk back to base letting them know what is coming in, right? Plus they probably check in while in-route.

This is for Valley Medical Center located on Bascom Ave in San Jose, CA.

Any info is appreciated.

Thanks!

Charlie

Burger King is public property, anyway. You can do anything you want on

Huh? You mean the restaurant doesn't own the property? I think they
do, and they have the right to say no video recording on their
property. Now if you want to step out to the side walk, which is
public property and photograph, then you can take all the pictures you
want. And by the way, you can't "do anything you want" on public
property.

I don't see what back up lights and video recording have in common as
the original poster was complaining about.

They often use Calcord, 33.9600MHz. Check

Having safety lights that transmit pictures is photography, as far as
Burger King is concerned.

I already had a BK manager tell me to get rid of my "camera" that I
was NOT taking any pictures with inside since "cameras aren't allowed
and are illegal inside here".

The reason I didn't take any pictures wth that "camera" was because it
was NOT a "camera", but WAS a radio and tv set.

Lots of people take their radios into Burger King and listen to them
with headphones out.

The idiot manager thought that my radio was a camera. And he wasn't a
young kid either. he was a middle aged man.

I don't go there much anymore anyways, but it does have serious legal
implications.

Suppose I'm on the public street and happen to get in a car accident
that's not my fault, but is completely the othe guy's fault and his
car makes
mine end up in Burger King's parking lot.

I can now be charged with illegallyy violating Burger Kings rules "no
photograpgy allowed".

Even though I never intended to be at Burger King.

Since "evidence obtained illegally" is not permitted to be used as
evidence in court, I would then now be unable to use the pictures from
the safety lights
that would prove the accident was not my fault while I'm n court.

While I would be able to legally use thiose same safety light pictures
as evidence in court as long as my car happened to spin and land

somewhere off of
Burger King property.

But if my car spins and happens to land on Burger King property, that same legal evidence is now illegal evidence.

Also, some Burger Kings also have the "no videorecording or photography allowed" signs posted on their drive through windows where you pick up your food.

If that rule was just meant for the inside of the building, why is it posted where the drive through customers see it?

And if it's meant to address just the employees, why is it positioned so that the drive throughcustomers see it?

It seems the only reason to have it there is if the rule was meant for the whole premises, both inside and outside the building.

Also futher legal implications:

I don't know why BK has that rule, but if it's because you don't want your employees photographed, get this:

A car with safety lights installed does NOT even have to be on BK at all to photograph your employees.

A car with safety lights installed can be completely on the city-owned public streets and as long as your employees are in sight of whatever the
safety lights see, the safety lights WILL transmit live motion pictures of your employees.

And other people can then videorecord your employess from their own home by recording those safety ligt transmissions.

Once a viideorecording is made, it's a simple matter to make stills from that video or even simpler, instead of bothering to make stills, just put up
the video as you recorded in, in full glorious full motion video.

Since no one wa on BK property, and the videos of BK employees was not inteninall made by the person with the safety lights, and thepeople at home
recording were just recording tv signl they just happen to recieve, and they were not recording any transmissions from BK cameras but were
recording transmissions from the safety light cameras, and BK has no authority over the person with the safety light cameras since they were never
on BK property.

What can and can't be installe on cars is the business of whoever in the state controls vehicle laws, NOT the business of Burger King.

And I very much doubt that any city,county, or state would even consider, let alone passing a law that makes it against the law to have SAFETY
LIGHTS that protects kids more installe on your vehicle.

And if some city, county, or state government was stupid enough to actually pass a law making it against the law to have SAFETY LIGHTS that protect kids moe installed on your vehicle, I think that city, county, or state would find theirselves in a unch of political hot water, a bunch of legal hot water, and
involved in a bunch of court cases.

As far as I can see, I have not found aanything in my local city, county, or state laws yet that state having SAFETY LIGHTS installed on your car is
against the law.

If they were, then why are the legal national chain stores allowed to kegally sell them?

Along with other stores that are not national chain stores.

I'm not sure if the safety lights also transmit sound besides just pictures or not, so maybe people watching the safety light transmissions at home
might even be able to hear what your employees are saying in addition to seeing them, while scanner listerners would be able to hear them in such a case.

And all the while with both the car and safety lights never ever ever bein on Burger King property at all.

So take that, Burger King.

hahahahahahahahahaha.

IThat is not as easy as you make it sound. I would like to see you
keep on uninstalling and reinstalling safety lights on your car
everytime you
enter and leave Burger King property.

It's at least a two hour job one way.

Who in their right mind is going to spend two or mor hours
uninstalling safety lights right before entering BK property and then
another two hours
or more reinstalling them after leaving BK property just to have lunch
there for half an hour or less???

Not only that, but you will most likely get arrested if you do so,
since you will be blocking traffic on the public streets for hours at
a time while uninstalling them right outside of Burger King prroperty.

And of you reinstall them while on BK property before leaving so you
won't block traffic, the BK managers and employees will woner what
you're doing there fo so long and will say something to you anout it.

So again, what right does Burger Kimg have to say SAFETY LIGHTS
intalled on your car are illegal since it violates Burger King's own
rules about
"no photography".

When there's nothing in actual local city, county or state laws saying
that SAFETY LIGHTS made specifically to be installed on a car are
against the
law to intall in you car???

They're sold specifically to be installed on your car in order to
protect kids more and pets and other peoples' property.

You may be right. That might be a loophole. It's obvious that Burger King's intentions, for whatever reason, is so that there won't be any photographs or videorecordings of their employees.

The SAFETY LIGHTS don't actually take "photographs" and don't do any "videorecoring" but they DO transmit live motion pictures in realtime which CAN be videorecorded by other people in their own homes.

Which either photographic stills can be made from or can be left as a videorecording.

And a car with safety lights instaled doesn't even have to be on BK property for such a transmission/videorecording of BK employees to be made.

If the employees are outdside, it will most likely see them. If they're inside, well a lot of BK is window glass.

However as I said, whle inside a BK restaurant, a BK manager already thought that my radio, complete with headphones, was a "camera" and told
me it wasn't allowed in there since "cameras aren't allowed in here".

It is very obvious to me that I was not taking any pictures with a RADIO that was capable of recieving only, radio and tv signals.

And it's not just BK. Some other restaurants and some other places are doing the same thing with a "no cameras allowed" rule or a "n phoyography allowed" rule.

Okay. It should be said that when I first saw the safety back up
lights for sale in the store, Burger King did not yet have any signs
up prohibiting
photography or videorecording.

They added that sign months after (maybe even years after) I first saw
the safety back up lights for sale in the store.

So once againb, what right do they have to tell me that I have to
spend hours taking the safety backup lights off of my car and run a
higher risk of
running over innocen little kids just because it's against Burger
King's own rules and illegal according to Burger King's own rules.

They are NOT the Department of Transportation. They are NOT the police
department. They are NOT the Bureau of Motor Vehicles.

> I don't see what back up lights and video recording have in common as
> the original poster was complaining about.

Again, the safety backup lights I seen for sale in the store transmits
full motion video pictures which anyone in their own homes can pick up
and
videorecord from their own home.

Cars with these safety backup lights on them don't even need to be on
BK property to pick up certain BK employees and their actions.

And a bunch of other people sitting at their own homes are able to
make videorecordings of these transmissions of BK employees and their
actions.

And all the while, none of the BK employees or managers have any idea
that they were ever videorecorded by anyone at all.

hahahahahaha.

That was done by BK as a result of teenagers videotaping pranks at the drive-thru and elsewhere in the resturant and later posting the same on Youtube. Not so much for copyright infringement but more to prevent clownish young adults from pranking with cellphone cameras and the like. expect the rest of the fast food eateries to follow suit. So what's to prevent me from pranking them? Just today I saw some
other backup lighs for sale, but this one with a honking big huge
monitor.

Maybe I'll get it just to p.o. Burger King.

And drive through there where they won't be able to help but notice
the picture showing them theirselves.

So hams, get out your ham video monitors, and cbers and everyone else,
get out your part 15 video monitors. It's probably going to be a real
show.

Of course after that, they probably won't let me back on their
property. But who cares? That would be worth it. I agree with the

They

I was originally going to agree with you. but then I thought no they
probably won't think that. After all, the idiots already thought that
my Icom IC-R3
RADIO WAS A CAMERA that I WAS taking pictures with!!!!

They "seen" me "taking pictures" with it.

I still wonder how since that radio does NOT take pictures.

And since I was NOT taking pictures with it.

Not even acting like I was. Just sitting there listening to it.

Yet plenty of other people use radios in there without any problems that I know of.

Who knows what boneheaded ideas they would think or come up with about safety lights?

they might think I'm a fireman or emt like you said. However, after them seeing me take pictures with a RADIO that does NOT take pictures, I very much doubt that they are that smart.

Firemen and emt probably won't even cross their mind.

It will probably more than likely be some boneheaded idea that sane people never thought of.

And if the honking big huge monitor showing them theirselves doesn't get them P.O.ed, it will probably at least freak them out.

Especially if they can't find the transmitting camera anywhere.

After all, they must not be vey smart since they thought a RADIO WAS A CAMERA.

A better prank just thought of.

Go next door off of BK prroperty, and videorecord them from inside the building next door or from outside the building next door.

After all, you won't be on BK property while doing it so you can videorecord if it's your house or the house of a friend of yours.

Then drive through there with a car without saafety lights installed, but a video of what you recorded of them earlier.

They'll probably really freak out. You won't get a video of them freaking out this way, but they also WON'T find a camera ANYWHERE in this case.

No matter how hard they try.

Ooopsss! Never mind.

this idea won't work. The problem with this idea is that

they will think and say that your am/fm car radio IS a camera. And they seen you taking pictures with it.

Or that your ham radio IS a camera. And they seen you take pictures with it.

Or that your CB radio IS a camera. And they seen you taking pictures with it.

If it's a radio, then it IS a camera as far as BK is concerned.

Just like they already told me that my radio IS a camera.

that they seen me "taking pictures with"

Ha!!!

hmmm.....

I'll have to take another look at their rules and regulations.

However, whether legal or illegal, they sure are making it hard to impossible for hams to put up antennas of any sort

Imagine if you didn't stand up for the real laws of the country and just sat back saying nothing and posting nothing and letting Palmdale illegally
do whatever they want to.

you soon wouldn't be able to use your ham radio at all. Then no using your cb at all. Then no using your frs at all. But it wouldn't stop there.

Next or eventually comes regulating the color of the cell phone you can have. The color of the cordless phone you can have if they don't outlaw those first.
The color of your house. Etcetera.

And impossible to follow laws since they purposely contradict theirselves.

The posts about Palmdale on qrz were back from 2006 and I think 2002 or so also. the current one is current, December 2008, and even the 2002.2006 one wasn't the first time Palmdale tried banning ham antennas.

They also tried it around 1992 or 1994. I saw the posts dated around then.

It seems obvious that Palmdale is NOT going to give up trying to ban ham radio antennas or ham radio alltogether.

And did they or didn't they just ban mobile ham radios and handgelds also.

From reading their rules, I believe their intentions were to ban handhelds, but if so, they goofed as it seems to me their rules permit handhelds and handheld antennas.

However, if permitted like it seems to be, their intentions might have been to allow them instead of ban them.

But that doesn't seem to mesh with the rest of the rules.

It looks to me like they are trying to ban mobile ham radio operation.

What about those of us from out of town and out of state who just happen to be driving through Palmdale on vacation or for some other reason and have big honking huge ham antennas on our car since they're not illegal where we live?

I think It said something about them having to meet the vehicle code about ham antennas.

However, I have never ever seen any vehicle code mentioning ham antennas.

Of course, being California, theirs' might.

If their vehicle code doesn't mention ham antennas, what are the chances of Palmdale using that to say since the vehicle code doesn't mention ham
antennas at all, then the ham antennas don't meet the requirements of being how the vehicle code says they must be, and are therefore illegal.

You have to remember, California is screwy. And Palmdale even more so, from what I've read posted by other people.

They said Palmdale is and was already a bad trashy looking ghetto dump.

And that a bunch of ham radio towers would actually improve the look of the place.

I've never been there myself, so I can't say for sure if that's true or not.

.

At least not without a big huge fight on their hands.

The latter is what happened to me and everyone else in the trailer park once the new landlord/owner of the trailer park took over.

okay. If I was a ham living in Palmdale, California right now, I would do this kooky thing.

The proposed law says antennas are not allowed to be one inch over the roof line at all.

And unless I'm mistaken, I think it says antennas on portable ht's are exempt from the antenna laws.

So I wonder how Palmdale would like itt if I sat on top of my roof with a portable ham HT in my hand, talking on it, in which case the antenna on it
would be MORE than one inch above the roof line of the house.

Hey, they did say portable ham HT's are exempt from the law, unless I misread something.

When you're not allowed any antenna towers over one inch above the roof line, what better way to get better reception than to talk on your HT while
sitting on top of your roof?

hmmm... another idea. I guess there is a better way. Nope. I thought of using an extension cord to set your base/mobile rig on top of the roof using a
mag mount antenna on a pizza pan, while talking on it, but base/mobile rigs aren't exempt from Palmdale's laws and would count as an illegal antenna over one inch above the roof line.

Back to the talking on a portable HT while you're sitting on top of the roof of your house.

I wonder how Palmdale would like those aesthetics.

Of course they'll probably still try to get you for having an antenna over one inch above the roof line.

But you can then show them their ordinance that says HT's are exempt.

However, a ham winning against them in court when they revoked his permit for an antenna two years after they gave him one.. is what prompted them to try to pass this latest proposed ordinance to eliminate all ham radio they can.

At least that's what several people have said.

Agreed. However, Palmdale is shooting itself in the "foot."

For those not aware, Palmdale is adjacent to the San Andreas Fault. I can easily envision any and all amateur operators in the area REFUSING to take part in any emergency communication, whether practice or real, with regard to any disaster in the area. Palmdale obviously does not value the operators as a resource.

Note that Palmdale also went after TV and satellite antennas. Again, there are laws separate from PRB-1 and its state equivalent that exist at both the federal and state levels of government that clearly PERMIT these antennas. Practically EVERYTHING cited in the proposed statute is pre-empted at a higher government level. Is the City really that clueless?

However, notice that they also exempted their own selves from the very
rules that they are trying to impose on ham radio operators.

Also, they claim it's to eliminate interference to other electronics
by ham radio.

However, as ham radio operators and some cbers know, lowering the
height of the antennas INCREASES interference.

Why didn't someone tell Palmdale that? Or did they?

If they were told that, and really wanted to decrease unterference to
electonics by ham radio, they would INCREASE the height linit.

Which they aren't.

If they were told that, and still DECREASING the height limt like
they're trying to do, then it's obvious it's not about them wanting to
decrease interference but is about them wanting to eliminate ham radio
alltogether.

Palmdale: The ordinance must also provide a
reasonable accommodation of licensed amateur radio operators and allow
the rights of
the public to have access to programming received through residential
television
receive-only antennas.

Me: So Palmdale admits that they must provide reasonable accomadation
to licensed radio amateurs.

Palmdale: Further, the regulations were to ensure that residential
television and amateur radio
antennas are designed, installed and located in a way that avoids
hazards to public
health and safety;

Me: So they lowered the antenna height limits which INCREASES both
interference and rf safety hazards to the public instead of decreasing
them like
they falsely claim to be doing.

Palmdale: minimizes adverse aesthetic effects; and is compatible with
the
surrounding neighborhood by preventing adverse visual, health, safety,
and other
impacts on the surrounding properties and/or the community while at
the same time
reasonably accommodating amateur radio service communications.

Me: Then why did they INCREASE the health and safety hazards with this
proposed ordinance if they want to decrease them?

And translation of Palmdale's meaning of "minimizes adversse aesthitic
effects": "We don't want to see anyham antennas any where at all
because
we don't like the look of them."

Palmdale: ANALYSIS

The new ordinance permits the following types of antennas to be
installed without prior
approval of the Planning Department of the City of Palmdale. However,
they may still
be required to obtain a building permit from the Building and Safety
Department. These
antennas include: a) antennas that are installed, placed or maintained

and used under
the roof, or extend no more than one inch above the roof, or are
behind and below an
approved architectural feature and do not protrude above the highest
point of the
building and are not visible from a public right-of-way or other
private property, including
upper floors of adjacent buildings; b) antennas that are handheld or
mounted on
vehicles consistent with the vehicle code; and c) antenna
installations intended for use
by the City of Palmdale or another governmental agency.

Me: "Under the roof where they can't seen by anyone outside, no more
than one inch above the roof so people outside won't see them, or
behind and below an approved arcgitectural feature so that they can't
be seen by anyone outside, only the architecural feaaturee which must
also be approvedm and even these antennas might "still require" a
"permit from the building department"

Did they just outlaw both mobile and ht operation with the above
rules if the proposal passes as law?

It sure seems like it.

Translation of Palmdale's statements: We don't want to see any ham
radio antennas anywhere because we don't like the loks of them and we
don't like
ham radio at all."

Palmdale: It also allows a single vertical antenna mounted directly on
the ground or on a roof that
is located in a non-residential zone or in a residential zone where
the lot on which the
antenna is located and all lots within a 1,000 foot radius are at
least one acre in size.
The antenna is to extend no more than six feet above the main
structure and must be
located behind and attached to the main structure on the lot if ground-
mounted, and on
the back quarter of the roof if roof-mounted. The antenna is to be
colored to minimize
its reflectivity and blend with its surroundings as much as possible.
Antennas Approved by Minor Modification or Conditional Use Permit
(CUP)
The ordinance then specifies the types of antennas to be permitted by
either the Minor
Modification or Conditional Use Permit process. The antennas permitted
under the
Minor Modification approval process are essentially the same as those
antennas noted
above with the exception that the lot size requirement of one-acre has

been deleted
thereby requiring a Minor Modification approval on all lots less than one acre in area. It
also provides that the height shall extend no more than six feet above the main
structure in a residential district no more than fifteen feet above the main structure in a
non-residential district.
The Minor Modification process also requires that notification be provided to adjacent
property owners and any homeowner’s association at the cost of the applicant.

MeL: So Palmdale is sating that if you want to put up an antenna, you must notify ALL of the aadjacent property owners. Of course their definition of adjacent is probably "everyone who can see it" instead of just "next door neghbors".

And at your own expense.

You know they'll want you to prove in writing that you notified them if some case or court case comes up.

Palmdale: notice will state that any appeal to the Minor Modification must be filed with the City
within thirty days of the date the notice was mailed. An applicant or any interested
person may file an appeal to the Planning Commission, of the Planning Director’s
decision to issue or deny a Minor Modification, which appeal will automatically stay the
director’s decision and/or rescind any Minor Modification issued and cause the
application to be processed as an application for a Conditional Use Permit. An appeal
must be filed within 30 days after the date of the notice. The Minor Modification will
then become effective thirty days from the date the notice was mailed if no appeal is
received within that time. If an appeal is received within such time, the Minor
Modification is to be rescinded and the applicant required to file an application for a
Conditional Use Permit to obtain permission to install or construct the antenna. If the
installation of any antenna is not prohibited pursuant to Section D, or permitted pursuant
to Section E or Subsection F.1, the antenna shall require a Conditional Use Permit
approved by the Planning Commission in order to be established.
Amateur Radio Antenna

The Minor Modification or Conditional Use Permit applications for amateur radio
antennas require the submittal of additional information related to the ham radio
Memo to the Planning Commission
Zoning Ordinance Amendment (ZOA) 08-04
December 4, 2008
Page 4
operation. The additional information will include information about the radio operator,
specific information on the proposed antenna and site location, any structural details,
any mitigation measures proposed to minimize any adverse effects such as painting or
screening of the antenna or antenna structure, and a statement of the reasons why an
antenna as permitted under Subsection E will unreasonably interfere with the operator's
ability to receive or transmit signals.

Other information will include a list of equipment,
proposed maximum transmission power wattage to be used, and a discussion of other
available methods to accomplish amateur radio communication without exceeding the
development standards which do not require Planning approval.

Me: When did Palmdale get the authority to regulate how much maximun transmission power wattage you can use???????????????

I thoght only the FCC has the authority to regulate that.

So now Palmdale is falsely claiming they have more authority over radio transmissions than the FCC does.

Palmdale: The City may alsor retain the services of a consultant to assist in the evaluation of an antenna proposal with
the cost of such services to be paid for by the applicant.

Me: So Palmdale says you yoursel (hams)f HAVE TO PAY for the sercices of a consultant that the city itself hires and retains to assist in the evaluation of an antenna proposal

Palmdale: In addition to the standard findings required for approval of a Minor Modification or a
Conditional Use Permit, the ordinance as proposed requires that additional findings be
made prior to approving a Minor Modification or Conditional Use Permit for an antenna
or antenna support structure:
a) That the applicant has demonstrated that strict compliance with the development

standards specified in Subsection E would unreasonably interfere with the
applicant's ability to receive or transmit signals, or that strict compliance with said
development standards is not, under the circumstances of the particular case,
necessary to achieve the goals and objectives of this Section.
b) That the antennas, including antenna support structures and accessory
equipment shall be located, sized and designed so as to minimize the amount of
the antenna that is visible from surrounding properties, public streets and all
public rights-of-way, recognizing that complete screening may not be possible

Me: translation of Palmdale's statements; We don't want any ham radio antennas visible at all.

the above is another of Palmdale's proposed laws that outlaw both mobile ham radio use and portable ht use.
.
Palmdale: c) That in the case of amateur (ham) radio antennas, the use permit would
accommodate reasonably the amateur's desire for communication, while at the
same time requiring the minimum practicable regulation to accomplish the City's
legitimate purpose of protecting the public health, safety, welfare, aesthetics and
compatibility with the neighborhood.
d) There is adequate space on the property for the antenna and antenna support
structure without conflicting with buildings on the property or usable yard areas
required by other sections of the Zoning Ordinance.
Memo to the Planning Commission
Zoning Ordinance Amendment (ZOA) 08-04
December 4, 2008
Page 5
e) The antenna would not despoil the primary view of a neighbor

me: translation of Palmdale's statement: No outside ham antennas at all since a neighbor can see them.

They just once again made another rule/law, if it passes, that outlaws both mobile and ht operation. Your antenna must NOT be in the prinary view of
any neighbor.

Which a mobile will be at some point while driving through the neighborhood, or entering or leaving your home. The same for a HT.

Palmdale: f) There are trees or a nearby landform that would serve as a backdrop to mask the
silhouette of the antenna.
g) There are trees or other features in the neighborhood that represent existing tall
features as part of the neighborhood character.

me: translation of Palmdale's statements: We don't want to see any ham antennas at al.

Palmdale: In granting the permit, the Planning Commission or Planning Director as the approving
authority may impose conditions reasonably necessary to accomplish the purposes of
this Section, provided those conditions do not unreasonably interfere with the ability of
the applicant to receive or transmit signals.
Minimum Requirements
The proposed amendment also provides the following minimum requirements; however,
the approving authority may impose greater restrictions as necessary to protect the
public health, safety, welfare, aesthetics and compatibility with the neighborhood.
These criteria specify a variety of minimum requirements related to height, screening,
operation, insurance, modification to existing antennas, annual inspections, and nonconforming
antennas.
1. Height. The antenna shall not exceed the minimum height determined by the
approving authority to be reasonably necessary to achieve transmission and
reception.

me: Which doing so INCREASES the public's exposure to rf hazards instead of decreasing them.

And what does Palmdale consider "reasonably necessary to achieve transmission and reception"? recieving other hams from one mile away? What if you wanted to or needed to talk to people further away?

Palmdale: The applicant shall provide information and fund any expert evaluation
of the specific site being requested as required by the approval authority to
documentthe minimum height required to the satisfaction of the approving
authority.
2. Screening. Ham radio antennas shall be screened to the extent practicable with
vegetation, trellises or other means acceptable to the approving authority even

though the screening may somewhat diminish the effectiveness but
provided that
it does not significantly impair the operation of the antenna.

Me: Yeah, that will sure help the signal from my 70 centimeter ham
transmitter to get out. /sarcasm

Palmdale: 3. Insurance. The antenna owner shall provide proof of
liability insurance in the
event that the antenna falls and damages persons or property. Such
insurance
shall be maintained as long as the antenna is in place.
Memo to the Planning Commission
Zoning Ordinance Amendment (ZOA) 08-04
December 4, 2008
Page 6

me: So in Palmdale, if you have a ham antenna, you MUST pay for ham
radio antenna liability insurance as long as you have the antenna up.

Which of course will probably be at least a monthly fee.

And you know youll need it from them claiming you're the one
responsible for someone's sickness for caused by your unsafe RF
causing it..By having your antenna to high where it causes more RF
dangers to the public.

When we all know the real reason the person got RF sickness is because
Palmdale required lower antenna height limits which increased the RF
dangers
to other people instead of raiding the antenna height limits to which
decreases the RF dangers to other people. ;)

Palmdale: 4. Modifications. Any Conditional Use Permit for a ham radio
antenna shall include
a condition that the permittee shall report any changes to equipment
or antenna
structure from that authorized by the Conditional Use Permit and shall
if
necessary, obtain a modification to the Conditional Use Permit.
5. Inspection. Any use permit for a ham radio antenna shall include a
condition that
it shall be inspected annually to certify its safety and to verify
that liability
insurance is in effect and also that the ham radio equipment may be
inspected
without prior notice upon the receipt by the City of a complaint that
the radio
operation is causing interference with neighbors electronic devices
due to the
use of higher wattage than allowed by the FCC.

MeL Isn't this a matter for the FCC? When did Palmdale get the right to do ham radio and wattage inspections?

And to certify whether your ham radio is safe or not?

They probably don't even know all of the technical requirements the FCC requires.

And if there really is interference to the neighbors' devices, aren't those part 15 devices which by federal fcc law are REQUIRED to accept all interference they recieve.

So what is Palmdale doing investigating ham radio operators' radios in those cases?

When no federal or fcc laws are being broken by those ham radios.

Although there's plenty of federal and fcc laws being beiken by Palmdale in those cases, along with Palmdale breaking state law.

Palmdale: The City shall provide this
inspection service at applicant’s cost. Permittees shall pay an annual inspection
fee adopted by Resolution of the City Council in an amount sufficient to
reimburse the City for an inspector qualified to inspect amateur radio equipment.
6. Antennas and supporting structures shall be a neutral, non-glossy, non-reflective
color (i.e., earth-tones, black, gray) and be located in the most inconspicuous
location possible to receive and transmit signals. An antenna which uses or is
composed of perforated metals, radar mesh or wire screen, thereby reducing the
antenna's visual mass, is encouraged.
7. Approval by the City shall not be deemed as approval by a homeowners'
association pursuant to any covenants, conditions, and restrictions (CC & R’s).
8. Any equipment on the base of an antenna or antenna support structure shall be
screened subject to the approval of the approving authority.
9. Anti-climb devices shall be installed at the base of the antenna tower if required
by the approving authority.

Me: Then how will we be able to climb up there to make modifications to the antennas if required by the FCC???? ;)

okay. I know that's usualy to protect kids and other people from climbing it.

Palmdale: Building Permit.
When required by the Palmdale Building Code, a building permit shall be obtained for
the installation of any exterior antenna. The Building Official shall determine that the
antenna is in compliance with all applicable sections of the Palmdale Building Code and
any local regulations prior to issuance of the building permit.
Time Limit. Any antenna permit granted pursuant to the provisions of this Section shall
be developed and utilized within a period not to exceed twelve (12) months from and
Memo to the Planning Commission
Zoning Ordinance Amendment (ZOA) 08-04
December 4, 2008
Page 7
after the date of the granting of such permit, and, if not so developed and utilized, such
permit automatically shall become null and void at the expiration of such twelve (12)
month period.
Abandonment. The owner of a permitted facility shall submit written verification
annually that the facility is operative. Any antenna structure and related equipment
regulated by this Section that is inoperative or unused for a period of six (6) consecutive
months shall be deemed abandoned and declared a public nuisance. Removal of the
abandoned structure shall follow the procedures set forth in Chapter 8.10, Public
Nuisances and Abatement Procedures, of the Palmdale Municipal Code

Me: Definitely an attack on all ham radio operators and all ham radio operation. What if you're sick for more than six months at one time ? Then you're in violation of the law. After all, we all know how all the ham operators constantly talk about their health problems and doctors' operations over the air. ;)

.Palmdale: Antennas and antenna support structures legally installed, i.e. with all required
approvals and permits, prior to the effective date of this section shall be deemed to be
legally nonconforming. All antennas legally installed prior to the effective date of the
ordinance codified in this section which do not conform to the foregoing development
standards shall be discontinued and removed from their site, or brought into compliance
with said development standards within three (3) years from the effective date of the
ordinance codified in this section. Those installed without required

approvals and
permits shall remain illegal and shall be removed immediately.
General Plan Consistency
This Zoning Ordinance Amendment is consistent with the goals,
objectives and policies
of the City’s General Plan. General Plan Objective S2.6 provides that
the City should
“Minimize exposure of residents to other man-made hazards, to the
extent feasible.”
Further, General Plan Policy S2.6.2 provides that “To the extent
permitted by law, work
cooperatively with the applicable agencies and homeowners to eliminate/
modify sources
which interfere or disrupt emergency communications including, but not
limited to,
improperly installed or operated Ham and citizen band radios.”

Me: When did HOMEOWNERS ASSOCIATIONS get the authority to decide if ham radio and cb radios are improperly installed or improperly operated.

I THOUGHT that only the FCC has the authority to do that regarding ham radio.

Palmdale is a reasom why the FCC should have NEVER ever turned over CB regulation to the local governments like they did.

Palmdale gave HOMEOWNERS ASSOCIATIONS the authority to regulate and determine whether you are operating your CB radio legally or not and whether you are operating your cb radio safely or not.

And it all seems to be legal as far as CB is concerned, since the FCC gave local cities like Palmdale the authority to regulate and enforce CB radio and Palmdale allows the homeowners associations to regulate and enforce CB under Palmdale's authority to do so.

Palmdale: The proposed Zoning Ordinance Amendment establishes
standards which
accommodate amateur radio service communications but which regulate
the size,
location, height and screening of antennas which is necessary for the
preservation of
the health, safety and welfare of the community. Further, the
amendment as proposed
provides a more stringent regulation of antennas as is necessary in
residential areas
compared to nonresidential areas in order to preserve neighborhood
compatibility and
the open vistas and appearance of the community.
Memo to the Planning Commission
Zoning Ordinance Amendment (ZOA) 08-04
December 4, 2008

Page 8
In addition, the proposed amendment, to the extent permitted by Federal law, sets forth
certain standards for the operation of the amateur radio antenna to limit unreasonable
interference with electrical equipment in the surrounding neighborhood which is
incompatible with that neighborhood.

Me: So according to Palmdale, now even if your whole neighborhood is completely okay with your ham antenna and a surrounding neighborhood that is NOT part of your neighborhood doesn'tlike you having it, you're in violaion of the law.

Palmdale: The proposed standards require the submittal of information to demonstrate the need for increased antenna height and the operators
ability to communicate in a reasonable manner without the increased height.
Further, Zoning Ordinance Amendment 08-04 is consistent with the General Plan Policy
S4.1.1 which states, “Adopt appropriate codes to assure minimum standards to
safeguard health, safety and public welfare by regulating the use and occupancy,
location and maintenance of structures within the City” because the proposed changes
to Section 95.03 of the Zoning Ordinance sets forth standards to ensure that antennas
are located on parcels of adequate size and with adequate setbacks from adjacent
uses. Standards are also proposed to ensure adequate structural integrity of antenna
structures to protect public health and safety.
ENVIRONMENTAL REVIEW
An environmental initial study was prepared in accordance with the California
Environmental Quality Act (CEQA), which determined that proposed Zoning Ordinance
Amendment 08-04 to amend Section 95.03, Vertical Antennas of the Zoning Ordinance
will not have a significant impact on the environment.
CONCLUSION
The proposed Zoning Ordinance Amendment provides regulations to ensure that
residential television and amateur radio antennas are designed, installed and located in
a way that avoids hazards to public health and safety, minimizes adverse aesthetic
effects, and is compatible with the surrounding neighborhood by preventing adverse

visual, health, safety, and other impacts on the surrounding
properties and/or the
community while at the same time reasonably accommodating amateur
radio service
communications.

Very disturbing is Palmdale's law (if the proposed ordinance passes or did it already pass?) which gives Homewowner Associations the authority to determine if you are operating your ham radio (or CB) within RF safety limits or not. And if you're operating your ham radio (or CB) legally or not. And how much power wattage you can use.

Are those people even going to know what the legal FCC rules are abvout RF safety exposure limits???

And if so, are they even going to follow them if they decide they theirsselves don't like the look of any antennas and so there should be none???

If they trylyknew theFCC rules and were truly concerned about RF safety exposure to the public, they would be complaining that you must make your antenna higher, no lower.

If they claim to be concerned about rf safety exposure limits to other people and tell you have to lower your antenna to comply with rf laws to reduce rf exposure to other people, then you know that they're NOT going by the real true FCC rules about RF exposure.

And know that they're NOT qualified to make such deccisions.

However, notice that they also exempted their own selves from the very rules that they are trying to impose on ham radio operators.

Also, they claim it's to eliminate interference to other electronics by ham radio
---

They obviously don't understand 47 C.F.R. 15 ("Part 15") which basically says that unlicensed devices must accept interference from licensed services. They've got it backwards.

From my reading of Palmdale's rules/laws, I get that even if you don't have any outside antennas at all and are only operating indoors, either Palmdale or Homeowners Associations can come into your house and deermine whether you're operating your ham radio or cb within rf safety limits or not, and whether you're operating your ham radio or cb legally or not.

They definitely either don't understand the federal FCC laws, or do understand them and are purposely ignoring them.

Don't mean shit any way, everything is going digital..and again ONLY
the FCC has jurisdiction over RF and interference from RF

I just heard something said on the show that's on tbv here now and thought that's exactly what Palmdale needs.

"Whip them with the car antenna".

Okay, the exact quote was

"I'm going to whip them with the car antenna". ;)

I'll find any of these frequencies interesting if they say interesting
stuff :) I mean for instance can you tell me what type of stuff you
hear on police, fire, aircraft, military, etc. It seems to me like I'd
fall asleep waiting for something interesting but I don't know.

Police sounds like the most interesting, I know the news reporters are
always listening to that to get the scoop, though I don't live in a
bad area. I live in New York but away from the bad neighborhoods so I
think I'll just pick up chatter about moving violations lol.

No. But as I sid, there are very serious legal implications to it,
eeven if you don't go there. Such as if you're in a car accident
through no fault of your own and your car just happens to land on BK

Yes. But they're all closed due to road construction.

They even have signs up on those restaurants saying that the
restaurants are curently closed due to road construction.

The road construction there has been going on there for a few years
now, and the finished parts of the road are now worse than before they
began!!!

The road didn't need any road construction at all. Until after they
decided and started doing it.

Okay, they're not all closed.

Some are.

They have a McDonalds at the visitor entrance to Tampa General Hospital..

I got weak once and ordered a double cheeseburger.
I stand strong when I say 100% beef means lungs and stomachs.

I will never eat at McDonalds again.

Hello everyone

new here... just got myself a Pro-96 while it was on sale for only 200 bux, not bad I think.

anyways, I live in Boca Raton, FL and would like to tune into their PD.

I also wanted to setup PBSO, and miami dade and whatnot, but i'm reading the manual here and i'm bit confused.... I got this one knowing it is APCO-25 capable, so i should def be able to listen to most if not all PDs.

any help is appreciated, thanks!

What I did (I don't know if its that easy... I probably did it wrong) is -

PGM - FUNC then went up and picked bank 9, ch 01

pressed trunk until motorola came up.

went back to PGM and then put in 853.7875 (Boca Raton Police-F1-Main Dispatch) that I got from here - http://members.optusnet.com.au/extremescan/usa/florida_fl.html

and pressed scan for bank 9.... nothing comes up however =/

Radio Shack has a real sale going for a few more days
PRO-106 & -197 for $299 and free shipping

"chesucat" <me@privacy.net> wrote in message
news:gh4dk8$8m0$1@chessie.cirr.com...
I noticed that Radio Shack has a digital capable scanner on sale until
Christmas, called the PRO-106, for $400. What is the difference between
the PRO-106 and the PSR-500? The only difference I can see is the PRO-106
has a little wider coverage around VHF-High T band and it doesn't come with
a AC power adapter and PC cable adapter.

PSR-500 Frequency Range PRO-106 Frequency Coverage
* 25-30 Amateur Band 10 Meters * VHF low 25.00000-54.00000MHz
* 30-50 VHF Low Band
* 50-54 Ham Band 6 Meters
* 108-137 Aircraft Band * VHF aircraft 108.00000-136.99166MHz
* 137-144 Federal Government * VHF high 137.00000-174.00000MHz
* 144-148 Amateur Band 2 Meters
* 148-174 VHF High Band
* 216-405 UHF Mil Air Band * VHF high 216.00250-299.93750MHz
* 406-420 Federal Government * UHF low/t 300.00000-512.00000MHz
* 420-450 Amateur Band 70 Cm
* 450-470 UHF Band
* 470-512 UHF "T" Band
* 796-824 800 MHz Band * UHF high 764.00000-960.00000MHz
* 849-869 800 MHz Band
* 896-960 800 MHz Band
* 1240-1300 Amateur Band * UHF high 1240.00000-1300.0000MHz

Also, the PRO-106 speaker is supposedly a little tinning but at least it on
the bottom of the scanner. How is this OOUI paradigm different from my
Uniden BC246T's dynamic memory model? Thank you for your time and
assistance!

Entering JUST the one freq will not always work with the
the trunked digital systems.

Here is the Radio Freference info on the freq for your city area.
http://www.radioreference.com/apps/db/?sid=197

then get a copy of Don Starr,s Win96 program and the
Radio Shack USB-scanner interface cable CAt#20-047

http://www.starrsoft.com/software/win96/

You can Download and try the program free for 30 days

IMHO:
its WELL WORTH buying it..

took me a whole day to figure it out. apparently I was doing it wrong. I found out there is another page on radio ref where it has trunk information as well.

got it working pretty well now, but I got a question...

it always scans through the banks I have on.

How can I select a certain talkgroup ID, and only listen to that? there are 2 ways I can do it now, which is a major PITA. lock out ALL other channels except the one I want (which is a lot of locking/unlocking) or wait til I hear the talkgroup talk, and press pause...

is there a way where I can go through the talkgroups and select the one I want it to tune to???

if you have the manual, go to page 91
see paragraph at top of page

basically you manually select the talkgroup ID, then press FUNC TRUNK
this puts that ID in HOLD MODE directly

works on my pro-96

If Federal law truly supercedes state law as hams claim they do, then how are local state laws prohibiting using scanners to monitor the police legal???

The federal ECPA law clearly says that monitoring police transmissions is specifically allowed.

From anywhere in the U.S.

And "anywhere" would inclide from a vehicle.

And if I recall correctly, the ECPA even goes so far as to say that monitoring of police may not be prohibited.

okay. After posting, I just tiik a look at the federal ecpa law again. And IF the hams are correct that federal law ALWAYS supercedes anf trumps local and state laws, then it is legal for cbers and other non-hams to have scanners in their vehicles no matter what state and local laws say.

The ECPA clearly says it shall not be unlawful to listen to police transmissions (as long as they're unencrypred).

And it does not mention any places where you're not allowed to listen to them.

In other words, it shall not be unlawful period to listen to police transmissions.

Anywhere within the U.S.

Unless of course the hams are wrong and state and local laws supercede and trump federal law.

Which is it?

state and local laws superceding and trumping federal law so non-hams listening to police transmissions in their vehicles is a crime.

or federal law superceding and trumping state and local laws so non-hams listening to police transmissions in their vehicles is not a crime.

copy of part of the text of the FEDERAL ecpa law:

"(g)it shall not be unlawful under this
chapter or chapter 121 this title for
Post p. 1860 any person---
"(i)to intercept or access an
electronic communication made through
an electronic communication system
that is configured so that such
electronic communication is readily
accessible to the general public;
"(ii) to intercept any radio
communication which is transmitted--
"(I) by any station for the use
of the general public, or that
relates to ships, aircraft, vehicles,

or persons in distress;
"(II)by any governmental, law
enforcement, civil defense, private
land mobile, or public safety
communications system, including
police and fire, readily accessible
to the general public;"

There you have it, folks. It shall NOT be unlawful to intercept any radio communication which is transmitted by any governmental,LAW ENFORCEMENT,civil defense,private land mobile, or public communications system INCLUDING POLICE and fire, readily accessible to the general public (meaning not encrypted. If you can hear them on a regular analog scanner, they are definitely unencrypted.)

That is federal law.

"(III) by a station operating on
an authorized frequency within the
bands allocated to the amateur,
citizens band, or general mobile
radio services; or

Interesting because even after the ecpa passed, certain hams around my area told me that it is against the law to listen to ham radio at all on any radio reciever unless you have a ham radio license.

"(IV) by any marine or
aeronautical communications system;

I've listened to the airband. Boring.

The problem with your logic chain starts with the assumption that federal law supercedes state laws. In some types of statues dealing with universal rights (freedom to vote, anti-segregation and other types of statues relating to civil rights) it does. When it comes to general regulations, deference is given to state and localities. Conservatives have long trumpeted this division of deference to be the linchpin of shared federalism between the national gov't and states.

Study constitutional law, it matters!

Irregardless of the ecpa, try to listen in on military tactical comms and
let them find out about it.. they tend to call that espionage. Which is why
most scanners don't have the tactical freqs. in them...

Also, it depends upon your USE of the intercepted comms. There is an
enhancement for using a police scanner in furtherance of a crime.

I would like to get this schematic to look into creating a computer interface modifcation. Info on locating a schematic or its GRE counterpart would be greatly appreciated.

There are thousands of Federal laws that trump State laws.

The bad part about the issues at hand is
the state can confiscate your stuff.

It works both ways there are Federal laws that overule state laws and
stae laws that overule federal laws. Kidnapping is a state crime but
made federal if you cross a state line with the victim. All federal
civil rights laws trump state laws unless the state's is more liberal.
I think most federal laws have a clause stating how they relate to
state laws. As clear as mud isnt it. The American Civil Liberties
Union is the place to contact tfor information on specific laws. I
believe they have already been involved in some cases in Virginia.

They're not. Neither are radar detectors or full range *radio receivers* of
any sort (including cell phone coverage). The latter "restriction" bought
and paid for by the same telcos that have been illegally tapping your phone
lines for the past 8+ years. Of course, if never challenged, they'll take as
many of your freedoms as you'll give.

Federal law and International Treaty clearly state that monitoring *any*
frequency is legal.

Ok, so it sounds like there may not be a lot to hear. I would think they'd
have to check-in with the Hospital enroute, No? I didn't think it was legal
to use Nextels in an aircraft.

I'll try the frequencies mentioned. Thanks for the info!

Hi everyone.

I recently got a Radioshack Pro-96 for Christmas, and already it's giving me a low battery signal. Question is: If I change the batteries on it, will I lose the settings I have, or will it be OK?

Yes, it will be OK. The manual states on "memory is saved for an
extended period of time" without batteries. And my 96 does just fine
when changing batteries

BTW if you haven't, you will want to spring for rechargeables.

Will hold the settings,
just make sure you use the proper battery holder
for the batteries you use..

Yellow holder for rechargeables and

Black holder for non-rechargeables

(Page 26 of your owners manual)

FWIW:
I'm getting really good life and usage using the
RadioShack Nickel-metal-hydride rechargables in the
Pro-96 (2100mAh)
and my 96 gets a lot of use....everyday

I'll second your comments on the RS Nickel-metal-hydrides. I have them in
my Pro 96, Pro 97, and GRE 500 and all three are used daily.

That's why I'll never understand the people who use their MURS radios
to order food ahead of time from the fast food restaurant.

the food that is suppodsed to be hot is already cold enough by the
time you get to the window when you order it at the normal time
through the drive through.

Ordering it earlier would make it even colder.

good. the more confused BK employees are about it, the more they won't know exactly what to look for.

And I'm not about to tell THEM.

They're already confused anyways.

Whopperheads.

Although in my experience, recent Taco Bell employees are more confused than anyone else, no matter what Taco Bell restaurant you stop at.

And we have ways of knowing just how idiotic and airheaded you can all be.

Certain people know what I'm talking about and certain ways of how.

although we don't even need to do that to know.

Just driving through the drive through, ordering the food, and picking up the food is enough by itself to know, and then trying to exchange that for what you actually ordered only to have the Taco Bell employees (or other fast food employees) refuse to exchane it because they insist that that is what you ordered. Even tough you know it isn't.

What I am talking about is things like ordering a bean burrito and
getting a taco instead. showing them your receipt and telling them
what you ordered, them looking at the taco and saying "that IS a bean
burrirto".

When exactly did THAT happen? I not defending these people because they ARE
for the mopst part idiot's, but I refuse to believe they can look at an
item, be told what it is, and still say it's something else. Especially a
taco and a burrito. I thikn it's that YOU don't know what the hell your
talking about. Would you happen to be a woman by chance? They usually have
the most difficulty with drive-thru's.

I have a 12-250 weather receiver with audio problems. Radio Shack support informed me that they didn't have a service manual or schematic. Any chance someone here might have one?

Thanks
Mike
